Family Matters Hilde Løvdaal Stephens, 2019-10-15 The first full length study of a pivotal figure in American evangelical faith James Dobson child psychologist author radio personality and founder of the Christian conservative organization Focus on the Family published his first book Dare to Discipline in 1970 and quickly became the go to family expert for evangelical parents across the United States as American evangelicalism rose as a major political force The family expert became a leading voice in the Reagan Revolution and played a role in making American evangelicals even more firmly associated with the Republican Party Dobson's principle beliefs are that the family is the center of Christian America and that the traditional family must be defended from perceived threats such as gay rights feminism abortion and the secularization of public schools Dobson and Focus on the Family dominated Christian media through print radio and online venues and their message reached millions of American evangelical households shaping the cultural sensibilities and political attitudes of evangelical families throughout

the culture wars from the 1980s into the 2000s **Family Matters** James Dobson and **Focus on the Family's Crusade for the Christian Home** by Hilde L. V. Stephens is an insightful history and analysis of James Dobson's rise to fame effect on American evangelical culture and subsequent descent from relevance Extensively researched L. V. Stephens scoured through Dobson's books articles and other materials published by Focus on the Family in order to explore how evangelicals defined and defended the traditional family as an ideal and as a symbol in an ever changing world By contextualizing the history of Dobson's reign L. V. Stephens's discerning analysis fills an important gap in our understandings of the politics and culture of late twentieth century conservative Christianity in the United States She explores complex topics ranging from Dobson's celebration of what he believes are timeless biblical values such as maintaining strict and defined gender roles to the ways Dobson and Focus on the Family balanced their basic ideals with real everyday lives of average American evangelical families facing the realities of divorce working mothers and other perceived threats to the traditional family

The Complete Guide To Starting A Home Based Business Anwar - Sadat: Akkad El,2014-11-17 During 2008 America was going through financial hardships The way of life in America was changing Things that were once taken for granted now became a reality People were losing their jobs their retirement nest egg dwindled down to nothing 401Ks were being completely obliterated and any hopes and dreams for their children to have prolific lives was being swept away like the tide going out to sea America was hurting what would we do What could we do Well you could do like I did and become an entrepreneur Start your own home based business The opportunities are far and wide and in every niche Find something that you always wanted to do and go for it Grab the bull by the horns take charge of your life and be in control of your destiny With your own home based business you never have to worry about downsizing and being replaced fired **Popular Science** ,1966-02 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better **Ebony** ,2000-08 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H. Johnson it still maintains the highest global circulation of any African American focused magazine
