Palmistry is the ancient technique of reading palms to uncover the fortune hidden in the lines of your hands. This book will unravel everything you need to know about the ancient art of palm reading. By the end of this book, you can read and analyze your hands to predict your own fortune. The hand is truly the window to the soul. To learn more about yourself and the people around you, there's no better place to start than your hands.

**Face and Hand Reading** Theresa Cheung, 2012-01-05 I've always hated my nose. The way it looks and the fact that it's so big. When I was little, I'd do drawings of smiling faces with no noses. My parents and teachers would always remind me to draw the nose, but I never did. The way I see my nose has changed since I started face reading. If only I'd known sooner that having a long nose is pretty cool.

Sarah 12 You can learn the most amazing things by simply using your face and hands and a little help from this book. You see faces everyday, but do you really look at them? Face reading helps you to analyse every feature, line, and shape and work out what they say about your personality, relationships, and future destiny. Hand reading or palmistry is another brilliant way to find out all about you and your friends and family. By looking at your whole hand, fingers, and thumbs and lines on your palms, you'll see just how useful and informative hand reading can be in your everyday life.

**Face and Hand Reading** shows you how you can change your life by discovering just how incredible and unique you are. It is part of our stunning new Mind Body Spirit series for teenage girls.
