Handbook Of Contemporary Theology Tracing Trends And Discerning Directions In Today's Theological Landscape:

A Handbook of Contemporary Theology David L. Smith, 2001-02-01 This introduction to contemporary theology looks at the origin and history of each movement their major figures and doctrinal emphases The author evaluates the teachings and practices of each system in light of biblical Christianity *A Handbook of Contemporary Theology* David Lorne Smith, 2000 A solid presentation of major trends in modern theology Christianity Today **Refilling the Church's Fountain of Youth** Nicholas A. Meade, 2015-03-23 Refilling the Church's Fountain of Youth is a must read for any individual who has a need for grasping a further understanding of why the decline is occurring within churches amongst the young adult population Therefore pastors church leaders and the emerging population are encouraged to add this work to their repertoire to further enhance their knowledge and wisdom of the challenges that exist within retention and attraction of young adults Additionally the work provides the example of a strong church community that understands the benefits of providing the young adults with support love and the freedom to develop into disciples without fear of judgment or contradiction Finally the work is designed to provide assistance to any denomination or church that has recognized the decline of membership as it relates to emerging adults It is indeed a necessary tool that can provide assistance and guidance for anyone working in the trenches of ministry from the foreword by Lori D Spears D Min This book offers a portable and repeatable model of ministry that crosses denominations and ethnic boundaries within the church Are you a pastor looking to improve your young adult ministry Are you a leader of a teaching ministry looking for ways to be more effective Are you a parent seeking to understand your young adult child's faith journey so that you can minister effectively Are you a seasoned Christian who wants to be equipped to engage with young adults inside and outside your congregation Then this book is for you Religion and Social Development in Post-apartheid South Africa Ignatius Swart, Hermann Rocher, Sulina Green, Johannes Erasmus, 2010-10-01 It reflects original research and contributes to new developments in the field of theology and religion with regard to its developmental role within a transformation context The book may easily stand out in future as seminal in the way that it promoted the social development debate of the church and its organisational structures from an interdisciplinary focus Prof Antoinette Lombard Department of Social Work and Criminology University of Pretoria **Safari Based Theology** Dr. Enos Lwamba, 2012-12-21 In Safari based Theology Dr Enos Lwamba has developed an approach to theology and mission based on his proposed safari motif for the development of theology and mission Based on his Ph D dissertation The Safari Motif in the Development of Theology in Africa Dr Lwamba argues that God has used a series of divine redemptive safaris in the Bible to reveal Himself progressively to people The author develops his proposed motif around a tri dimensional conception of reality and time and explores a threefold aspect of the safari mwanzo sasa and mwisho which provide keys to the African mindset He explores the various meanings and uses of the safari idea from both a

biblical and theological perspective In addition to the literal safaris journey is an analogy of the church and believers are on a divine safari individually and collectively The safari model highlights the absolute necessity of the biblical message and the contextual situation to help Christians live effective and fruitful lives in society now and in future Inspired by both John Mbitis The African Concept of Time and Paul Hieberts The Flaw of the Excluded Middle the author utilizes biblical theological historical and contextual sources to make his point In the philosophical aspect of the safari the author develops his notion of an African conception of time modeled on the cultural safari idea which he relates to development of theology and mission He refutes the western influenced or commercially based notion that safari refers to a game hunting or tourist expedition to Africa Dr Lwamba promotes the argument that the philosophical framework and methodology drawn from the safari approach provides a more effective way of doing theology and mission in Africa and other contextual situations He also draws parallels to the safari concept from such sources as Augustines City of God John Bunyans The Pilgrims Progress and others in a refreshing and original style that the reader will find engaging The motif provides interpretational and practical application tools as it harmonizes the unity of the biblical message Its practical appeal makes Safari Based Theology a must read for Christians and others interested in their daily journey of faith The author contends that just as the idea of logos described the mindset conception of divine truth and aspirations of the Greek mind the concept of safari does the same for the African This book is highly recommended for pastors missionaries and teachers as well as students of Bible and theology culture and missions and other related disciplines

I Trusted the Process Nicholas A. Meade, 2020-04-12 How does the process of seminary transform Why do you believe what you believe What are some effective methods for preaching How can one be empowered to minister to the masses I Trusted the Process is a reflection upon how one s sojourn through seminary answers these questions Join the author on a journey back in time where his experience or process in seminary transformed him and profoundly shifted the way that he thinks and ministers While some cast doubt on the worth of seminary even going to great lengths of labeling it a cemetery the author s works collected in this volume from his time in seminary show how seminary can challenge someone how it challenges someone to the extent that if that someone trusts the process that someone will come out better on the other side I Trusted the Process provides models and example work from seminary that readers can use to do their own work of determining what they believe and why Works within this volume also provide examples of biblical exegesis preaching methodologies at work reflections on written works and of holistic ministry and a pattern for articulating one s own Christology among other things Navigating through this book for those unable to attend seminary can serve as its own type of process It also provides insight into the mind of one who seeks to help change the world If one is to believe the glowing words from the foreword and the cover such a mind is worth exploration He can say I Trusted the Process Can you Jesus Christ as Ancestor Reuben Turbi Luka, 2019-08-31 In this critical study Dr Turbi Luka uses historical theological methodology to engage in detail with Christologies of key African theologians and conventional

theological sources for Christology including the church fathers Tertullian and Athanasius as well as modern theologians Turbi argues that existing African Christologies specifically ancestor Christologies are inadequate in expressing the person of Christ as Messiah and saviour the fulfilment of Old Testament prophecies Providing a new approach Turbi proposes an African Linguistic Affinity Christology that explicitly portrays Jesus as Christ in a contextually relevant way for Africans in everyday life This crucial study highlights the need for biblically rooted Christology and for sound theological understanding and naming of Jesus at every level This book also warns the church in Africa and elsewhere to avoid repeating the dangerous christological heresies of the ancient church by remaining faithful to a biblical interpretation and orthodox theology of Christ

Thinking Theologically about Language Teaching Cheri L. Pierson, Will Bankston, 2017-08-31 Christians can often overlook the need to bring their daily vocations in accord with the reality created sustained and purposed through Christ This is no less true for language teachers who find themselves at a difficult interdisciplinary crossroads where the paths of linguistics culture and education merge This challenge should not discourage these educators but instead aid them in their journey to form a pedagogy rooted in theological truths from Scripture one that provides a nuanced approach that glorifies God in a manner specific to the language classroom The contributors of this book outline why and how theology must inform teaching methods so that Christian language educators might better serve their students with both faith and excellence thereby pointing them to the communicative God whose image they bear Encyclopedia of Christianity in the United States George Thomas Kurian, Mark A. Lamport, 2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation The Evangelical Moment Kenneth J. Collins, 2005 Offers a new interpretation of the evangelical story and articulates an ecumenical vision for evangelism *The Conspiracy to Silence the Son of God* Tal Brooke, 1998 In this book edited by Tal Brooke president of the Spiritual Counterfeits Project the contributors examine what they see as a mounting conspiracy to neutralize the influence of Jesus in contemporary culture Christelike

etiek in 'n sekulariserende samelewing J.M. Vorster, 2014-12-31 Christelike etiek in 'n sekulariserende samelewing produces authoritative fully evidenced and well reasoned treatment of Christian ethics a major topic that is of central concern to South Africa's people It disseminates original research fosters collaboration of experts and generates new developments within the specific field of Reformed Theology and Christian Ethics The target audience are specialists in the field of Systematic Theology and contextual ministry The author applies in Christian ethics the concept of the kingdom of God as the overarching paradigm in order to elucidate societal and ecclesiastical problems which are experienced in morality today The book's hypothesis is argued and substantiated by using a very wide variety of classic as well as recent investigations in the field of ethics What promotes this specific research is the fact that the author not only refers to international researchers but also to South African theologians and the South African situation The book further reflects on the phenomenon secularisation and the notion post secular spirituality argued against the background of a universal law of nature and a specific scriptural revelation and Christology In light of the challenges of postmodernity it focuses on the concepts truth justice and the prophetic calling of the present day church The author has managed to translate Christian situation ethics that enriches and stimulates research thoughts that can assist and advocate reconciliation in South Africa *Homiletika* Elieser Perpulungen Gintings, DR., Pdt., 2021-07-21

Forthcoming Books Rose Arny, 2004 **Books in Print Supplement**, 2002 **Theologies of the 21st Century** David L. Smith, 2014-10-02 What theologies are popular and formative of Christian thinking in the present day How should they be assessed by those Christians who want to be in the world without being of the world Theologies of the 21st Century begins with an overview of the historical roots from which current theological thinking has developed and then moves on to a detailed evaluation of the chief doctrinal and practical emphases taking an evangelical biblical perspective that seeks to be at once both critical and irenic **Contemporary Theology: An Introduction, Revised Edition** Kirk R.

MacGregor, 2020-07-28 Accessible and comprehensive Contemporary Theology An Introduction by professor and author Kirk

R MacGregor provides a chronological survey of the major thinkers and schools of thought in modern theology in a manner that is both approachable and intriguing Unique among introductions to contemporary theology MacGregor includes Evangelical perspectives alongside mainline and liberal developments The influence of philosophy and the recent Christian philosophical renaissance on theology Global contributions Recent developments in exegetical theology The implications of theological shifts on ethics and church life Contemporary Theology An Introduction is noteworthy for making complex thought understandable and for tracing the landscape of modern theology in a well organized and easy to follow manner

Mapping Modern Theology Kelly M. Kapic, Bruce L. McCormack, 2012-04 A team of international scholars assesses the field of modern theology thematically covering classic topics in Christian theology over the last 200 years The Task of Theology Anselm Min , 2014-09-11 A rare opportunity to read and reflect upon the thought of some of the most prominent voices in contemporary theology in one volume this collection offers informative indicators of the state of theology today Together these provocative essays offer a resource for teachers and a chance to facilitate conversation among those working in different areas of an increasingly fragmented discipline Publisher **New Directions in Theology Today** William Hordern, 1966
