William Schoell,1995 Sonny Boy Al Pacino,2024-10-15 The Instant New York Times Bestseller One of People Magazine's Top 10 Books of the Year The rare celebrity memoir that's also a literary read As funny as it is reflective it shares stories behind Pacino's hardscrabble upbringing classic films and journey to icon status People Magazine From one of the most iconic actors in the history of film an astonishingly revelatory account of a creative life in full To the wider world Al Pacino exploded onto the scene like a supernova He landed his first leading role in The Panic in Needle Park in 1971 and by 1975 he had starred in four movies The Godfather and The Godfather Part II Serpico and Dog Day Afternoon that were not just successes but landmarks in the history of film Those performances became legendary and changed his life forever Not since Marlon Brando and James Dean in the late 1950s had an actor landed in the culture with such force But Pacino was in his midthirties by then and had already lived several lives A fixture of avant garde theater in New York he had led a bohemian existence working odd jobs to support his craft He was raised by a fiercely loving but mentally unwell mother and her parents after his father left them when he was young but in a real sense he was raised by the streets of the South Bronx and by the troop of buccaneering young friends he ran with whose spirits never left him After a teacher recognized his acting promise and pushed him toward New York's fabled High School of Performing Arts the die was cast In good times and bad in poverty and in wealth and in poverty again through pain and joy acting was his lifeline its community his tribe Sonny Boy is the memoir of a man who has nothing left to fear and nothing left to hide All the great roles the essential collaborations and the important relationships are given their full due as is the vexed marriage between creativity and commerce at the highest levels The book's golden thread however is the spirit of love and purpose Love can fail you and you can be defeated in your ambitions the same lights that shine bright can also dim But Al Pacino was lucky enough to fall deeply in love with a craft before he had the foggiest idea of any of its earthly rewards and he never fell out of love That has made all the difference

*Focus On: 100 Most Popular American Crime Drama Films* Wikipedia contributors, **Al Pacino** Lawrence Grobel, 2006-12-01 For more than a quarter century Al Pacino has spoken freely and deeply with acclaimed journalist and bestselling author Lawrence Grobel on subjects as diverse as childhood acting and fatherhood Here for the first time are the complete conversations and shared observations between the actor and the writer the result is an intimate and revealing look at one of the most accomplished and private artists in the world Pacino grew up sharing a three room apartment in the Bronx with nine people in what he describes as his New York Huckleberry Finn childhood Raised mostly by his grandparents and his mother Pacino began drinking at age thirteen Shortly after he was admitted to the renowned High School for Performing Arts his classmates nicknamed him Marlon after Marlon Brando even though Pacino didn't know who Brando was Renowned acting coach Charlie Laughton saw Pacino when he was nineteen in the stairwell of a Bronx tenement and the first words out of Laughton's mouth were You are going to be a star And so began a fabled lifelong friendship that nurtured Al through years of not knowing where his next meal would come from until finally at age twenty six he landed his first salaried acting job Grobel and Pacino leave few stones unturned touching on the times when Pacino played piano in jazz clubs until four a.m. before showing up on the set of *Scarecrow* a few hours later for a full day's work when he ate Valium like candy at the Academy Awards and when he realized he had been in a long pattern of work and drink As the pivotal character in *The Godfather* trilogy and the cult classic *Scarface* Pacino has enshrined himself in film history He's worked with most of Hollywood's brightest luminaries such as Francis Ford Coppola Sidney Lumet Michael Mann Norman Jewison Brian De Palma Marlon Brando Robert De Niro Gene Hackman Sean Penn Johnny Depp Michelle Pfeiffer Hilary Swank and Robin Williams among many others He was nominated for eight Academy Awards before winning the Oscar for Best Actor for his role in *Scent of a Woman* Pacino still seems to prefer his work onstage to film and if he's moved by a script or play is quick to take parts in independent productions Al Pacino is an intensely personal window into the life of an artist concerned more with the process of his art than with the fruits of his labor a creative genius at the peak of his artistic powers who after all these years still longs to grow and learn more about his craft And for now it's as close to a memoir as we're likely to get
