Approaches to Teaching and Learning

Ron Babbage, Helen Redding, Richard Byers, 2013-10-28 First published in 1999 Increased levels of interest in inclusive education for pupils with learning difficulties are set to continue and while much progress has been made challenges remain in promoting full and meaningful participation for these learners This book focuses therefore on the teaching and learning and processes which will facilitate organisational and curricular inclusion for pupils with learning difficulties within day to day classroom practice using their understanding of current theory the authors provide practical approaches to the analysis of teaching methods used with pupils with learning difficulties and the learning preferences strengths and areas of challenge of individual pupils They also discuss the various factors which impinge upon the development of more inclusive provision These approaches will provide practical help to all those working with pupils with learning difficulties in a variety of contexts

The book will also appeal to those responsible for staff and school development including the changing roles of specialist teachers and special schools and for developing policy and practice with regard to inclusion
