Sensational Modernism Joseph B. Entin, 2012-09-01 Challenging the conventional wisdom that the 1930s were dominated by literary and photographic realism *Sensational Modernism* uncovers a rich vein of experimental work by politically progressive artists Examining images by photographers such as Weegee and Aaron Siskind and fiction by writers such as William Carlos Williams Richard Wright Tillie Olsen and Pietro di Donato Joseph Entin argues that these artists drew attention to the country s most vulnerable residents by using what he calls an aesthetic of astonishment focused on startling graphic images of pain injury and prejudice Traditional portrayals of the poor depicted stoic passive figures of sentimental suffering or degraded but potentially threatening figures in need of supervision Sensational modernists sought to shock middle class audiences into new ways of seeing the nation s impoverished and outcast populations The striking images these artists created often taking the form of contorted or disfigured bodies drawn from the realm of the tabloids pulp magazines

and cinema represented a bold experimental form of social aesthetics Entin argues that these artists created a willfully unorthodox brand of vernacular modernism in which formal avant garde innovations were used to delineate the conditions contradictions and pressures of life on the nation s fringes The Ice Cream Queen of Orchard Street Susan Jane Gilman,2014-06-10 A clever and complex woman builds an ice cream empire after immigrating from Russia in this stunning novel of power Prohibition and performance set against the backdrop of early 20th century America In 1913 little Malka Treynovsky flees Russia with her family Bedazzled by tales of gold and movie stardom she tricks them into buying tickets for America Yet no sooner do they land on the squalid Lower East Side of Manhattan than Malka is crippled and abandoned in the street Taken in by a tough loving Italian ices peddler she manages to survive through cunning and inventiveness As she learns the secrets of his trade she begins to shape her own destiny She falls in love with a gorgeous illiterate radical named Albert and they set off across America in an ice cream truck Slowly she transforms herself into Lillian Dunkle The Ice Cream Queen doyenne of an empire of ice cream franchises and a celebrated television personality Lillian s rise to fame and fortune spans seventy years and is inextricably linked to the course of American history itself from Prohibition to the disco days of Studio 54 Yet Lillian Dunkle is nothing like the whimsical motherly persona she crafts for herself in the media Conniving profane and irreverent she is a supremely complex woman who prefers a good stiff drink to an ice cream cone And when her past begins to catch up with her everything she has spent her life building is at stake Urban Legends: The Collection Cindy Parmiter,2023-08-12 This book contains the combined volumes of my previous offerings on the subject Could it be True Urban Legends and Spooky Urban Legends the Stories Behind Them To spice things up a bit three eerie new tales have been added to the mix Included in these pages are accounts of killer clowns a demonic presence that terrorized Great Britain in the 19th century monstrous reptiles rumored to inhabit the New York City sewer system brain eating insects a real life boogeyman a babysitter s night of terror vanishing hitchhikers a cursed automobile that may have altered world history sinister entities that stalk the night a possessed doll alien invaders haunted cemeteries predators who hunted humans organ trafficking leech women mythical creatures come to life and much much more Now that you have a taste of what s in store look no more the time has come to turn out the lights and delve into the terrifying world of urban legends where nothing is ever as it seems The Dark Underbelly of Hymns Martin Mundt,2013 HYMN a song in praise to God or gods UNDERBELLY the underside of an animal an inferior or concealed part of something Staple these two ideas together in dark unnatural congress and you get something like a mime with Tourette s Syndrome shouting random obscenities at a little girl on the street You get men and a heavily tattooed bodily modified woman named Godiva rowrrr who just aren t right in the head but who are allowed to roam the streets with razors and drivers licenses and ferrets like they re normal church going people singing normal church going songs right up until that moment when you realize they re really singing demented clown chants No these stories are not hymns but The Dark Underbelly of Hymns Enjoy Martin Mundt s second collection of
