Travis and Friends Jacob Infante,2011-02-18 **The Esoteric Tarot** Ronald Decker,2013-07-09 That the Tarot originated in ancient Egypt as a divinatory tool is a romantic misconception Ron Decker s meticulous scholarship will surprise practitioners and academics alike revealing the Tarot s true evolution and meanings as its inventor s understood it The Tarot consists of the Minor Arcana four suits of cards similar to our modern deck and the Major Arcana twenty two allegorical or trump cards Decker says the four suit deck was invented in Asia Minor before AD 1000 Italian courtiers added the trumps in the 1400s But Tarot was first used as a game Tarot divination was only created in the 1700s by a Parisian fortuneteller who based the trump images on Hermeticism which merges Greco Egyptian alchemy astrology numerology magic and mysticism Today the suit cards are often traced to the ancient Jewish Cabala But says Decker they too acquired their meanings only in the 1700s and he cites a lost numerical system based on Cabala at that time Decker s interpretation integrates three whole systems astrological arithmological mystagogical concerning initiation rites into the Mysteries His depth of knowledge makes the book a must have for serious students of Tarot and esotericism *Rise and Fall of Gods* Yussouf Shaheen,2009-06-06 For the first time mythology gods and goddesses have been brought together into the fold of history It is entirely a new academic research work inviting universities and colleges worldwide to read the book The book Rise and Fall of gods revolves around all the major gods and goddesses then worshipped by our forefathers One need not ignore the fact that the people since times immemorial have been worshipping their gods and goddesses in just the same way as we do ours It had been the conviction of our forefathers that they were on the right path as we consider ourselves to be now They provided authoritative accounts of their faith as well as of their gods and goddesses Neither they had any proof to fully support their claims nor do we really have such proof now The religions of the past had a vital role in our history We can find the roots of our cultures laws and the traditions in these expired religions **Study Guide to The Iliad by Homer** Intelligent Education,2020-09-12 A comprehensive study guide offering in depth explanation essay and test prep for Homer s
