Is That Your Final answer? Philip D. Gibbons, 2021-03-01 It was the end of the 20th century and the dawn of a new millennium America was enjoying an unprecedented period of prosperity the stock market achieving all time highs no wars and the federal government actually generating an annual surplus But a rising tide does not lift all boats Greg Rafferty has been fired out of one corporate nightmare and is on thin ice in another A recent long term relationship collapse and ever increasing isolation has induced a delusional belief that his only means of survival is to win a million dollars on the nation's highest rated television show Unbelievably he is ultimately afforded an opportunity to turn this obsessive pipe dream into reality A cross between Office Space and Sex in the City from a male perspective Is That Your Final Answer is the hilarious and poignant account of one man's search for love and reason in a cold and irrational world

**After the Stroke** Mark McEwen, Daniel Paisner, 2009-05-05 The intimate life-affirming journey of recovery and rehabilitation from a major stroke written by one of morning television's most beloved personalities. Mark McEwen was at the top of his game and enjoying life when he suffered a stroke. After fifteen years on *The Early Show*, he had moved to Orlando to anchor the local news and spend more time with his family. While traveling, he experienced symptoms that led him to a hospital where he was misdiagnosed with the flu. Two days later, on an airplane flight just hours before he finally collapsed, flight attendants and airport staff dismissed his slurred speech and heavy sweating. Misinformation not only delayed his treatment but it also nearly cost him his life. Now in a candid and moving memoir, America's beloved morning show weatherman recalls his harrowing journey of rehabilitation from a massive stroke. After the stroke traces his recovery in the aftermath of temporarily losing some of his greatest gifts: his talent as a public speaker and his warm, witty exuberance while his wife worked valiantly to care for their children as well as her seriously ill husband. Sharing an ultimately triumphant story, McEwen emerges as one of our most dynamic new crusaders for stroke victims and their families.
