Handbook Of Massachusetts Evidence:

Handbook of Massachusetts Evidence Walter Barton Leach, 1940 Handbook of Massachusetts Evidence Mark S. Brodin, Paul J. Liacos, Michael Avery, 2006-12-22 Handbook of Massachusetts Evidence is the premier work in its field This comprehensive and practical guide to the law of Massachusetts evidence gives you the latest case law and up to date information on all evidentiary matters including Relevance New kinds of scientific and statistical evidence Character evidence Admissibility of confessions Privileges and disqualifications Domestic Abuse Prevention Statute Expert testimony In addition this new updated Eighth Edition has been expanded to cover recent topics such as Expert testimony and scientific proof Hearsay Developments in criminal trials With detailed reference to all significant Massachusetts and federal cases with a bearing on the law of evidence this trial attorney s bible provides all the insightful analysis you need for practical day to day use Handbook of Massachusetts Evidence Mark S. Brodin, Michael Avery, 2021-11-19 Handbook of Massachusetts Evidence 2022 Edition **Handbook of Massachusetts Evidence** Walter Barton Leach, Paul J. Liacos, 1967 **Handbook of Massachusetts Evidence** MARK S. BRODIN, Michael Avery, 2020-11-06 The Handbook of Massachusetts Evidence is a comprehensive and practical guide to the law of evidence in Massachusetts Providing clear explanations of the settled law and expert advice on more complicated evidentiary problems this one volume compendium provides in depth coverage of everything attorneys need for analyzing and weighing evidence planning litigation strategy and justifying objections It is an invaluable aid in determining the use and admissibility of evidence in Massachusetts courts The 2021 Edition brings you up to date on the latest new cases statutes and developments including these For a hearsay statement to be admitted under the doctrine of verbal completeness the proponent must show that the additional statements are 1 on the same subject as the admitted statement 2 part of the same conversation as the admitted statement and 3 necessary to the understanding of the admitted statement The Court has similarly advised that where a defendant is entitled to the services of a translator because of an inability to speak English or the defendant s inability to speak English is likely to become known to the jury the better practice is for the trial judge to inquire upon defendant s request whether any prospective juror harbored bias against non English speakers Where the entire jury has been exposed to extraneous material the judge is required to conduct individual voir dire to determine whether the jurors can remain impartial For revocation of a juvenile s pretrial probation based on a new criminal offense the Commonwealth must prove there is probable cause to believe the juvenile committed the offense for revocation based on violation of a condition proof must be by preponderance of the evidence Evidence detailing a criminal investigation is generally not allowed as it usually has no relevance to whether the defendant in fact committed the acts charged and it may appear as an imprimatur of official belief in defendant s guilt Where an agency s own duly adopted regulations require disclosure disclosure is required notwithstanding any exemption in GL 4 7 that might apply The Supreme Judicial Court has emphasized that the constitutional issue in identification cases is not whether the witness was or might be

mistaken but whether any possible mistake was or would be the product of improper suggestions made by the police Under Massachusetts law an out of court identification may also be suppressed if it violates common law principles of fairness A judge may suppress an identification if it resulted from a highly or especially suggestive confrontation with the defendant even though not brought about by the police or if it is so unreliable that the danger of unfair prejudice substantially outweighs its probative value Previous Edition Handbook of Massachusetts Evidence 2020 Edition ISBN 9781543810516
