Business Essentials for Strategic Communicators M. Ragas, E. Culp, 2014-12-17 The rise of digital media and the public's demand for transparency has elevated the importance of communication for every business To have a voice or seat at the table and maximize their full value a strategic communicator must be able to speak the language and understand business goals issues and trends The challenge is that many communicators don't hold an MBA and didn't study business in college **Business Essentials for Strategic Communicators** provides communication professionals and students with the essential Business 101 knowledge

they need to navigate the business world with the best of them Readers will learn the essentials of financial statements and terminology the stock market public companies and more all with an eye on how this knowledge helps them do their jobs better as communication professionals *Business Acumen for Strategic Communicators* Matthew W. Ragas,Ron Culp,2021-03-01 Business acumen has emerged as a critical competency for communicators But if you re a public relations advertising or communication professional that didn t go to business school how can you make sure you have the abilities and skills to evolve along with your role Business Acumen for Strategic Communicators is the book for you **Reading**

Between the Lines of Corporate Financial Reports Jacek Welc,2020-11-28 This book provides a digestible step by step guide to reading corporate financial reports drawing upon real life case studies and examples of corporate collapses and accounting scandals and applying practical tools to financial statement analysis Appealing to a range of practitioners within corporate finance including investors managers and business analysts this book is the first to specifically address the challenges facing those who are not professional accountants and auditors when examining corporate financial reports Corporate financial reports are used widely by managers investors creditors and government agencies to examine company performance and evaluate potential risks However although seemingly an invaluable source of information for managerial decision making financial reports are often based on rough simplifications of a very complex reality With no way of avoiding deliberate manipulations and fraudulent activity these statements cannot be relied on completely when selecting stocks or evaluating credit risk and therefore poor analysis can lead to potentially disastrous investment decisions The author suggests that in order to effectively interpret corporate financial reports we must read between the lines to accurately assess a company s economic performance and predict its long term viability **Scammed** Christopher Elliott,2011-12-27 A leading consumer advocate reveals how to protect your money time and integrity from corrupt businesses Once upon a time store prices were simple and fair businesses stood behind their products with guarantees free of fine print and loopholes and companies genuinely seemed to care about their valued customers but those days are long gone In this groundbreaking expos consumer advocate Christopher Elliot reveals the broken relationship between American consumers and businesses and explains how companies came to believe that fooling their customers was a viable and profitable business plan Scammed explores how companies control information to mislead distort the truth and even outright lie to their consumers Exposes the various ways companies have led their war against information from seductive ads disingenuous fine print and unconventional promotions that involve seeding discussion forums and blogs with company friendly comments Offers consumers insider knowledge of the system reasonable expectations and a clear understanding of the games businesses play Christopher Elliott is one of the nation s foremost consumer advocates Protect yourself your time and your money from the predators of the consumer world Armed with knowledge readers will become far more discerning and every business s worst nightmare **1988 Valuation of Coca-Cola** Bud Labitan,2013-04-08 For years we have wondered how Warren Buffett

valued Coca Cola KO stock at such a deep bargain in 1988 This book describes a simple two stage discounted cash flow model that delivers a close approximation This exercise is our quantitative estimation of Coca Cola s Intrinsic Value Per Share in 1988 First we describe our 2 stage discounted cash flow valuation model Our estimating model is strict It assumes a business will only live for 20 years Within the model we apply compounding growth to the first 10 years Then we assume a lower growth rate for years 11 till the end of year 20 Since intrinsic value is a highly subjective figure readers can adjust their model to the quality of the business they wish to value This book also describes the Warren Buffett secret of Yield On Cost when investing in a high quality business bargain Mastering Business for Strategic Communicators Matthew W. Ragas,Ron Culp,2017-11-14 Mastering Business for Strategic Communicators provides strategic communication students and professionals with expert insights on the various major business functions and areas from an assemblage of top strategic communication leaders **The Event-Driven Edge in Investing** Asif Suria,2024-05-21 Every investor wants a dependable advantage that enables them to beat the market Every investor wants an edge One such edge long thought to be accessible only to institutional investors can be found in event driven investing strategies These strategies allow you to recognize and take advantage of the effect of corporate events on the price of stocks events including mergers and acquisitions stock buybacks and spin offs Now in The Event Driven Edge in Investing accomplished multi strategy investor Asif Suria provides a simple in depth introduction to these highly profitable strategies making them available to all investors The Event Driven Edge in Investing teaches you how to Utilise merger arbitrage as a counter cyclical investment option that can gain better risk adjusted returns than bonds Follow what company insiders are doing to generate new investment ideas Track stock buybacks to better understand whether a company s board of directors and management are aligned about the company s value Use spin offs to unlock value in either the spin off or the newly unburdened parent company With Asif s guidance you too can identify and profit from the event driven edge in investing *The Four Filters Invention of Warren Buffett and Charlie Munger* Bud Labitan,Cesar M. Labitan,2008 How do we improve and optimize our investing decision making Labitan examines what he calls the Behavioral Finance Formula of Buffett and Munger used to eliminate many inferior investing prospects and find high quality winning investments Active Value Investing Vitaliy N.
