

SOUTH CAROLINA

HAMPTON'S LEGION

DAWMONT REPUBLIC

Hampton Legion

**Confederate States of America. Army.
Hampton Legion. Company F.**

Hampton Legion:

The Hampton Legion: Regimental history Ron Field, William B. Bynum, Howard Michael Madaus, 1994 **Hampton Legion Infantry C.S.A.** O. Lee Sturkey, 2008-01-01 Includes a brief history of the unit and a roster *Co. E, Hampton Legion, Muster Book* Confederate States of America. Army. Hampton Legion. Company E., James R. Huff, 1861 Also includes Huff's personal journal entries 14 Nov 1863 19 Jan 1864 during company's excursions in eastern Tennessee with commentary on camp life and military actions Historical Sketch and Roster of the South Carolina Hampton John C. Rigdon, 2018-11 In April 1861 Confederate President Jefferson Davis wanted to raise a legion of honor Wade Hampton was authorized to create a legion which would include six companies of infantry four companies of cavalry and a company of artillery By May 1861 Hampton had completed the organizing of the legion and it became known as Hampton Legion South Carolina After the initial enlistment of one year Hampton Legion separated into different units The infantry battalion kept the name Infantry Battalion Hampton Legion South Carolina Volunteers It received more companies and by November 1862 it became the Infantry Regiment Hampton Legion This unit was active at First Manassas and later was assigned to W Hampton's Hood's and Jenkins Brigade Army of Northern Virginia It was involved in various conflicts from Seven Pines to Sharpsburg moved to North Carolina then served with Longstreet at Chickamauga and Knoxville In May 1864 the unit was reorganized mounted and called the Hampton Legion Cavalry and Mounted Infantry The Hampton Legion Mounted Infantry was paroled at Appomattox Courthouse in Virginia on April 9 1865 Confederate South Carolina **Wade Hampton III** Robert K. Ackerman, 2022-12-12 A fresh perspective of the iconic Southern planter turned soldier turned statesman Providing the most balanced and comprehensive portrayal of Wade Hampton III to date Robert K Ackerman's biography explores the remarkable abilities and tragic failings of the planter statesman who would come to personify the Civil War and Reconstruction in South Carolina Ackerman traces Hampton's esteemed lineage and his preparation for life as a Southern aristocrat Though Hampton benefited from third generation wealth a classical education and an inherent sense of noblesse oblige as Ackerman notes prior to the war Hampton served almost without distinction in the South Carolina General Assembly with the exception of his opposition to reopening the slave trade Hampton did not favor secession but once South Carolina left the Union he committed himself fully to the Confederate effort and thus began his path to legend Ackerman follows Hampton from amateur soldier to decorated cavalry leader from multiple wounds at Gettysburg to the defense of the Confederate flank at Petersburg Hampton eventually succeeded J E B Stuart as commander of Lee's cavalry in the Army of Northern Virginia and distinguished himself as one of three non West Point graduates to attain the rank of lieutenant general in the Confederate army Emotionally and financially devastated by the Confederacy's defeat Hampton briefly pondered continuing the conflict as a guerrilla war before emerging as a leading advocate for policies of moderation His election to the governorship in 1876 brought an end to Federal Reconstruction in South Carolina Ackerman elaborates on Hampton's limited success in enacting

policies of moderation and his eventual defeat at the hands of virulent racists and anti autocratic populists Ackerman suggests that despite some success as governor and later as a U S senator Hampton was ultimately overwhelmed by forces of racism with tragic consequences for his state yet he remains for many a revered icon of the Old South *Muster Roll of Co. F Or Davis Guards, Hampton Legion, in Late War Between the U.S. and Southern Conf[ederacy]* Confederate States of America. Army. Hampton Legion. Company F.,1865 **The Hampton Legion: Company histories** Ron Field,William B. Bynum,Howard Michael Madaus,1994 **Stephen Elliott Welch of the Hampton Legion** John M. Priest,1994 Stephen Elliot Welch served first in the South Carolina militia and later in the Hampton Legion from the war s beginning to Lee s surrender *The Flags of Civil War South Carolina* Glenn Dedmond,2000-09-30 This detailed historical reference covers every known flag representing the Confederate State of Carolina and its role in the Civil War Many flags have represented the state of South Carolina over its long history After years of locating measuring and determining the historical significance of more than one hundred flags displayed during the War Between the States historian Glenn Dedmond presents the most detailed and comprehensive look at South Carolina s Civil War era flags Included in this volume are the Lone Star and Palmetto Flag the first Southern flag hoisted over Fort Sumter the Charleston Depot battle flag and the naval Jack flown only on a ship of war when in port Through these banners and the stories that surround them Dedmond relates the story of South Carolina s Civil War years **Report of State Officers, Board and Committees to the General Assembly of the State of South Carolina** South Carolina. General Assembly,1920 Reports of State Officers, Boards and Committees to the General Assembly South Carolina,1908 **Wade Hampton** Rod Andrew Jr.,2009-11-30 One of the South s most illustrious military leaders Wade Hampton III was for a time the commander of all Lee s cavalry and at the end of the war was the highest ranking Confederate cavalry officer Yet for all Hampton s military victories he also suffered devastating losses in his family and personal life Rod Andrew s critical biography sheds light on his central role during Reconstruction as a conservative white leader governor U S senator and Redeemer his heroic image in the minds of white southerners and his positions and apparent contradictions on race and the role of African Americans in the New South Andrew also shows that Hampton s tragic past explains how he emerged in his own day as a larger than life symbol of national reconciliation as well as southern defiance *Hidden History of Civil War South Carolina* D. Michael Thomas,2025-02-04 Untold Stories of the War Between the States All of South Carolina s history during the Civil War isn t well known Author D Michael Thomas has uncovered fifty accounts of lost history pertaining to the state and its men during the war These are stories of astounding chivalry and valor in the face of horrific tragedies along with unprecedented events A single South Carolinian captured nearly six hundred Union soldiers Lieutenant Alexander Chisolm had an extraordinary career See the connection between South Carolina College and its Confederate generals Learn little known tales about naval operations from the Union and the Confederacy and witness the recovery of the state s Gettysburg Dead Join the author as he recounts these hidden stories and

more **Reports and Resolutions of the General Assembly of the State of South Carolina** South Carolina, 1912 The early years include principally resolutions with few reports *The Chattanooga Campaign* Steven E. Woodworth, Charles D. Grear, 2012-08-29 When the Confederates emerged as victors in the Chickamauga Campaign the Union Army of the Cumberland lay under siege in Chattanooga with Braxton Bragg's Army of Tennessee on nearby high ground at Missionary Ridge and Lookout Mountain A win at Chattanooga was essential for the Confederates both to capitalize on the victory at Chickamauga and to keep control of the gateway to the lower South Should the Federal troops wrest control of that linchpin they would cement their control of eastern Tennessee and gain access to the Deep South In the fall 1863 Chattanooga Campaign the new head of the western Union armies Ulysses S Grant sought to break the Confederate siege His success created the opportunity for the Union to start a campaign to capture Atlanta the following spring Woodworth's introduction sets the stage for ten insightful essays that provide new analysis of this crucial campaign From the Battle of Wauhatchie to the Battle of Chattanooga the contributors well researched and vividly written assessments of both Union and Confederate actions offer a balanced discussion of the complex nature of the campaign and its aftermath Other essays give fascinating examinations of the reactions to the campaign in northern newspapers and by Confederate soldiers from west of the Mississippi River Complete with maps and photos *The Chattanooga Campaign* contains a wealth of detailed information about the military social and political aspects of the campaign and contributes significantly to our understanding of the Civil War's western theater Univeristy Press Books for Public and Secondary Schools 2013 edition *Butler and His Cavalry in the War of Secession, 1861-1865* Ulysses Robert Brooks, 1909 *Trevilian Station, June 11-12, 1864* Joseph W. McKinney, 2016-03-02 In June 1864 General Ulysses Grant ordered his cavalry commander Philip Sheridan to conduct a raid to destroy the Virginia Central Railroad between Charlottesville and Richmond Sheridan fell short of his objective when he was defeated by General Wade Hampton's cavalry in a two day battle at Trevilian Station The first day's fighting saw dismounted Yankees and Rebels engaged at close range in dense forest By day's end Hampton had withdrawn to the west Advancing the next morning Sheridan found Hampton dug in behind hastily built fortifications and launched seven dismounted assaults each repulsed with heavy casualties As darkness fell the Confederates counterattacked driving the Union forces from the field Sheridan began his withdrawal that night an ordeal for his men the Union wounded and Confederate prisoners brought off the field and the hundreds of starved and exhausted horses that marked his retreat killed to prevent their falling into Confederate hands **American Civil War** Spencer C. Tucker, 2013-09-30 This expansive multivolume reference work provides a broad multidisciplinary examination of the Civil War period ranging from pre Civil War developments and catalysts such as the Mexican American War to the rebuilding of the war torn nation during Reconstruction The Civil War was undoubtedly the most important and seminal event in 19th century American history Students who understand the Civil War have a better grasp of the central dilemmas in the American historical narrative

states rights versus federalism freedom versus slavery the role of the military establishment the extent of presidential powers and individual rights versus collective rights Many of these dilemmas continue to shape modern society and politics This comprehensive work facilitates both detailed reading and quick referencing for readers from the high school level to senior scholars in the field The exhaustive coverage of this encyclopedia includes all significant battles and skirmishes important figures both civilian and military weapons government relations with Native Americans and a plethora of social political cultural military and economic developments The entries also address the many events that led to the conflict the international diplomacy of the war the rise of the Republican Party and the growing crisis and stalemate in American politics slavery and its impact on the nation as a whole the secession crisis the emergence of the total war concept and the complex challenges of the aftermath of the conflict

General Stephen D. Lee Herman Hattaway, 1988-10 A biographical portrait of an exceptional Confederate military figure

A Gentleman and an Officer Judith N. McArthur, Orville Vernon Burton, 1996-12-19 In 1861 James B Griffin left Edgefield South Carolina and rode off to Virginia to take up duty with the Confederate Army in a style that befitted a Southern gentleman on a fine blooded horse with two slaves to wait on him two trunks and his favorite hunting dog He was thirty five years old a wealthy planter and the owner of sixty one slaves when he joined Wade Hampton's elite Legion as a major of cavalry He left behind seven children the eldest only twelve and a wife who was eight and a half months pregnant As a field officer in a prestigious unit the opportunities for fame and glory seemed limitless Griffin however performed no daring acts nor did he inspire great loyalty in his men Instead he unknowingly provided a unique and invaluable portrait of the Confederate officers who formed the core of Southern political military and business leadership In *A Gentleman and an Officer* Judith N McArthur and Orville Vernon Burton have collected eighty of Griffin's letters written at the Virginia front and during later postings on the South Carolina coast to his wife Leila Burt Griffin Extraordinary in their breadth and volume the letters encompass Griffin's entire Civil War service detailing living conditions and military maneuvers the jockeying for position among officers and the different ways officers and enlisted men interacted during the Civil War Unlike the reminiscences and biographies of high ranking well known Confederate officers or studies and edited collections of letters of members of the rank and file this collection sheds light on the life of a middle officer a life turned upside down by extreme military hardship and complicated further by the continuing need for reassurance about personal valor and status common to men of the southern gentry In these letters Griffin describes secret troop movements in various military actions such as the Hampton Legion's role in the Peninsula Campaign details that would certainly have been censored in more recent wars Here he relates the march from Manassas to Fredricksburg the siege of Yorktown and the retreat to Richmond and the fighting at Eltham's landing and Seven Pines where Griffin commanded the legion after Hampton was wounded Throughout as Griffin recounts these most extraordinary of times he illuminates the most ordinary of day to day issues One might expect to find a Confederate officer meditating on slavery emancipation or Lincoln

Instead we are confronted by simple humanity and simple concerns from the weather to gossip Monumental historical events intruded on Griffin s life and sent him off to war but his heartfelt considerations were about his family his community and his own personal pride Ultimately Griffin s letters present the Civil War as the refinery the ordeal by fire that tested and verified or modified Southern upperclass values With a fascinating combination of military and social history A Gentleman and an Officer moves from the beginning of the Civil War at Fort Sumter through the end of the war and Reconstruction vividly illustrating how the issues of the Civil War were at once devastatingly national and revealingly local

Reviewing **Hampton Legion**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is actually astonishing. Within the pages of "**Hampton Legion**," an enthralling opus penned by a highly acclaimed wordsmith, readers attempt an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives.
