There's a Double Tongue Dirk Delabastita, 2021-11-15 The pun is as old as Babel and inveterate punsters like Shakespeare clearly never lacked translators This book critically examines the evergreen cliché that wordplay defies translation replacing it by a theory and a case study that aim to come to grips with the reality of wordplay and its translation What are the possible modes of wordplay translation What are the various sometimes conflicting constraints prompting translators in certain situations to go for one strategy rather than another Ample illustration is provided from Hamlet and other Shakespearean texts and several Dutch French and German renderings The study exemplifies how theory can usefully be integrated into a description oriented approach to translation Much of the argument also rests on the definition of wordplay as an open ended and historically variable category The book's concerns range from the linguistic and

textual properties of Shakespeare's punning and its translation to matters of historical poetics and ideology. Its straightforward approach shows that discourse about wordplay doesn't need to rely on stylistic bravura or abstract speculation. The book is concluded by an anthology of the puns in Hamlet including a brief semantic analysis of each and a generous selection of diverse translations.

Where Theory and Practice Meet Laurence Wong, 2016-08-17. Where Theory and Practice Meet is a collection of nineteen papers in translation studies. Unlike many similar books published in recent decades which are mostly non-translation oriented veering to issues with little or no relevance to translation, this book focuses on the translation process on theory formulation with reference to actual translation on getting to grips with translation problems and on explaining translation in language which can be understood by the general reader. Perceptive and wide ranging, the book covers language pairs that include Chinese-English, French-German, Italian-Spanish, Latin and Classical Greek and discusses among other things translations of Dante's La Divina Commedia, translations of Shakespeare's Hamlet, Goethe's Prometheus as a case of untranslatability, the challenge of translating Garcilaso de la Vega's Primera glosa into Chinese, John Minford's translation of martial arts fiction and Lin Shu's translation of Alexandre Dumas's La Dame aux camélias.

Hamlet William Shakespeare, 2016-11-11. Instead of memorizing vocabulary words, work your way through an actual well-written novel. Even novices can follow along as each individual English paragraph is paired with the corresponding French paragraph. It won't be an easy project but you'll learn a lot.

Shakespeare Suhamy Henri, 2018-11-06. Jessica Ophélie, Miranda, Imogen, Audrey, Celia, Cordelia, Marina, Cressida, Viola, Phoebe, Ariel, d'où viennent ces prénoms de plus en plus répandus dans tous les pays du monde ou presque? De Shakespeare, il les a inventés ou trouvés dans ses sources et plus ou moins refaçonnés. On le rencontre sans cesse. Tout le monde connaît son nom sans avoir forcément lu une ligne de ce qu'il a écrit ou assisté à une seule de ses pièces de théâtre. On rencontre son visage partout, ses yeux nous fixent alors que parmi les portraits qui circulent, il n'y en a sans doute pas un seul qui ait été peint de son vivant et la plupart sont sans doute apocryphes. Les écrivains, les chroniqueurs, les personnes en vue citent l'appui de ce qu'ils veulent démontrer, des phrases qu'il a mises dans la bouche de ses personnages et d'autres qu'il n'a jamais écrites mais qu'on lui attribue. Il n'existe pas un mythe Shakespeare, il y en a plusieurs. Or, il a réellement vécu et écrit de 1564 à 1616, sous deux règnes : celui de la dernière des Tudors et du premier des Stuarts, la reine Élisabeth Ire et son successeur en 1603, Jacques VI d'Écosse devenu Jacques Ier d'Angleterre. Le présent ouvrage n'a pas l'intention de démythifier Shakespeare si ce verbe implique une dénégation, une volonté de déboulonnage. Il s'efforce au contraire d'expliquer pourquoi le jeune poète et auteur dramatique, le plus célèbre du monde, a atteint un prestige qui ne fait que s'amplifier au cours des années.

The Publishers Weekly, 1945-04 **Le Portrait de Dorian Gray / The Picture of Dorian Gray** Oscar

Wilde, 2017-06-15 Cette édition contient la traduction française et le texte original en anglais. Le Portrait de Dorian Gray / The Picture of Dorian Gray est un roman d'Oscar Wilde publié en 1890, révisé en 1891 et critiqué dans le contexte de l'époque victorienne. L'auteur y inclut des thèmes relevant de l'esthétique tels que l'art, la beauté, la jeunesse, la morale, l'hétérosexualité, etc. Le roman est fantastique mais aussi philosophique et met en lumière la personnalité ambiguë du dandy irlandais ainsi que le courant d'efféminisme qui suscite de virulents échanges de lettres entre Wilde et plusieurs journaux très critiques jugeant l'œuvre repugnante. C'est également le unique roman de Wilde dans toute sa carrière. The Picture of Dorian Gray 1891 by Oscar Wilde was first published as a serial story in the July 1890 issue of Lippincott's Monthly Magazine. As submitted by Wilde to the magazine, the editors feared the story was indecent and deleted five hundred words before publication without Wilde's knowledge. Despite that censorship, The Picture of Dorian Gray offended the moral sensibilities of British book reviewers, some of whom said that Oscar Wilde merited prosecution for violating the laws guarding the public morality. In response, Wilde aggressively defended his novel and art in correspondence with the British press. Wilde revised and expanded the magazine edition of The Picture of Dorian Gray 1890 for publication as a novel; the book edition 1891 featured an aphoristic preface, an apologia about the art of the novel, and the reader. The content, style, and presentation of the preface made it famous in its own literary right as social and cultural criticism. In April 1891, the editorial house Ward, Lock, and Company published the revised version of The Picture of Dorian Gray. The only novel written by Wilde, The Picture of Dorian Gray exists in two versions: the 1890 magazine edition and the 1891 book edition. The story he submitted for serial publication in Lippincott's Monthly Magazine. As literature of the 19th century, The Picture of Dorian Gray is an example of Gothic fiction with strong themes interpreted from the legendary Faust.
