Ian M. Harris, Mary Lee Morrison, 2012-12-13 Now in its third edition Peace Education provides a comprehensive approach to educating for a just and sustainable future It begins with religious and historical trends that have molded our understanding of peace and then presents a variety of ways to practice peace education in schools and

communities and explains how it can motivate students The teaching and practice of peace education provides a basis of valuable knowledge about resolving conflicts and transforming violence without the use of force Instructors considering this book for use in a course may request an examination copy here *Understanding and Dealing With Violence* Barbara C. Wallace, Robert T. Carter, 2002-11-25 How are we to deal with personal and social violence Given the global reality of daily homicide rape torture and war more individuals may be considering this question than ever before *Understanding and Dealing with Violence A Multicultural Approach* situates violence within a social cultural and historical context Edited by distinguished scholars Barbara C Wallace and Robert T Carter this unique volume explores historical factors socialization influences and the historical and contemporary dynamics between the oppressed and the oppressor State of the art research guides a diverse group of psychologists educators policy makers religious leaders community members victims and perpetrators in finding viable solutions to violence This timely guide examines many forms of violence including International violence from war and torture School and urban violence The rape experience of women Violence against gays lesbians and bisexuals Hate crimes against Blacks Latinos and Asians Systemic violence against people with disabilities *Understanding and Dealing with Violence A Multicultural Approach* offers a comprehensive theory of violence as a psychology of oppression liberation and identity development Readers will understand how invisible violence may precede visible violence and how the oppressed are transformed into oppressors Blending scholarly and personal perspectives on ethnic cleansing physical and sexual assault terrorism and police brutality an inclusive group of contributors fuel hope that humanity can break the cycle of violence An indispensable resource for psychologists educators researchers and mental health clinicians *Understanding and Dealing with Violence A Multicultural Approach* is also an ideal primer for undergraduate and graduate students in courses on violence peace studies and conflict resolution *Learning to Live Together* David A. Hamburg, Beatrix A. Hamburg, 2004 With a view to deepening our understanding of sources of hatred and prejudice this book uses a developmental and evolutionary perspective to explore and explain the process by which our beliefs are conveyed to the youngest members of society Discussing the psychological obstacles to peaceful relations between groups the authors focus on the developmental processes by which we can work to diminish ethnocentrism prejudice and hatred which children learn from a very early age Until now scholarship and practice in international relations have gravely neglected crucial psychological aspects of these terrible problems and have not yet explored the educational opportunities related to them Addressing these promising lines of inquiry and innovation this book fosters a more humane and less violent development in childhood and adolescence Educators religious leaders developmental and social psychologists will find this a valuable resource as will a socially concerned segment of the public who are looking for practical ways to work for peace *Whole-School Strategies for Anger Management* Michael Hymans, 2023-05-09 Ensure your staff and children feel happy and secure in their school environment with the help of *Whole School Strategies for Anger Management* This book has a much wider perspective than the other

more traditional anger management resources available It considers a whole school approach including a tried and tested programme with resources for pupils as well as a new ground breaking staff development element A facilitator guide with a programme of activities PowerPoint presentations and resources will guide staff in looking at how they manage their strong emotions and how they can help to create classrooms in which strong emotions are handled effectively Anger can be difficult to manage but it is an essential part of being human and is a potentially useful emotion Getting in touch with our emotional intelligence can help us to understand our own anger and to understand children s anger The book highlights the importance of continually trying to manage our feelings effectively especially in the roles of leader teacher teaching assistant and other support workers The development of an anger management strategy in a school should be considered as part of a whole school approach to managing behaviour Whole School Strategies for Anger Management will ensure you feel confident to bring about the changes necessary for a happy and secure learning environment Starting from the premise that managers will structure the process but that implementation will be carried out by staff this publication provides training and support at several levels by recognising the effects of staff behaviour on student outcomes teaching the skills for problem solving managing conflict and de escalating angry behaviour understanding the components of anger setting up pupil anger management groups With a whole school approach this resource allows staff to consider the significance of their relationship with students and the various ways that anger can be managed throughout all aspects of school life **Classroom**
