It's Your Word Against Mine Sylvester

Carrington, 2018-10-15 It's Your Word Against Mine is a collection of stories by Sylvester Carrington that compares unique cultural words and phrases from his native Barbados with select American terms Some of these words have a different meaning in his culture while others are nonexistent when it comes to translation These simple words migrated with him and he has added those he encountered when he came to live in America The author's engaging style of storytelling will grab readers as he takes them on a cultural journey using a vehicle of simple words to highlight the different aspects of the two cultures he has called home With amazing skill he has intricately woven each cultural term and phrase into a narrative that is altogether fascinating entertaining educational and at times personal and autobiographical Watch for the highlighted words in italics throughout the book that compare and contrast these two vastly different cultures

Teaching Literacy in Kindergarten Lea M. McGee,Lesley Mandel Morrow,2005-05-05 Kindergarten is a time for playful and enriching learning activities that support children s literacy emergence while enhancing their social and cognitive development The routines of a busy engaged productive kindergarten classroom are vividly brought to life in this information packed book Demonstrated are whole class and small group strategies for helping children acquire concepts about print and the alphabet build phonological and phonemic awareness learn to read sight words develop their listening comprehension and writing abilities and much more *Returning to Silence* Dainin Katagiri,1988-04-12 A renowned Zen teacher and contemporary of Shunryu Suzuki explores the many pillars of Zen spirituality explaining how we can bring these practices into our daily lives For twenty five hundred years Buddhism has taught that everyone is Buddha already enlightened lacking nothing But still there is the question of how we can experience that truth in our lives In this book Dainin Katagiri points to the manifestation of enlightenment right here right now in our everyday routine Genuineness of practice lies in just living our lives wholeheartedly The Zen practice of sitting meditation zazen is not a means to an end but the activity of enlightenment itself That is why Katagiri Roshi says Don t expect enlightenment just sit down Based on the author s talks to his American students *Returning to Silence* contains the basic teachings of the Buddha with special emphasis on the meaning of faith and on meditation It also offers a commentary on The Bodhisattva s Four Methods of Guidance from Dogen Zenji s *Shobogenzo* which speaks in depth about the appropriate actions of those who guide others in the practice of the Buddha Way Throughout these pages Katagiri Roshi energetically brings to life the message that Buddha is your daily life **Preschool Bilingual Education** Mila Schwartz,2018-05-23 This volume provides an up to date collection of key aspects related to current preschool bilingual education research from a socio linguistic perspective The focus is on preschool bilingual

education in multilingual Europe which is characterized by diverse language models and children's linguistic backgrounds. The book explores the contemporary perspectives on early bilingual education in light of the threefold theoretical framework of child's teachers and parents' agencies in interaction in preschool bilingual education. Five significant theoretical concepts are promoted in this volume: the ecology of language learning, an educational partnership for bilingualism, a notion of agency in early language development and education, language conducive contexts and language conducive strategies. The volume examines preschool bilingual education as embedded in specific socio-cultural contexts on the one hand and highlights its universal features on the other. The book is a fundamental read for scholars and students of second language teaching, preschool education and bilingual education in multilingual and multicultural societies. *Women Ageing. Literature and Experience* Brian J. Worsfold, 2005. Se puede llegar a concebir el envejecimiento como un proceso diferencial según el género. Aspectos analizados en diferentes narraciones sobre el envejecimiento femenino demuestran que así es. Miradas al espejo, revisiones de vida y la expresión de la sexualidad son rasgos distintivos del proceso vital femenino. En este libro se revelan los sentimientos, las preocupaciones, las prioridades y las aspiraciones que moldean las distintas fases de las vidas de las mujeres.
