Good Sam Jesus Story Of The Good Samaritan:

Good Sam Glenda Palmer,1996-01-01 A retelling of the biblical story of the Good Samaritan which defines a good neighbor **Good Sam** Standard Publishing Staff,1996-01-01 **The Gospel According to Christ** Mark A. Stelter,2011-11-14 Christianity is in crisis We live in a time when millions of people profoundly misunderstand the message of the Gospel They believe that being a Christian means little more than being a nice person They view Jesus as a wise moral teacher who showed us how to live better lives and they conclude that the love of humanity is our greatest cause and its progress our primary purpose Whatever else may be said of this view of Christianity it is certainly not what Jesus taught It is an attempt to replace the concepts of sin redemption and salvation with the more socially acceptable virtues of tolerance compassion and social progress It elevates humanity and the world above God and his kingdom and reduces Jesus to a mere moral philosopher But who did Jesus say he was What was the essential message of Christ The Gospel According to Christ answers those questions by examining the words of Jesus in their context and in their entirety The answers will be shocking to many Christians **Commonly Misunderstood Verses of the Bible** Robert E. Van Voorst,2017-07-31 Do you believe that God wants you to be financially prosperous Joshua 1 8 Do you think that Christians must forgive and forget Jeremiah 31 34 Do you suppose that everything will work for your good Romans 8 28 or wonder if God will ever give you more than you can bear 1 Corinthians 10 13 If you do best selling author Robert Van Voorst will help you to reexamine these verses and many others to see what they really mean This book treats twenty four of the most misunderstood verses in the Bible Each is given concise but careful treatment including an explanation of how they are misunderstood what their meaning is and what this meaning says to us today Each chapter has questions for reflection and discussion Written especially for use in church classes and Bible study groups but also suitable for individual reading this book will stimulate your growth in the Christian faith and give you more confidence in understanding the Bible and applying it to your life **The Travel Lessons on the Life of Jesus** William Byron Forbush,1905 **Love First** Don McLaughlin,2017-08-08 This is not just a book to inspire more love it s a revolutionary call to love better A terrible virus has spread across the planet and turned the human race into bloodthirsty monsters Mankind s only hope for survival is Originally part of the tagline for the sci fi thriller I Am Legend these lines describe the undercurrent of unrest and turbulence in our world The virus we face is hate an epidemic infecting social media politics neighborhoods and homes Communities of believers which should be clinics with the cure are instead suspected of being primary carriers of the virus But there is hope Hate even in its most nefarious forms is no match for the matchless love modeled by Jesus Love is his cure for the sick and dying world Historians sociologists and theologians agree that we are experiencing the most fundamental changes in global society in the last five hundred years And while the church has a lofty vision and mighty power we are disastrously unprepared This book presents an understandable practical and doable approach to loving others with such clarity and conviction that the world will truly know the God who loves us first

Bringing the Kingdom Kevin Brown, 2018-01-18 People have used the Bible for a variety of purposes over the course of the past two thousand years unfortunately many of those uses have reinforced power structures and systems that oppress and dominate those without privilege Worst of all people have used the Bible as a means to divide humanity into those who are worthy of salvation and those who are not However if we look at the lectionary readings especially the gospels we can see that God actively seeks to undercut and subvert systems of power and God calls Christians to do the same Through an examination of Jesus's teachings with support from a wide variety of other parts of the Bible we can see that ideas of social justice and true liberation run throughout God's message to humanity Rather than focusing on who gets into heaven and who doesn't Jesus seeks to proclaim God's love for all humanity By reading the Bible this way and attempting to live up to Jesus's call we can seek to bring the kingdom to our world as it is in heaven
