The Alpha's Blood Amie McCarter,2025-02-12 In the heart of a realm where shadows dance and ancient magic whispers I invite you to step into a world where werewolves reign supreme This is a story about destinies entwined about power betrayal and the transformative nature of love The battle for the throne is fierce but the battle for hearts is even more relentless I hope this tale will transport you to a world of wonder and leave you breathless with each turn of the page The Jews of China Jonathan Goldstein,1998-12-04 An impressive interdisciplinary effort by Chinese Japanese Middle Eastern and Western Sinologists and Judaic Studies specialists these books scrutinize patterns of migration acculturation assimilation and economic activity of successive waves of Jewish arrivals in China from approximately A D 1100 to 1949 While Jewish individuals and communities in China have been described in microhistorical antiquarian or nostalgic fashion they have never been contrasted as a whole and in a scholarly way with other Jewish Diaspora communities *The Jews of China: v. 1: Historical and Comparative Perspectives* Jonathan Goldstein,Benjamin I. Schwartz,2015-02-24 This interdisciplinary study examines patterns of migration acculturation assimilation and economic activity of successive waves of Jewish arrivals in China from approximately AD 1100 to 1949 **The Nation** ,1886 *Great War Prostheses in American Literature and Culture* Aaron Shaheen,2020-06-26 Drawing on rehabilitation publications novels by both famous and obscure American writers and even the prosthetic masks of a classically trained sculptor *Great War Prostheses in American Literature and Culture* addresses the ways in which prosthetic devices were designed promoted and depicted in America in the years during and after the First World War The war s mechanized weaponry ushered in an entirely new relationship between organic bodies and the technology that could both cause and attempt to remedy hideous injuries Such a relationship was also evident in the realm of prosthetic development which by the second decade of the twentieth century promoted the belief that a prosthesis should be a spiritual extension of the person who possessed it This spiritualized vision of prostheses proved particularly resonant in American postwar culture Relying on some of the most recent developments in literary and disability studies the book s six chapters explain how a prosthesis s spiritual promise was largely dependent on its ability to nullify an injury and help an amputee renew or even improve upon his prewar life But if it proved too cumbersome obtrusive or painful the device had the long lasting power to efface or distort his spirit or personality **The Publisher** ,1910 **The Publishers' Circular and Booksellers' Record** ,1910 卞之琳 qī longpantian,2024-12-12 It s just that there is a trace of confusion in his eyes at this time *Publishers' Circular and Booksellers' Record of British and Foreign Literature* ,1910

Scientific American ,1878 *All the Lives We Never Lived* Anuradha Roy,2019-10-15 From the Man Booker Prize nominated author of *Sleeping on Jupiter* and one of India s greatest living authors O The Oprah Magazine a poignant and

sweeping novel set in India during World War II and the present day about a son's quest to uncover the truth about his mother. In my childhood I was known as the boy whose mother had run off with an Englishman. The man was in fact German but in small town India in those days all white foreigners were largely thought of as British. So begins the gracefully wrought Kirkus Reviews story of Myshkin and his mother Gayatri who rebels against tradition to follow her artist's instinct for freedom. Freedom of a different kind is in the air across India. The fight against British rule is reaching a critical turn. The Nazis have come to power in Germany. At this point of crisis two strangers arrive in Gayatri's town opening up to her the vision of other possible lives. What took Myshkin's mother from India and Dutch held Bali in the 1930s ripping a knife through his comfortingly familiar universe. Excavating the roots of the world in which he was abandoned Myshkin comes to understand the connections between the anguish at home and a war torn universe overtaken by patriotism. Evocative and moving this mesmerizing exploration of the darker consequences of freedom, love and loyalty is an astonishing display of Roy's literary prowess.
