## **Good News In Luke Luke In Today's English Version:**

*Good News in Luke* Wilf Wilkinson, 1974      **Luke's Portrait of Jesus** Bennie Goodwin, 1993-12      **Daan and Other Giving Traditions in India** Sanjay Agarwal, 2010      **Award Today's English Version, 360 Good News** Nelsonword Publishing Group, 1977-10      A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31

The keystone of Christianity is Jesus's physical bodily resurrection. Present-day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus. The literature measures well over seven thousand sources in English language books alone. This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task. Even when a specific book is relevant, finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort. *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* addresses these challenges in several ways. First, the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty-four subcategories which are designed to help you find the most relevant literature quickly and efficiently. Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views: theistic (e.g., Christian, Jewish, Muslim, etc.), agnostic, and nontheistic. The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives, allowing you to browse or find the one source accurately and with ease.

*Dictionary of Scripture and Ethics* Joel B. Green, Jacqueline Lapsley, Rebekah Miles, Allen Verhey, 2011-11. Leading scholars from the fields of biblical studies and ethics provide a one-stop reference book on the vital relationship between Scripture and ethics.

**Is the Gospel Good News?** Stanley E. Porter, Hughson T. Ong, 2019-05-02. Is the Gospel Good News was the theme of the 2015 H. H. Bingham Colloquium at McMaster Divinity College in Hamilton, Ontario, Canada, held on June 4-5. The fourteen participants in this colloquium presented their own individual perspectives on the theme from three broad vantage points: Bible, theology, and crucial topics. The good news that Jesus proclaimed concerning the kingdom of God became the gospel proclaimed by his followers throughout church history. This gospel is about the coming of Jesus Christ in fulfillment of God's will for humanity. This volume presents some accounts of how this good news has been understood through the ages and continues to be understood in relation to some of the major topics and issues of our contemporary world. The papers in the Bible section discuss this good news from both Old and New Testament passages and themes. The papers in the Theology section address theological topics in light of the question of what constitutes the good news. Finally, the papers in the Crucial Topics section explore new and different perspectives on ways in which the gospel is good news. This volume highlights diverse perspectives and proposals by scholars from various locations in different stages of their academic careers, resulting in a stimulating discussion of the topic of the gospel as good news.
