Interest of the Child José Manuel de Torres Perea, Edward Kruk, Margarita Ortiz-Tallo, 2021-05-26 This multidisciplinary volume offers an essential comprehensive study of perspectives on the scope and application of the best interests of the child and focuses mainly on its application in relation to child custody With expert contributions from psychological sociological and legal perspectives it offers scientific analysis and debate on whether it should be the primary consideration in deciding child custody cases in cases of divorce or separation or whether it should be one of several primary considerations It explores complex dilemmas inherent in shared parenting and whether the advantages it offers children are sufficient when compared

to attributing custody to one parent and limiting visitation rights of the other Offering a comprehensive analysis of this complex topic chapters provide detailed insight into the current state of research in this area as well as expert guidelines aimed at resolving the controversies when parents agree or disagree over their children s living arrangements Cutting edge topics explored include transnational shared parenting alternative dispute resolution breastfeeding parents religious disputes between parents and the psychological social and economic factors that affect shared parenting The Routledge International Handbook of Shared Parenting and Best Interest of the Child will be essential reading for scholars and graduate students in law psychology sociology and economics interested in shared parenting and family law , *Parenting Plan Evaluations* Kathryn Kuehnle,Leslie Drozd,2012 When conducting parenting plan evaluations mental health professionals need to be aware of a myriad of different factors More so than in any other form of forensic evaluation they must have an understanding of the most current findings in developmental research behavioral psychology attachment theory and legal issues to substantiate their opinions With a number of publications on child custody available there is an essential need for a text focused on translating the research associated with the most important topics within the family court This book addresses this gap in the literature by presenting an organized and in depth analysis of the current research and offering specific recommendations for applying these findings to the evaluation process Written by experts in the child custody arena chapters cover issues associated with the most important and complex issues that arise in family court such as attachment and overnight timesharing with very young children dynamics between divorced parents and children s potential for resiliency co parenting children with chronic medical conditions and developmental disorders domestic violence during separation and divorce gay and lesbian co parents and relocation among others The scientific information provided in these chapters assists forensic mental health professionals to proffer empirically based opinions conclusions and recommendations Parenting Plan Evaluations is a must read for legal practitioners family law judges and attorneys and other professionals seeking to understand more about the science behind child custody evaluations *Planning Families in Nepal* Jan Brunson,2016-03-29 Based on almost a decade of research in the Kathmandu Valley Planning Families in Nepal offers a compelling account of Hindu Nepali women as they face conflicting global and local ideals regarding family planning Promoting a two child norm global family planning programs have disseminated the slogan A small family is a happy family throughout the global South Jan Brunson examines how two generations of Hindu Nepali women negotiate this global message of a two child family and a more local need to produce a son Brunson explains that while women did not prefer sons to daughters they recognized that in the dominant patrilocal family system their daughters would eventually marry and be lost to other households As a result despite recent increases in educational and career opportunities for daughters mothers still hoped for a son who would bring a daughter in law into the family and care for his aging parents Mothers worried about whether their modern rebellious sons would fulfill their filial duties but ultimately those sons demonstrated an enduring commitment to living with their aging

parents In the context of rapid social change related to national politics as well as globalization a constant influx of new music clothes gadgets and even governments the sons viewed the multigenerational family as a refuge Throughout Planning Families in Nepal Brunson raises important questions about the notion of planning when applied to family formation arguing that reproduction is better understood as a set of local and global ideals that involve actors with desires and actions with constraints wrought with delays stalling and improvisation Parenting Plan Evaluations Leslie Drozd,Michael Saini,Nancy Olesen,2016 Parenting Plan Evaluations has become the go to source for the most current empirical evidence in the field of child custody disputes Fully updated in this Second Edition the volume continues its focus on translating and implementing research associated with the most important topics within the family court It presents an organized and in depth analysis of the latest research and offers specific recommendations for applying these findings to the issues in child custody disputes

A Comprehensive Guide to Child Custody Evaluations: Mental Health and Legal Perspectives Joanna Bunker Rohrbaugh,2007-12-18 Whether assessing general family functioning or specific areas of conflict professionals preparing child custody evaluations require sound knowledge of three interrelated fields up to date legal issues psychological findings and forensic procedures This book covers these three essential areas to walk readers through the evaluation process clearly and concisely It further provides a unique combination of legal guidelines with social science research The Good Son Stella Sands,2011-02 Filled with manipulation scheming and murder The Good Son details one son s greed his girlfriend s murderous desires and the plot to kill Rick and Suzanna Wamsley photos Original **Building a Parenting Agreement That Works** Mimi Lee,2025-05-27 Avoid child custody battles and save money time and grief Working out a fair and realistic custody agreement is often crucial in protecting children s best interests but it might seem impossible for divorcing parents That s where Building a Parenting Agreement That Works comes in This comprehensive guide will show you how to overcome all kinds of obstacles and build a win win custody agreement that allows everyone especially your children to thrive Find out how to minimize conflict even in tense situations create a workable agreement together and modify or renegotiate an existing agreement Take advantage of practical solutions and sample language to resolve important issues like health care education and religion living arrangements and moving new partners and surnames holidays travel and grandparent visits different approaches to discipline and alcohol and drug use *Warring Parents, Wounded Children, and the Wretched World of Child Custody* Joseph Helmreich,Paul Marcus,2007-12-30 Screenwriter Helmreich and Psychologist Marcus the latter a longtime court insider who has witnessed untold trauma as an evaluator in custody disputes present us with a book that is shocking tragic and ultimately enlightening The authors present in depth understanding of the havoc child custody disputes can wreak not only on the couple but more importantly on the children Harshly detailed we come to know through this text the personal motivations and behaviors that end up devastating lives Here parents can learn what to do and what not to do to avoid bitter tragedy in such cases Judges lawyers guardians and mediators will also find this book enormously educational and useful The
