Filippino Lippi's Strozzi Chapel in Santa Maria Novella John Russell Sale, 1976      The Strozzi Chapel by Filippino Lippi in Santa Maria Novella John R. Sale, 1982      **The Strozzi Chapel by Filippino Lippi in Santa Maria Novella** John Russell Sale, 1976      **Filippino Lippi** Paula Nuttall, Geoffrey Nuttall, Michael Kwakkelstein, 2020-07-20 Filippino Lippi 1457 1504 although one of the most original and gifted artists of the Florentine renaissance has attracted less scholarly attention than his father Fra Filippo Lippi or his master Botticelli and very little has been published on him in English This book authored by leading Renaissance art historians covers diverse aspects of Filippino Lippi's art his role in Botticelli's workshop his Lucchese patrons his responses to Netherlandish painting portraits space and temporality the restoration of the Strozzi Chapel in Santa Maria Novella his immediate artistic legacy and finally his nineteenth century critical reception The fourteen chapters in this volume were originally presented at the international conference Filippino Lippi Beauty Invention and Intelligence held at the Dutch University Institute NIKI in Florence in 2017 See inside the book      *Filippino Lippi* Jonathan K. Nelson, 2022-09-26 Offering particular insight into Filippino Lippi's artistic problem solving an innovative look at the Renaissance master The first focused study of Filippino Lippi in a generation and the first in English in over eighty years this book presents a new understanding of the Renaissance master artist Celebrated as ingenious by Vasari in 1550 Filippino was highly praised and influential then fell out of favor and was forgotten for centuries He was rediscovered by the poet Swinburne who in 1868 celebrated the painter's inventive enjoyment and indefatigable fancy In a similar spirit this volume explores Filippino's creativity in solving artistic problems If a Roman cardinal requested a classically inspired work or a Florentine humanist wanted to dazzle observers with his antiquarian interests Filippino had the sensitivity to understand these diverse needs and express them with highly original solutions      **Fra Filippo Lippi & Filippino Lippi** Eliot W. Rowlands, Marilyn Bradshaw, 2016-04-01 Fra Filippo Lippi a Carmelite monk who was one of the leading painters in Renaissance Florence was patronized by the powerful Medici family His large scale altarpieces and fresco cycles had a decisive impact on the painting styles of the 16th century and he produced some of the earliest autonomous portrait paintings of the Renaissance His son Filippino Lippi became in turn one of the leading Florentine painters of the late 15th century winning important civic and private commissions including the decoration of the Strozzi Chapel in S Maria Novella Florence This fully illustrated Grove Art Essentials title delves into the life and work of these two great artists including an analysis of their working methods techniques and workshops With the addition of an extensive bibliography discover the art of these two masters of the Italian Renaissance with Grove Art Essentials      **The Drawings of Filippino Lippi and His Circle** George R. Goldner, Filippino Lippi, Carmen Bambach, Metropolitan Museum of Art (New York, N.Y.), 1997 Energetic incisive spontaneous and expressive the drawings of Filippino Lippi 1457 58 1504 are among the most original and creative of the Italian Renaissance

Filippino Lippis Stroz John Russell Sale,1979      Hybridity in Early Modern Art Ashley Elston, Madeline

Rislow, 2021-09-15 This collection of essays explores hybridity in early modern art through two primary lenses hybrid media and hybrid time The varied approaches in the volume to theories of hybridity reflect the increased presence in art historical scholarship of interdisciplinary frameworks that extend art historical inquiry beyond the single time or material The essays engage with what happens when an object is considered beyond the point of origin or as a legend of information the implications of the juxtaposition of disparate media how the meaning of an object alters over time and what the conspicuous use of out of date styles means for the patron artist and or viewer Essays examine both canonical and lesser known works produced by European artists in Italy northern Europe and colonial Peru ca 1400 1600 The book will be of interest to art historians visual culture historians and early modern historians      **The Business of Art** Michelle O'Malley, 2005-01-01 In taking a fresh approach to the study of contracts and commissioning The Business of Art demonstrates the fundamental quality of negotiation involving the equal input of both parties to the gestation of a new work of art It underlines the contributions made by both parties working together to deciding such issues as the approach to the production of a work the costs involved in its creation and the details of its subject matter      **A World History of Art** Hugh Honour, John Fleming, 2005 Over two decades this art historical tour de force has consistently proved the classic introduction to humanity's artistic heritage From our paleolithic past to our digitised present every continent and culture is covered in an articulate and well balanced discussion In this Seventh Edition the text has been revised to embrace developments in archaeology and art historical research while the renowned contemporary art historian Michael Archer has greatly expanded the discussion of the past twenty years providing a new perspective on the latest developments The insight elegance and fluency that the authors bring to their text are complemented by 1458 superb illustrations half of which are now in colour These images together with the numerous maps and architectural plans have been chosen to represent the most significant chronological regional and individual styles of artistic expression      **Gay and Lesbian Studies in Art History** Whitney Davis, 2013-11-19 Find original research and interpretive studies of the relations between homosexuality and the visual arts Evidence for the role of homosexuality in artistic creation has often not survived in part because the direct expression of homosexuality has often been condemned in Western societies Gay and Lesbian Studies in Art History presents examples of contemporary art historical research on homoeroticism and homosexuality in the visual arts chiefly painting and sculpture of the Western tradition from the ancient to the modern periods Chapters explore the dynamic interrelation of sexuality and visual art and emphasize problems of historical evidence and interpretation and the need to reconstruct social and cultural realities sometimes quite different from our own Gay and Lesbian Studies in Art History addresses contemporary art historians' interest in studying sexuality in the visual arts examining such questions as What are some of the present day reasons for and problems of this research How is it related to other research areas within art history and to wider public debates about the

meaning value and propriety of works of art While the book examines a variety of research problems and theoretical perspectives most chapters focus on the historical interpretation of a particular work of art artist or visual convention Chapters present new documentation of the importance of homosexuality in the production and reception of artworks in the Western tradition develop models for approaching the question of how sexuality and visual creation are related and explore researchers experiences and obligations in working in the area of gay and lesbian studies in art history today Contributing authors stress problems of historical evidence and reconstruction the social and cultural construction of homosexuality and the active role of visual conventions in shaping perceptions of homosexuals homosexuality and homosexual desire They discuss both the biography of artists and the significance of individual works of art and the social reception and circulation of works of art in the context of wider religious legal medical political and economic relations The book may revise readers beliefs about the significance and value of a number of works of art hitherto forgotten neglected under appreciated or misinterpreted *Gay and Lesbian Studies in Art History* is an enlightening and informative book for art historians museum professionals scholars in the field of lesbian and gay studies and art history students and professors

*Locating Renaissance Art* Carol M. Richardson, 2007-01-01 Renaissance art history is traditionally identified with Italian centers of production and Florence in particular Instead this book explores the dynamic interchange between European artistic centers and artists and the trade in works of art It also considers the impact of differing locations on art and artists and some of the economic political and cultural factors crucial to the emergence of an artistic center During c 1420 1520 no city or court could succeed in isolation and so artists operated within a network of interests and local and international identities The case studies presented in this book portray the Renaissance as an exciting international phenomenon with cities and courts inextricably bound together in a web of economic and political interests
