**Wolfgang Glatzer**

## **Halving It All How Couples Share Parent:**

**Halving It All** Francine Deutsch, 2000-04-07 The best way to have it all both a full family life and a career is to halve it all That s the message of Francine Deutsch s refreshing and humane book based on extensive interviews with a wide range of couples Deutsch casts a skeptical eye on the grim story of inequality that has been told since women found themselves working a second shift at home She brings good news equality based on shared parenting is possible and it is emerging all around us Some white collar fathers achieve as well as talk about equality and some blue collar parents work alternate shifts to ensure that one parent can always be with the children Using vivid quotations from her interviews Deutsch tells the story of couples who share parenting equally and some who don t The differences between the groups are not in politics education or class but in the way they negotiate the large and small issues from whose paid job is important to who applies the sunscreen With the majority of mothers in the workforce parents today have to find ways of sharing the work at home Rigid ideas of good mothers and good fathers Deutsch argues can be transformed into a more flexible reality the good parent Halving It All takes the discussion beyond shrill ideological arguments about working mothers and absent fathers Deutsch shows how with the best of intentions people perpetuate inequalities and injustices on the home front but also and more important how they can devise more equal arrangements out of explicit principles or simply out of fairness and love

**Balancing Family and Work** Toni Schindler Zimmerman, 2001 Offers therapists ideas for helping clients and themselves balance family life and work Explores both theoretical and immediately applicable ideas for helping clients achieve and improved balance between work life and family life Examines a national study of dual earner couples caring for children and aging parents and the behavioral accommodations they make at home assesses the impact of relocation on family work life brings diversity issues to the forefront assesses the impact of dominant metaphors about personhood and family Families Alex Liazos, 2015-12-03 Unlike other family textbooks that mostly emphasize conflicts and problems this book also features the joys and pleasures of family living and its mutually nourishing qualities Its perspective reflects polls surveys and student essays indicating that most people value their families Families everywhere provide love support and sustenance to their members but they do so in many different arrangements Understanding the wide variety of families historically and across cultures gives the student a better basis for understanding how families change and a better grasp of more controversial changes such as the gradual acceptance by Westerners of same sex marriage and child rearing by single people Liazos offers two poignant chapters not found in other texts Family Living Chapter Six focuses on the social value of caregiving and family meals Kin and Community Chapter Seven focuses on relationships among kin and the larger community *Modern Motherhood and Women's Dual Identities* Petra Bueskens, 2018-05-31 Why do women in contemporary western societies experience contradiction between their autonomous and maternal selves What are the origins of this contradiction and the associated double shift that result in widespread calls to either lean in or opt out How

are some mothers subverting these contradictions and finding meaningful ways of reconciling their autonomous and maternal selves In *Modern Motherhood and Women's Dual Identities* Petra Bueskens argues that western modernisation consigned women to the home and released them from it in historically unprecedented yet interconnected ways Her ground breaking formulation is that western women are free as individuals and constrained as mothers with the twist that it is the former that produces the latter Bueskens theoretical contribution consists of the identification and analysis of modern women's duality drawing on political philosophy feminist theory and sociology tracking the changing nature of discourses of women freedom and motherhood across three centuries While the current literature points to the pervasiveness of contradiction and double shifts for mothers very little attention has been paid to how some women are subverting contradiction and rewriting the sexual contract Bridging this gap Bueskens interviews ten revolving mothers to reveal how periodic absence exceeding the standard work day disrupts the default position assigned to mothers in the home and in turn disrupts the gendered dynamics of household work A provocative and original work *Modern Motherhood and Women's Dual Identities* will appeal to graduate students and researchers interested in fields such as Women and Gender Studies Sociology of Motherhood and Social and Political Theory     *Diversity in Families* Maxine Baca Zinn, D. Stanley Eitzen, 2002 This text treats family diversity as the norm while showing how race class gender and sexuality produce a variety of familial relationships The text examines families as products of social forces within society and exposes myths stereotypes and dogmas related to families This sixth edition is organized around the framework of structural diversity stressing that family forms are socially constructed and historically changing and that family diversity is constructed through social structure and human agency Zinn teaches at Michigan State University Eitzen teaches at Colorado State University Annotation copyrighted by Book News Inc Portland OR     *Equally Shared Parenting* Marc Vachon, Amy Vachon, 2010-01-05 This Is Parenting on Your Own Terms Chances are you'd rather not forfeit your happy rested life the moment you become a parent As a mom you may want to keep your career but aren't sure how to balance it with housework and childcare As a dad you probably want to witness your child's milestones but a demanding job may get in the way And what about time for yourself never mind your sex life Marc and Amy Vachon were determined to beat this scenario when their first child was born They vowed to sidestep the world's expectations of new parents and create a parenthood model that worked for them Their strategy was to share everything the good and the bad They became peers in each area of parenthood childcare housework and breadwinning They also made time for themselves and for each other They shared the burdens so nobody was overwhelmed and the joys so neither missed out on the fun Drawing on Marc and Amy's experiences as well as those of dozens of ESP couples *Equally Shared Parenting* shows you how to create a balanced life that is rarely experienced by today's parents It's not just about who vacuums and who does the dishes or who brings in the paycheck and who tends to the kids You'll learn how to look at every aspect of parenthood money careers and your individual needs so you can build a life that works for you both

**Families at Work** Naomi Gerstel, Dan Clawson, Robert Zussman, 2002 What is the relationship between work and family in a world where employment creates endless tensions for families and families create endless tensions for the workplace This collection of reprinted and original articles broadens this discussion by addressing issues from the perspectives of often neglected populations from white middle class women with young children to people of color to poor families to the new sorts of families gays and lesbians are struggling to construct to fathers to older children To discuss work and family is also to discuss gender Ranging from California's Silicon Valley to a remote fishing village in the northeast part one shows how new work arrangements have created new expectations for what it means to be a woman or a man and how slow and uneven the pace of change can be Nowhere are the tensions of work and family more potent than around childcare Part two takes up these tensions showing how various solutions to caring for children of all ages whether infants or teenagers create new problems Parts three and four turn outward to show how the new relationships between families and work are changing the relationships between families and the communities in which they live and generating new social policy dilemmas **New Parents in Europe** Daniela Grunow, Marie Evertsson, 2019 This innovative book explores the different ways in which dual earner couples in contemporary welfare states plan for realize and justify their divisions of work and care during the transition to parenthood Providing a unique comparative longitudinal and qualitative analysis of new parents in eight European countries this timely book explicitly locates couples beliefs and negotiations in the wider context of national institutional structures The Kaleidoscope of Gender Catherine G. Valentine, Mary Nell Trautner, Joan Z. Spade, 2019-03-07 The Kaleidoscope of Gender Prisms Patterns and Possibilities provides an accessible timely and stimulating overview of the cutting edge literature and theoretical frameworks in sociology and related fields in order to understand the social construction of gender The kaleidoscope metaphor and its three themes prisms patterns and possibilities unify topic areas throughout the book By focusing on the prisms through which gender is shaped the patterns which gender takes and the possibilities for social change the reader gains a deeper understanding of ourselves and our relationships with others both locally and globally Editors Catherine Valentine Mary Nell Trautner and the work of Joan Spade focus on the paradigms and approaches to gender studies that are constantly changing and evolving The Sixth Edition includes incorporation of increased emphasis on global perspectives updated contemporary social movements such as BlackLivesMatter and MeToo and an updated focus on gendered violence **Clinical Handbook of Couple Therapy, Fourth Edition** Alan S. Gurman, 2008-06-24 This authoritative handbook provides a definitive overview of the theory and practice of couple therapy Noted contributors many of whom developed the approaches they describe combine clear conceptual exposition with thorough descriptions of therapeutic techniques In addition to presenting major couple therapy models in step by step detail the book describes effective applications for particular populations and problems Chapters adhere closely to a uniform structure to facilitate study and comparison enhancing the book's utility as a reference and text See also Clinical Casebook of

Couple Therapy also edited by Alan S Gurman which presents in depth illustrations of treatment Feminist Bookstore News ,1999 **The Divorced Child** Joseph Nowinski,2010-01-05 Half of all marriages end in divorce and divorcing parents seek out prescriptive helpful advice on how to cushion the impact on their children and guide them through the change in family structure *Research Handbook on the Sociology of the Family* Norbert F. Schneider,Michaela Kreyenfeld,2021-06-25 Exploring how family life has radically changed in recent decades this comprehensive Research Handbook tracks the latest developments and trends in scholarly work on the family With a particular focus on the European context it addresses current debates and offers insights into key topics including the division of housework family forms and living arrangements intergenerational relationships partner choice divorce and fertility behaviour **When Couples Become Parents** Bonnie Fox,2009-12-11 When couples make the journey through their first year of parenthood they confront the challenges of their new responsibilities with varying degrees of support and a range of personal resources When Couples Become Parents examines the ways in which divisions based on gender both evolve and are challenged by heterosexual couples from late pregnancy through early parenthood Following the experiences of forty heterosexual couples in various socio economic positions Bonnie Fox traces the intricate interplay of social and material resources in the negotiations that occur between partners the resulting divisions of paid and unpaid work in their families and the dynamics in their relationships Exploring the diverse reactions of these women and men When Couples Become Parents provides significant insights into the early stages of parenthood the limitations of nuclear families and the gender inequalities that often develop with parenthood *Dimensions of Globalization* Louis Ferleger,Jay R. Mandle,2000-07 Since 1889 The American Academy of Political and Social Science has served as a forum for the free exchange of ideas among the well informed and intellectually curious In this era of specialization few scholarly periodicals cover the scope of societies and politics like The ANNALS Each volume is guest edited by outstanding scholars and experts in the topics studied and presents more than 200 pages of timely in depth research on a significant topic of concern <http://ann.sagepub.com> **Development Monks in Northeast Thailand** Phinit Lāpthanānon,2012 Co published with Trans Pacific Press Australia **The Wiley Blackwell Encyclopedia of Family Studies, 4 Volume Set** Constance L. Shehan,2016-02-29 The Wiley Blackwell Encyclopedia of Family Studies presents a comprehensive interdisciplinary collection of the key concepts trends and processes relating to the study of families and family patterns throughout the world Offers more than 550 entries arranged A Z Includes contributions from hundreds of family scholars in various academic disciplines from around the world Covers issues ranging from changing birth rates fertility and an aging world population to human trafficking homelessness famine and genocide Features entries that approach families households and kin networks from a macro level and micro level perspective Covers basic demographic concepts and long term trends across various nations the impact of globalization on families global family problems and many more Features in depth examinations of families in numerous nations in several

world regions 4 Volumes [www.familystudiesencyclopedia.com](http://www.familystudiesencyclopedia.com)      *Against the Grain* Gillian Ranson, 2010-02-01 Drawing on findings from interviews done with 32 families living in cities across Canada Ranson challenges dominant understandings of mothering and fathering by looking closely at how couples who have opted for less traditional divisions of labour negotiate their parental and household responsibilities Included are interviews with breadwinner mothers and caregiver fathers and with dual earner couples both heterosexual and same sex who struggle to share equally in the nurture and support of their families A central claim of the book is that to the extent that both parents are equally involved in hands on caregiving they tend to become over time functionally interchangeable and move away from mothering and fathering and toward parenting *Against the Grain* offers us an excellent opportunity to examine how social change happens at the forefront of family life

**Rich and Poor** Wolfgang Glatzer, 2012-12-06 This book is concerned with the question of inequality which points to a major structural problem in intra national and inter national respect It covers the tension between the rich and poor in less developed countries as well as within richer countries in the process of globalisation The main topics are the scope of disparities between the rich and poor people s perception of wealth and poverty and the concomitants of inequality which shape this relationship and influence its socio economic consequences In the tradition of social reporting the book brings together authors from 15 countries documenting a broad range of the international inequality debate The results are related to the trends of socio economic development to statistical problems of measuring inequality and to socio political problems of integrating society in the facing the challenge of dividing forces The book is of interest for everybody who wants to understand the tensions of modern world      Father Involvement and Gender Equality in the United States Richard Petts, 2022-08-31 This book focuses on issues of family work and gender with a focus on gender inequality Women are disadvantaged in both paid and domestic work due in large part to being primarily responsible for duties within the domestic sphere The COVID 19 pandemic has exacerbated these inequalities making the issue of reducing gender inequality even more pressing Fathers play an important role in contributing to and perhaps reducing gender inequality but barriers to their involvement in family life have received less attention than detailing challenges that mothers face If men were equally involved in all aspects of domestic life i e were fully engaged dads women s burdens would be reduced and perceptions of who is responsible for parenting may change resulting in greater gender equality *Father Involvement and Gender Equality in the United States* focuses on the key issue of father involvement seeking to understand why fathers are less involved at home than mothers despite an increased desire for fathers to be more engaged parents This book utilizes recent national survey data interviews with fathers and insights from the author s personal experience as a father to identify current norms of fatherhood within the United States barriers to father involvement and strategies to overcome these barriers Overall this book argues that by establishing the expectation that fathers will be fully engaged dads as a cultural norm and by providing structural opportunities for fathers to meet this cultural standard greater gender equality can be achieved within the United

States The arguments presented in this book are valuable for scholars in the areas of family work and gender policymakers and business leaders who seek to promote gender equality and work family balance and parents who are interested in achieving a more egalitarian division of labor within their own families

This is likewise one of the factors by obtaining the soft documents of this **Halving It All How Couples Share Parent** by online. You might not require more period to spend to go to the ebook start as skillfully as search for them. In some cases, you likewise pull off not discover the notice Halving It All How Couples Share Parent that you are looking for. It will enormously squander the time.

However below, behind you visit this web page, it will be thus totally easy to get as capably as download guide Halving It All How Couples Share Parent

It will not agree to many epoch as we explain before. You can accomplish it while do something something else at house and even in your workplace. so easy! So, are you question? Just exercise just what we pay for below as with ease as evaluation **Halving It All How Couples Share Parent** what you subsequently to read!
