Hamburger Valley California:

Hamburger Valley, California David McGimpsey, 2001-04 Canadian poetry well done with everything to go Hamburger Valley California is David McGimpsey's funniest and most compelling collection to date With his unapologetic love of popular culture he presents an elaborate lyric postcard which explores from a most unprivileged seat on the cheapest bus love and somebody else's fame McGimpsey challenges the bonds of place in a global American economy with personal warmth and characteristic wisecracking daring to dream of escape not only to an impossibly meaty Southern California but to the The Texas Hamburger Rick Vanderpool, 2007-02-14 The Ambassador of Texas sinks his teeth into the American culinary classic on a road trip with pit stops at the best burger joints in the state Texans are passionate about this signature sandwich and photographer/writer Rick Vanderpool has become in his own right the Ambassador of Texas In 2006 Rick undertook a quest to find and photograph the best Texas burgers traveling over eleven thousand miles and visiting over seven hundred Texas burger joints Since that time he has continued his travels sampling the finest burgers the Lone Star State has to offer He has also picked up some fellow enthusiasts willing to share their own tasty tales along the way From Fletcher Davis's 1885 Athens creation recipe included and the Cheeseburger Capital of Texas in Friona to Whataburger 2 in Corpus Christi and Herd's in Jacksboro join Rick and his Hamburger Helpers on their journey celebrating the history of the original Texas hamburger Looking for a place to eat a great hamburger Rick Vanderpool may have just the place for you hundreds in fact The Lubbock resident crisscrossed the state taking hundreds of photographs and visiting more than 700 burger joints for a book on the subject Hockley County News Press **Sanctioned Ignorance** Paul Martin, 2013-11-15 There is no such thing as the ivory tower Rather there sit side by side numerous windowless towers of knowledge each seeming to have only a small entrance and no discernable exit Paul Martin Multilingual multicultural and vast Canada enjoys a rich diversity of literatures So why does Canadian Literature as it has been taught fail to encompass a common geography history and government yet reveal the diverse experiences of its immigrants long term residents and original peoples Martin's research interviews with 95 professors in 27 universities maps the institutional chasms in communication and the nature of their persistence His own example of venturing out from his tower to dialogue with colleagues shows a way toward cultivating a conception of the literatures of Canada that is expansive and inclusive Canadianists professors of English French Postcolonial and Comparative Literatures and leaders in education will profit from Martin's frank investigations **Language Acts** Jason Camlot, Todd Swift, 2007 Language Acts brings together twenty provocative essays on the state of English language poetry in Quebec since 1976 Born and raised during this historically resonant period of Trudeauism organized Quebecois nationalism language legislation and profound demographic and cultural change Anglo Quebec poetry has come of age in the 21st century as a literature with its own distinct arguments about itself and its own poetical acts in language Language Acts features essays on many important even canonical figures such as Robert Allen Anne Carson Leonard Cohen Louis Dudek D G Jones Irving

Layton Michael Harris Erin Mour David McGimpsey Robyn Sarah and Peter Van Toorn and on a wide range of poetry activities including those of the V hicle Poets and the Montreal Spoken Word scene This is the first critical collection of its kind to appear in over forty years and will set the terms used to discuss English language poetry in Qu bec for years to come
