Small Moving Parts D.B. Jackson,2018-05-15 Foreword Reviews Starred Review The world is a complicated place with lots of small moving parts When someone moves one part just a little it causes all the other parts to move in ways we can t see coming Two men One young one old Complete strangers who have made the same ultimate decision that their lives are not worth living and it is time to take fate into their

own hands When their stories intersect on a single fateful night in West Texas the ensuing friendship takes them down a perilous road neither imagined possible As they contend with the police horse thieves and murderers the two men forge an unbreakable bond and together they discover that they each might have something to live for after all Full of cowboy common sense that spans generations SMALL MOVING PARTS explores the simplicities and complexities of love in its many forms and how a rare and remarkable friendship can change everything Nothing much grew in Bufort Texas but a few things did Genie and the Shadow Kings Gina Manis,2021-05-01 Nothing ever happens in a genie lamp I get my kicks watching the parallel worlds that I am thrown in and out of as I serve my masters All their wishes are the same Wealth Power Fame I give it to them and move on because my freedom is never their wish These newest three masters are different and it isn't because they are half Vampire They did not mean to rub my bottle and have no desire to collect their wishes Instead they want to give them to someone else Who does that They drag me through their world and for the first time I am in one place long enough to feel human A desire for a true life awakens in me and I can taste my freedom in their touch What would it be like to be claimed by three I will use every trick I know to find out *Rereading Genesis 1-11 with a Look into Revelation 18:1--22:7* James Strickler,2023-02-14 Having studied the tail end of the Bible for decades Strickler now probes the front end to unearth a fresh contribution to a theology of God's covenantal relationship to all creation Recognizing that the younger Yahwist tradition reflects nationalistic interests the book revolves around the paradigmatic influence of the elder Elohim tradition which aligns better with the New Testament fulfillment of God's creative redemptive purposes first mapped out in the early Genesis narratives Ted Lewis executive director The International Jacques Ellul Society The aspiration to read the Bible beyond the confines of Christendom's categories has been shared by many rarely practiced consistently and often resulted in grievous disappointment Readers will be encouraged by Strickler's persistent effort to follow the story of Elohim from the first things of the Torah onward reminding us that the elusive figure who covenanted with Noah is also the one who covenanted anew with the followers of Jesus and promises to send renewing waters flowing at the end through the new Jerusalem Michael Cartwright University of Indianapolis In looking at what might be the bookends of the Christian Scriptures Strickler follows an Anabaptist ethos of trying to wrest the Scriptures from the holds of Christendom with its priorities on power and self protection By contrast Elohim is a God who creates recreates cocreates and partners How the opening chapter of a story is understood determines how the rest of the story is read and for those who claim the name Christian how the story of the Bible is understood determines how life is lived Tato Sumantri digital content administration Wipf and Stock Publishers *The German Classics* Kuno Francke,1914 **Choice and Select Sermons** Joseph Beaumont,1859 *Mr. Smith Isn't Afraid of the Dark* Jacob Cox,2016-08-18 No one ever suspects the quiet ones Billy Smith is just an ordinary guy He has a house a car a job and even an ex wife He's the neighbor you would invite to a barbecue the boss you would share a few drinks with after work Too bad he's a vampire Until this week Billy thought he had things under wraps but events quickly
