

The Storytellers Handbook

From the Depths of Imagination

There are no constants in this world — nothing remains the same while Vampires, Werewolves, Magi and other creatures of the night stalk this land. Only one mortal keeps a firm grasp on the chaos circling us.

To the Horrors of Reality

The most difficult, most important and most rewarding role in Vampire belongs to the Storyteller, the creator of the Gothic-Punk world and the terror infesting it. To aid her in her task comes The Storytellers Handbook, a tome designed to help make her Stories into epics told throughout the ages.

The Storytellers Handbook includes:

- extensive chapters on perfecting the Storytelling art, including everything from handling settings, Stories and Chronicles to motivating the players to expanding your play into the murky past or radiation-scarred future;
- new Bloodlines and an army of other foes for your Vampires to battle;
- additional rules for combat, magic, flight and a host of other dramatic systems.
