**Handbook of Diversity in Feminist Psychology** Hope Landrine, Nancy Felipe Russo, 2009-12-17 With the publication of the Handbook of Diversity in Feminist Psychology the field of feminist psychology has achieved a new depth the volume is a sophisticated and cutting edge compendium that not only describes the state of the field but also pushes its boundaries in important ways Sex Roles A Journal of Research Critical for all those who are in the field of psychology to own refer to and use No longer are diversity and gender issues considered to be on the periphery as they once were one would be remiss in not considering these factors in psychology Florence L Denmark PhD From the Foreword Author Psychology of Women FINALLY A collection of work that is built on decades if not centuries of hard work from many feminists of color and our allies This is one of the few books that delves deeply into the complex world of considering the human condition in cultural context something psychology is only relatively recently trying to do This book is a must have for anyone interested in feminism OR diversity issues It is a great example of feminist multiculturalism and both fields i e feminism and multicultural psychology should consider it an example of how to merge

theoretical orientations in a way that is fitting for real people I LOVE this book Geneva Reynaga Abiko Psy D This handbook presents a multicultural approach to diversity in feminist psychology Provocative and timely the text comprehensively discusses the cutting edge of feminist discourse covering major topics such as multicultural feminist theory gender discrimination aging health and therapy violence and harassment politics and policy and much more The unique quality of this book is that each contributor brings her own cultural perspective values and concerns to her chapter Special emphasis is also given to the intersectionality of minority identities such as race ethnicity social class sexual preference and other socially constructed status differences among women Key Topics Discussed Intimate partner violence perspectives from ethnic groups in the United States Gender transgressive sexual minorities HIV AIDS among women of color and sexual minority women Psychological perspectives on older women including transitions cognitive functioning and mental health Ethnicity disordered eating and body image Methodological and statistical issues in research with diverse samples Low income women women with disabilities workers and immigrants refugees

**Women's Studies** Linda Krikos, Cindy Ingold, 2004-08-30 This truly monumental work maps the literature of women s studies covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999 Intended as a reference and collection development tool this bibliography provides a guide for women s studies information for each title along with a detailed often evaluative review The annotations summarize each work s content its importance or contribution to women s studies and its relationship to other titles on the subject Core titles and titles that are out of print are noted and reviews indicate which titles are appropriate as texts or supplemental texts This definitive guide to the literature of women s studies is a must purchase for academic libraries that support women s studies programs and it is a useful addition to any academic or public library that endeavors to represent the field A team of subject specialists has taken on the immense task of documenting publications in the area of women s studies in the last decades of the 20th century The result is this truly monumental work which maps the field covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999 Intended as a reference and collection development tool this bibliography provides a guide for women s studies information for each title along with a detailed often evaluative review The annotations summarize each work s content its importance or contribution to women s studies and its relationship to other titles on the subject Most reviews cite and describe similar and contrasting titles substantially extending the coverage Core titles and titles that are out of print are noted and reviews indicate which titles are appropriate as texts or supplemental texts Taking up where the previous volume by Loeb Searing and Stineman left off this is the definitive guide to the literature of women s studies It is a must purchase for academic libraries that support women s studies programs and a welcome addition to any academic or public library that endeavors to represent the field

**Bibliographic Guide to Studies on the Status of Women** Unesco, 1983 UNESCO pub Annotated bibliography of research concerning women esp Their social role social status and economic role divided by regions covers woman workers education of women family population trends health etc

includes directories of research centres      *Bulletin of Bibliography* ,1992
