Final Days Of Michael Hutchence Life And Death:

Suicide in the Entertainment Industry David K. Frasier, 2015-09-11 This work covers 840 intentional suicide cases initially reported in Daily Variety the entertainment industry's trade journal but also drawing attention from mainstream news media. These cases are taken from the ranks of vaudeville film theatre dance music literature writers with direct connections to film and other allied fields in the entertainment industry from 1905 through 2000. Accidentally self-inflicted deaths are omitted except for a few controversial cases. It includes the suicides of well-known personalities such as actress Peg Entwistle who is the only person to ever commit suicide by jumping from the top of the Hollywood Sign, Marilyn Monroe and Dorothy Dandridge who are believed to have overdosed on drugs and Richard Farnsworth and Brian Keith who shot themselves to end the misery of terminal cancer. Also mentioned but in less detail are the suicides of unknown and lesser-known members of the entertainment industry. Arranged alphabetically, each entry covers the person's personal and professional background, method of suicide, and in some instances includes actual statements taken from the suicide note. *Out Of This World*

Brendan Lloyd, 2015-12-21 Have you ever considered spirituality but decided you couldn't make sense of all the jargon? You're not alone. Why settle for New Age when you don't understand the Age Old? In this book, you'll discover real experiences and real insight, nothing fictional or second-hand, except maybe this book one day. If you don't think even slightly differently after reading this book, either you're not thinking enough or you didn't stop and think. Why are we here? To quote the original Matrix film: Free your mind, discover possibilities you thought were impossible when you already knew the Mission was Impossible. But this one doesn't come with popcorn. I'm not here to tell you to look within or that the Kingdom of God is within. I'm here to tell you look for God because the delusion is to believe in nothing at all. **Chasing the Dragon** Jeff

Apter, 2023-02-01 He had it all: the heroin chic thing before it was chic, the scars, the swagger, an incredible stage presence. After bursting on to the Australian music scene in 1975, Dragon fast developed a reputation for both hard rocking and hard living. As the highly visible and charismatic lead singer, Marc Hunter was the voice behind such timeless hits as 'April Sun in Cuba', 'Are You Old Enough?' and 'Rain'. Yet Hunter was also a maverick whose destructive genius and serious heroin addiction led to a turbulent relationship with his bandmates, including older brother Todd. And it contributed to his early death at just 44. Originally published in 2011, this intimate portrait was written with full co-operation from Marc's mother, Voi, and his brother and former bandmate Todd, as well as contributions from many high-profile Australian music personalities such as James Reyne, John Paul Young, Kate Fitzpatrick, Richard Clapton, Don Walker, Kevin Borich, Tommy Emmanuel and Robert Forster. *A Tale of Two Brothers* Jacqueline Murray, 2008-03-01 Rock legends Jim Morrison of The Doors and Michael Hutchence of INXS have given a psychic medium riveting accounts of their controversial deaths and the many myths that surrounded their lives, as only they can tell them. Finally, a factual account of how Jim Morrison died in Paris, why he was later placed in a bathtub, and how he fought for hours to stay alive. The elaborate cover-up of his death is explored in depth, as well

as the true identity of his cosmic mate Jim Morrison discusses his conviction in Miami the police brutality he experienced behind closed doors in New Haven and Las Vegas and why he actually fled the United States for Paris in 1971 Learn what Jim Morrison s secret plans were in Paris in July of 1971 and why he never got to carry them out Jim Morrison breaks on through in this graphic account to bare his soul This book is filled with Jim s chilling poetry and lyrics Michael Hutchence reveals the facts surrounding what really happened in Room 524 at the Ritz Carlton in Double Bay Australia on November 22nd 1997 when a young maid found the dead body of the beloved charismatic superstar and the controversy began Michael details how he really died and why there was no note left behind He provides the answers to why he was hoodwinked by those closest to him that led to his missing millions Michael gives his jaw dropping thoughts on his so called brothers in INXS and the autobiography they wrote after his death He explains his disdain for the reality show Rock Star and his belief detailing why INXS should not have sought a replacement for him after his death His haunting poetry and lyrics are all throughout this amazing account
