Filming Castaneda:

Filming Castaneda Gaby Geuter, 2004 Life borders on fiction in this daring and true story of secretly videotaping Carlos Castaneda one of the most reclusive writers of the sixties With over 120 previously unpublished photographs and other archival material this unauthorized first hand account allows a rare glimpse into the controversial world of Castaneda It adds the missing face to the man that managed to stay in the shadows for over forty years When the self proclaimed sorcerer slips into Gaby Geuter's life she suddenly believes herself to be at the gateway of knowledge Tentatively she follows a trail of magical breadcrumbs that begins in private classes and public seminars but eventually leads her to tracking the master to his home In a twist of irony the teacher becomes the subject of his own teachings and Gaby the unintentional witness to the last years of Castaneda's life In the sobering months of his inglorious end the author discovers that all along the answers to her lifelong search were inside of her Call it a poignant memoir a suspenseful novel a poetic tribute to the mysterious man or a spiritual detective story ultimately it is the ballad of one woman's bold quest of finding the road home **The Dedalus**

human condition replete with all its multilayered emotional baggage and convey its strengths weaknesses and delicate nuances so successfully often while plagued by his own personal tragedies and demons In Edward Montgomery Clift the public not only discovered an unusually gifted actor but a persistent and stoical anti authoritarian an extreme non conformist in a conformist age and a personal enigma who has remained the target of prying Hollywood reporting since his death Described as the first method actor in Hollywood he was to co create and develop this lonely unwilling and uncertain American hero filled with deep personal ambiguities a conflicting will vulnerable and sensitive In his eventual arrival to Hollywood following a lengthy period of resistance he not only embodied this new male model but inspired the next generation of fascinating characters who didn't fit in such as friends Marlon Brando and James Dean He added to this screen persona a sexual dualism that while not apparent on the surface changed the way leading men were perceived by the late 1940s A first rate stage actor Clift approached Hollywood on his own terms and permanently upset the ruling order of the studio to star system in which long term contracts guaranteed corporate ownership of the artist
