After multiple discussions and prior warnings, including the most recent written warning dated August 28, 2050, it has come to our attention that the issues remain unresolved.

The primary reasons for this final warning are as follows:

1. **Improvement in Job Performance:** You are required to meet the specific performance targets outlined in your performance improvement plan.
2. **Attendance:** You must maintain punctuality and provide advanced notice for any absences.
3. **Professional Conduct:** You must follow all instructions provided by your supervisor and engage with your team in a professional manner.

Failure to comply with these expectations will result in further disciplinary actions, up to and including termination of employment.

You are required to attend a final meeting with your supervisor and HR representative on **September 22, 2050**, to discuss your progress and any necessary support for improvement.

We hope that you take this final opportunity to demonstrate a commitment to your role and the
