Good Master:

A Good Master Well Served Lawrence William Towner, 2019-07-12 First published in 1998 Early American historians are finding connections between the bonded status of African American slaves European indentured servants convicts and sailors An excellent starting point for this inquiry is this neglected classic by Lawrence Towner former head of the Newberry Library in Chicago and editor of the William and Mary Quarterly This comprehensive study of the lives and experiences of bonded laborers in colonial Massachusetts demonstrates the full sweep of their work and aspirations Towner analyzes the legal status of all varieties of black and white bonded laborers He explores their living and working conditions and discusses the cultural significance of work in their lives The book also address gender issues in bonded labor The author s approach provides a new understanding of the experiences of black and white workers in early America and corrects a long standing neglect of blacks in previous research This edition makes this important work available in print for the first time and includes an introductory essay by Alfred F Young

Discipleship Dietrich Bonhoeffer, 2003-05-01 Cheap grace is the mortal enemy of our church Our struggle today is for costly grace And with that sharp warning to his own church which was engaged in bitter conflict with the official nazified state church Dietrich Bonhoeffer began his book Discipleship formerly entitled The Cost of Discipleship Originally published in 1937 it soon became a classic exposition of what it means to follow Christ in a modern world beset by a dangerous and criminal government At its center stands an interpretation of the Sermon on the Mount what Jesus demanded of his followers and how the life of discipleship is to be continued in all ages of the post resurrection church Every call of Jesus is a call to death Bonhoeffer wrote His own life ended in martyrdom on April 9 1945 Freshly translated from the German critical edition Discipleship provides a more accurate rendering of the text and extensive

The purpose of this book of poetry entitled *Wisdom Of The Soul* is to attempt to strengthen and enlighten not to judge nor condemn Its purpose also is to touch the lives and to share in the encouragement of others and hopefully touching their hearts and saving of souls The author speaks out through her poetry for those who want and need to be heard Her desire is to reach the world of the needy whether it be a spiritual need natural need emotional need or any or all of these factors She desire her poetry to be a positive orator conveying the fact that love faith hope and all goodness and truth overcomes hatred fear prejudice and all wrong doings and evil intentions Through the writing of poetry the author submerge deeply within herself going beyond her mind but into her heart and soul emerging with the truths which convicted her to write with experience strong conviction and ardent passion for those who have been and still are victimized by various forms of conflicts and adversities in their lives She desire the words of her poetry to come forth pure and clean edged going beyond the surface from depth to depth and to be a blessing and beneficial to all The author continually attempt to instill in others through poetry the importance of living within the bounds of righteousness in order to inherit the kingdom of God for unrighteousness shall not inherit the kingdom of God She emphasize the fact that we need to get ourselves ready for the coming of our Lord Jesus Christ We are living in the last time and Jesus Christ is still extending his love and mercy toward mankind wanting all men to be saved and come to the knowledge of the truth We must put aside all ungodliness and seek Gods face putting him first in our lives The author desires her poems to capture the suppressed emotions that ones are too shy embarrassed or intimidated to express openly for fear of retaliation from others We must not be afraid to speak out for truth and justice fearing no man who can only destroy our bodies but fearing only God who can destroy both body and soul The author writes about life and about death She attest to the belief that our mortal lives should be lived to the fullest daily in Gods way and after his will in order to obtain immortality and eternal life Thus death in the end shall have no dominion over Eternal Life and there is hope beyond the grave if we die in Christ Jesus To fear the Lord Jesus to grow in grace and knowledge of him to love to be pure and faithful and to do all things in spirit and in truth is to truly obtain spiritual wisdom **The Writings of St. Ambrose** Apostle Horn, 2019-11-08
