Good News About Jesus As Told To Mark:

The Good News about Jesus As Told by Mark Thomas Smith, 1977-10-01 *Good News About Jesus As Told by Mark* Thomas Joseph Smith, 1978-04-01 **The Good News about Jesus As Told by Mark** Thomas Joseph Smith, 1977 *Good News According to Mark* Eduard Schweizer, 1970-01-01 This is a stimulating and practical book useful for everyone from student to preacher to layperson Eduard Schweizer provides a wonderfully organized and helpful commentary on the earliest gospel **Good News for Moderns** Nero James Pruitt, 2015-06-27 There are many ways to be a Christian In Good News for Moderns author Nero James Pruitt shows that within the pages of the New Testament there is room for a diversity of Christianities This is a diversity that is not talked about often but when properly understood expands the perception of what a Christian is Consider the words of Justin Martyr the second century Christian writer recognized as a saint by the Catholic Church the Anglicans and the Eastern Orthodox in about 150 AD We are taught that Christ is the first born of God and we have shown that He is the reason word of whom the whole human race partake And those who live according to reason are Christians even though they are counted atheists Such were Socrates and Heraclitus among the Greeks and those like them Consider the words of John Adams the second President of the United States in 1816 The Ten Commandments and the Sermon on the Mount contain my religion Consider the words Bill Clinton the forty second President of the United States In 1955 I had absorbed enough of my church's teachings to know that I was a sinner and to want Jesus to save me Finally consider the words of the writer of the small New Testament Book of III John Whoever does good is from God Good News for Moderns is based on Pruitt's reading of the scriptures and over one hundred authors of various points of view In our busy time it is brief slightly more than one hundred thousand words supplemented by slightly less than one hundred thousand words of end notes It recognizes that human life moves by fast in what seems like an infinity of time and space and the book closes this way By listing many who have come before us and the immensity of time and space I have underscored the brevity of our lives because as a Psalmist taught recognizing our own mortality is the path to wisdom *Mark's Gospel: An Actological Reading* Malcolm Torry, 2022-05-19 This might look like an ordinary commentary on Mark's Gospel but it isn't one It understands reality as Action actions change diversity movement and the dynamic rather than as Being beings the unchanging the unitary rest and the static and it reads Mark's Gospel in the light of that distinctive understanding of reality It is all about action change and diversity and it understands God Jesus and ourselves as action change and diversity The initial chapter introduces the action based understanding of reality as action in changing patterns an actology rather than an ontology Then follows a section by section close study of the Gospel The result is a unique and somewhat unexpected reading of the text and a distinctive theology to match **Is the Gospel Good News?** Stanley E. Porter, Hughson T. Ong, 2019-05-02 Is the Gospel Good News was the theme of the 2015 H H Bingham Colloquium at McMaster Divinity College in Hamilton Ontario Canada held on June 4-5 The fourteen participants in this colloquium presented their own individual perspectives on

the theme from three broad vantage points Bible theology and crucial topics The good news that Jesus proclaimed concerning the kingdom of God became the gospel proclaimed by his followers throughout church history This gospel is about the coming of Jesus Christ in fulfillment of God's will for humanity This volume presents some accounts of how this good news has been understood through the ages and continues to be understood in relation to some of the major topics and issues of our contemporary world The papers in the Bible section discuss this good news from both Old and New Testament passages and themes The papers in the Theology section address theological topics in light of the question of what constitutes the good news Finally the papers in the Crucial Topics section explore new and different perspectives on ways in which the gospel is good news This volume highlights diverse perspectives and proposals by scholars from various locations in different stages of their academic careers resulting in a stimulating discussion of the topic of the gospel as good news

The Good News of Our Limits Sean McGeever, 2022-02-08 Become More Effective by Embracing Your Inability Many of us are tired stressed and overworked We think that following God will bring peace but instead find ourselves anxious We expect a life of joy but end up feeling stressed living under the heavy load of new expectations It's a spiritual and emotional rollercoaster We search for solutions using optimization techniques attempting to fit more and more into our already full days We try to craft efficiently maximized lives but these methods always fail not because they are ill intentioned but because they do not go far enough They fail to understand how God made us as people with inherent limitations and they fail to accept that as good In *The Good News of Our Limits* professor and longtime ministry leader Sean McGeever reveals the wonderful news that we cannot do be or know

all of the things that others expect of us and that we often expect from ourselves Nor should we As it turns out these expectations are not God s expectations The freeing truth is that God created us with limitations and he did it for a reason God is the only all powerful all present and all knowing person and we are not We can only know and do some things and we can only be in one place at a time And that is enough Accepting this truth frees us to find greater peace and joy and somewhat surprisingly greater effectiveness in life The Good News of Our Limits helps readers answer questions like What are our God given human limits How do I find peace when I can t control the circumstances tragedies and difficulties that surround my life How do I choose what is best when my time focus and abilities are limited How many people can I realistically know personally What can I do to deepen key relationships when I feel relationally maxed out How do I navigate all the information that comes my way each day Through personal stories and fascinating cultural insights The Good News of Our Limits calls readers to embrace the blessedness of their limitations and adopt a few key practices to better balance their lives Biblical and practical it points to a better way forward for us all

St Mark's Gospel Gordon Geddes,Jane Griffiths,2004

From Text to Performance Kelly R Iverson,2015-04-30 For the last two centuries biblical interpretation has been guided by perspectives that have largely ignored the oral context in which the gospels took shape Only recently have scholars begun to explore how ancient media inform the interpretive process and offer an understanding of the Bible The contributors to From Text to Performance recognise that the Jesus tradition was a story heard and performed and seek to re evaluate the constituent elements of narrative including characters structure narrator time and intertextuality within this performative context In dialogue with traditional literary approaches these essays demonstrate that an appreciation of performance yields fresh insights distinguishable in many respects from results of literary or narrative readings of the gospels

Preaching Mark's Gospel Richard A. Jensen,1996 In a classic case of failing to see the forest for the trees Jensen a homiletics professor and author of two works on narrative preaching says that preachers tend to analyze biblical books to glean the slightest bits of exegetical data yet miss the thrust of the overarching story they try to convey Jensen contends that preachers get too caught up in an analytical left brained mentality that

obscures the power and meaning of the good news story In these pages Jensen helps us approach Mark s gospel with eyes wide open rather than with microscope in hand He treats Mark s gospel as a narrative whole and challenges preachers to tell the gospel s story to their congregations In doing so Jensen emphasizes the strength of biblical stories He says that these stories are powerful in and of themselves and that they work without much explanatory help The problem is that listeners never hear the entire story because it s always told to them in bits and pieces Jensen s adaptation of what Robert Alter author of *The Art of Biblical Narrative* calls narrative analogy assumes that parallel acts or situations are used to comment on each other in biblical narrative In other words if Mark told story B to flesh out the reality of story A then perhaps preachers today can do the same thing in their preaching Students of Jensen have enthusiastically embraced this approach This is great we never get to hear them stories whole How did it ever occur to us that we could improve on the story of the Prodigal Son for example by reducing it to ideas Richard A Jensen teaches homiletics at Wartburg Seminary in Dubuque Iowa and Lutheran School of Theology at Chicago He is best known for his ten year stint as preacher for the national radio program Lutheran Vespers He has also produced a television series titled *Reflections* and one titled *Rhapsody* *Life Application New Testament Commentary* Livingstone,2016-07-01 Based on the best selling Life Application Commentary series this single handy volume holds practical concise insight on every verse in the New Testament Now readers can get all the useful background information they need without a lot of obscure facts they don t need A key resource for every Bible teacher and anyone else who wants to understand the New Testament and how it applies to real life **Life Application New Testament Commentary** Bruce B. Barton,Livingstone,2001 Based on the best selling Life Application Commentary series this single handy volume holds practical concise insight on every verse in the New Testament A key resource for anyone who wants to understand the New Testament and how it applies to real life
