Between Bodies Lie H.M. Blanc, 2012-10-10 Between Bodies Lie Attempting to flee his declining literary career and failing relationship Cristobal Porter travels to an island in the tropics to research his latest novel There he meets Ana Kaplan the wife of an American diplomat and is immediately drawn to her by what he perceives as the shared depth of their loneliness When Porters young mistress arrives on the island and enters into an affair with Anas husband it is the catalyst that draws Ana and Porter closer together Porters relationship with Ana evolves tentatively amidst turmoil and resistance sparking in him a creative revolution even as the island around them threatens revolt Exploring the connections between life death art and love Porter discovers a faith that can offer redemption even as he is forced to come to grips with the unforgiving terrain between ideology and reality and the insurmountable distances which between bodies lie KIRKUS Review BETWEEN BODIES LIE A disillusioned writer travels to the tropics in search of inspiration in Blancs emotionally astute debut novel Cristobal Porter is a British writer whose work is in decline With each novel garnering less critical acclaim than the last the author spends more time looking out of windows than he does writing Badgered by his publisher and tormented by a difficult first relationship following the death of his wife he retreats to an unnamed island in the tropics where civil unrest lurks beneath the surface of everyday life On his arrival Porter uneasily slips into society following his introduction to the slick yet lascivious American diplomat Jack Kaplan Kaplans wife the enigmatic Ana is a patron of the arts and Porter finds himself lingering at the edge of her cocktail party staring at the backs of artists and well heeled expats While Kaplan dismisses the art scene Ana finds a kindred spirit in Porter and a bond tentatively forms between them Porter goes about his book research but is almost immediately encumbered by the unannounced arrival of Nadia his dangerously seductive young mistress As his yearning for Ana grows stronger Porter recognizes a growing intimacy between Nadia and Kaplan When Ana finally learns of her husbands affair she draws Porter closer but a tragic secret from her past rocks their budding relationship As the plot unfolds the whispers of uprising grow louder Blanc is supremely sensitive to the trials and tribulations of the creative process he writes with the wisdom of an established author grown weary of the literary scene Some readers may consider the depiction of an emotionally disheveled yet unconventionally dashing novelist to be somewhat clichéd but that thought is far outweighed by Blancs brilliantly detailed study of human connections and disconnections in which even the most indiscernible movements of body mind and heart are painstakingly recognized and charted A masterfully written exploration of the beauty and cruelty of love as sharp as it is sensual
