

Financial Aid Handbook

SAN MATEO COUNTY COMMUNITY COLLEGE DISTRICT

Financial aid is money for college provided by U.S. and State taxpayers to ensure that all those who want a college education have access to the financial aid ability to pay for their college education.

Financial aid is also a partnership between you as the student and the college. Our goal is to help provide the money to help pay your college costs. If you receive financial aid, you are expected to enroll in courses needed to complete your chosen program, work hard at learning and move responsibility toward successful completion of your educational goal.

We understand that the rules governing the financial aid programs can sometimes seem to be complicated; however, the staff at our SMCCCD Financial Aid Offices are available to answer your questions and provide special assistance if and when you need it.
