In a Lonely Street Frank Krutnik, 2006-10-19 Taking issue with many orthodox views of Film Noir Frank Krutnik argues for a reorientation of this compulsively engaging area of Hollywood cultural production Krutnik recasts the films within a generic framework and draws on recent historical and theoretical research to examine both the diversity of film noir and its significance within American popular culture of the 1940s He considers classical Hollywood cinema debates on genre and the history of the emergence of character in film noir focusing on the hard boiled crime fiction of Dashiell Hammett Raymond Chandler and James M Cain as well as the popularisation of Freudian psychoanalysis and the social and cultural upheavals of the 1940s The core of this book however concerns the complex representation of masculinity in the noir tough thriller and where and how gender interlocks with questions of genre Analysing in detail major thrillers like *The Maltese Falcon* *Double Indemnity* *Out of the Past* and *The Killers* alongside lesser known but nonetheless crucial films as *Stranger on the Third Floor* *Pitfall* and *Dead Reckoning* Krutnik has produced a

provocative and highly readable study of one of Hollywood most perennially fascinating groups of films Film Study Frank Manchel,1990 The four volumes of Film Study include a fresh approach to each of the basic categories in the original edition Volume one examines the film as film volume two focuses on the thematic approach to film volume three draws on the history of film and volume four contains extensive appendices listing film distributors sources and historical information as well as an index of authors titles and film personalities Projecting Paranoia Ray Pratt,2001 A wide ranging and idiosyncratic look at sixty years of politics and film that uncovers how American movies have mirrored and even challenged anxieties and paranoid perceptions embedded in American society since the start of the Cold War The first book to take a sweeping look at 60 years of film and analyze them thematically *The Hollywood Motion Picture Blacklist* Larry Ceplair,2022-09-06 Seventy five years ago the Hollywood blacklist ruined lives stifled creativity and sent waves of proscription and censorship throughout United States culture When the Hollywood Ten refused to answer the questions of the House Committee on Un American Activities about their membership in the Communist Party they were sentenced to prison the five who were under contract were fired by their studios and all were blacklisted from reemployment until they purged themselves of their communist taint By the 1950s this blacklist publicly stigmatized nearly three hundred other Americans in the entertainment industry who invoked the First and Fifth Amendments in their refusal to apologize for their Communist ties or provide the names of other members Dozens of others were graylisted as the result of rumors The Hollywood Motion Picture Blacklist Seventy Five Years Later offers new insights on the origins of the blacklist the characteristics of those blacklisted and the probability of future proscriptions of the blacklist type Author Larry Ceplair draws on previously published work while introducing new material to vigorously recount the events that took place between the US government Hollywood unions and motion picture studios Ceplair thoroughly examines the role of Jewish identity in many anti communist efforts a concept that has never been fully examined by scholars and analyzes the actions of subpoenaed witnesses who were forced to choose between cooperating with the House Committee or joining the blacklist This fascinating book is an illuminating examination of a dark period in American history and the fragility of our rights to free speech and due process The Virgin Kills Raoul Whitfield,2014-08-26 A killer stalks the guests of an eccentric millionaire at a Hudson River boating event in this classic thriller from one of the unsung masters of early noir mystery In the years between the world wars in the heyday of Dashiell Hammett Raymond Chandler and Leslie Charteris Raoul Whitfield was a mystery author to be reckoned with Considered by many to be more realistic than his famous contemporaries Whitfield wrote gripping tales of murder and mayhem full of unanticipated twists and turns His work was often featured in Black Mask the legendary mystery magazine of the 1930s The time is ripe to rediscover one of the godfathers of noir fiction The guests of millionaire gambler Eric Vennel are gathered on their eccentric host s yacht Virgin speeding north up the Hudson River toward the Poughkeepsie Regatta a renowned collegiate competition of boating skill The crew on board is a motley one including a famous Hollywood starlet an acclaimed

author a sports writer some society swells a well known aviator a gossip columnist and a hard boiled newspaper reporter Vennel is said to have a lot of money riding on this race There is also speculation that someone wants him dead which is why an underworld thug has been brought along to serve as the rich man s bodyguard Neither the rumors nor the thug is doing much to alleviate the already considerable tension And the questionable demise of a favored regatta competitor only heightens the sense of unease It seems there may indeed be a killer among them a suspicion that is emphatically confirmed when one by one the passengers of the Virgin begin to die This ebook includes an introduction by Boris Dralyuk

spirits and the pleasure of their Bel Air dinner parties They waged memorable battles with their powerful bosses and were key activists in the stressful creation of the Screen Writers Guild Once they had created Nick and Nora Charles The Thin Man's bright charming sophisticated lead couple played memorably by William Powell and Myrna Loy many people saw a strong resemblance and the Hacketts acknowledged that they put themselves into Nick and Nora The Real Nick and Nora is a dazzling assemblage of anecdotes featuring some of the most talented writers and the brightest lights of American stage and screen The work was arduous the parties luminous On any given night the guests singing and acting out scripts at a party might include F Scott Fitzgerald and Sheilah Graham S J Perelman Oscar Levant Ogden Nash Judy Garland Abe Burrows Hoagy Carmichael Johnny Mercer Ira Gershwin George Burns and Gracie Allen Pat O'Brien Dick Powell and June Allyson Dashiell Hammett Lillian Hellman James Cagney and Dorothy Parker
