Goodbye Britain:

Good-bye, Great Britain Kathleen Burk, Professor of Modern and Contemporary History Kathleen Burk, Alec Cairncross, 1992-01-01 In this authoritative and gripping book the first full account of the 1976 International Monetary Fund crisis Kathleen Burk and Alec Cairncross peel back the surface of the most searing economic crisis of postwar Britain to reveal its historical roots and contemporary context During the spring of 1976 the plummeting value of the British pound against the U S dollar triggered a traumatic economic and political crisis International confidence in the pound collapsed an article in the Wall Street Journal headlined Good bye Great Britain urged investors to get out of sterling Refused aid by the London and New York markets the Labour Government under Prime Minister James Callaghan was forced to turn for help to the IMF a highly unusual move for a developed Western economy Fearing that the economic crisis would drive Britain into a left wing siege economy which would endanger NATO and the EEC the United States and Germany used the IMF loan as a means to force Britain to make major domestic policy changes when the IMF mission arrived in London in November 1976 it was announced that the price for the loan included deep cuts in domestic spending Burk and Cairncross uncover the maneuvers of the Labour Government to evade IMF conditions They also examine underlying economic factors the political agenda the rise of monetarist ideas and the Keynesian response Juxtaposing narrative with analysis they provide surprising answers to critical questions and reveal how the breakdown of the post war consensus on the macroeconomic management paved the way for the triumph of Thatcherism

Modern Britain, 1750 to the Present James Vernon, 2017-04-20 An introductory textbook charting a global history of modern Britain from 1750 to the present *Railways, Urban Development and Town Planning in Britain: 1948-2008* Russell Haywood, 2016-03-23 This book provides a critical overview of the relationships between planning and railway management and development during the key period in the 20th Century when the railway was in public ownership 1948-94 It assesses the strength of the relationships when working in collaboration with the private sector The book then focuses on the interplay between planning and railway since privatization in 1994 and points to best practice for the future in institutional structures and policy development to secure improved outcomes

When Hollywood Loved Britain Mark Glancy, 1999-08-20 When Hollywood Loved Britain examines the Hollywood British film American feature films that were set in Britain based on British history or literature and included the work of British producers directors writers and actors British films include many of the most popular and memorable films of the 1930s and 1940s yet they have received little individual attention from film historians and even less attention as a body of films While the book is centered on wartime British films it also investigates wider issues the influence of censorship and propaganda agencies during Hollywood's studio era studio finances the isolationist campaign in the United States between 1939 and 1941 and American perceptions of Britain at war *London's 'Big Bang' Moment and its Architectural Conversations* Stephen Rosser, 2025-06-30 This book explores the topic of architecture as a component of public discourse focussing on the

reception of four high profile developments in the City of London the UK capital's financial district dating from the final years of the twentieth century During this time the City's mode of operation culture and built environment were all transformed as a result of the market deregulation process labelled Big Bang It was also a period which saw the subject of architecture attracting public and media attention becoming a prominent feature of national conversation The book examines the extensive and often contentious discourse generated by the four case study projects It looks at how these projects were viewed and interpreted retrospectively when they had become part of the City's long and rich history Topics explored include building and urban form on the eve of the millennium the place of new development in a setting of unique historic importance the iconic building and celebrity architect and the role of then Prince Charles as an architectural critic Also referenced are many of the broader issues of the day including the Thatcher government policies and the preoccupations concerning London's infrastructure public realm inner city areas and inequalities Furthermore ranging across the discourse is the theme of the relationship between buildings and global finance foreshadowing later controversies concerning London's post millennial towers and their impact on the capital's skyline The book will be of interest to researchers and students of late twentieth century British architecture and urban development London's history and UK public discourse in the 1980s a decade of profound political economic and social change

Authentic Reconstruction John Bold, Peter Larkham, Robert Pickard, 2017-12-14 Notions of authenticity lie at the heart of many questions about heritage and identity in the built environment These questions are most pertinent when buildings have been destroyed in disaster or war and the built fabric is being reconstructed to reinstate traditional or historic appearances in place of what was lost Authentic Reconstruction examines this idea of reconstruction using it as a prompt to examine a range of deeper issues on heritage and the built environment From post WWII reconstruction programmes through to the rebuilding of historic cultural landscapes lost in natural disasters this collection of essays by heritage specialists provides a wide range of case studies and discussions Each presents responses to crises and lessons learned in order to extrapolate general guidelines for future actions by politicians architects and planners in reconstructing buildings The book also looks beyond disaster and war noting how authenticity bears on political intentions and image building exploring how reconstruction is used to tell a political or historical story so conditioning the ways in which the built environment is perceived and appreciated by its users This is not just about the buildings as bricks and mortar but about perceptions of identity and the social and historical values which buildings and

spaces embody for a richly diverse population This book will be valuable to all who are concerned with heritage as practitioners or consumers particularly those concerned with reconstruction and the creation of authentic places and experiences architects architectural historians town planners preservationists conservationists and those involved in heritage management and material culture

The English Jeremy Paxman, 2001-10-02 The acclaimed author of *On Royalty* explores the mysteries of English identity in this witty argumentative book bursting with good things The Daily Telegraph A Sunday Times Top Ten Bestseller Being English used to be easy As the dominant culture in a country that dominated an empire that dominated the world they had little need to examine themselves and ask who they were But something has happened over the past century A new self confidence seems to have taken hold in Wales and Scotland while others try to forge a new relationship with Europe What exactly sets the English apart from their

British compatriots Is there such a thing as an English race Renowned journalist and bestselling author Jeremy Paxman traces the invention of Englishness to its current crisis and concludes that for all their characteristic gloom about themselves the English may have developed a form of nationalism for the twenty first century Paxman s irrepressibly witty bit of Anglo scholarship offers stirring insights *Vanity Fair The End of Parliamentary Socialism* Leo Panitch, Colin Leys, 2001-05-17

Argues against the assertion that there is no alternative to neo liberalism *Another Country, Another Life* J. Patrick Boyer, 2013-03-30 A young law clerk from England falls in love in 19th century New York and reinvents himself in Canada Quiet Isaac Jelfs led many lives a scapegoated law clerk in England a soldier in the mad Crimean War a lawyer on swirling Broadway Avenue in New York His escape from each was wrapped in deep secrecy He eventually reached Canada in 1869 with a new wife and a changed name In his new home the remote wilderness of Muskoka he crafted yet another persona for himself In *Another Country Another Life* his great grandson traces that long hidden journey exposing Isaac Jelfs covered tracks and the reasons for his double life *The 100 Greatest Bands of All Time* David V. Moskowitz, 2015-11-10 This one of a kind reference investigates the music and the musicians that set the popular trends of the last half century in America Many rock fans have at one time or another ranked their favorite artists in order of talent charisma and musical influence on the world as they see it In this same spirit author and music historian David V Moskowitz expands on the concept of top ten lists to provide a lineup of the best 100 musical groups from the past 60 years Since the chosen bands are based on the author s personal taste this two volume set provokes discussion of which performers are included and why offering insights into the surprising influences behind them From the Everly Brothers to the Ramones to Public Enemy the work covers a wide variety of styles and genres clearly illustrating the connections between them Entries focus on the group s history touring membership major releases selected discography bibliography and influence Contributions from leading scholars in popular music shed light on derivative artists and underscore the overall impact of the performers on the music industry *On Roads* Joe Moran, 2010-12-09 In this history of roads and what they have meant to the people who have driven them one of Britain s favourite cultural historians reveals how a relatively simple road system turned into a maze like pattern of roundabouts flyovers and spaghetti junctions Using a unique blend of travel writing anthropology history and social observation he explores how Britain s roads have their roots in unexpected places from Napoleon s role in the numbering system to the surprising origin of sat nav Full of quirky nuggets of history such as the day trips organised to see the construction of the M1 and the 2 5m Mills and Boons used to build the M6 Toll Road *On Roads* also celebrates innovators whose work we take for granted such as the designers of the road sign system On subjects ranging from speed limits to driving on the left and the non places where we stop to the unwritten laws of traffic jams these hidden stories have never been told together until now **Transforming Glasgow** Kintrea, Keith, Madgin, Rebecca, 2019-12-18 Some 30 years after Glasgow turned towards regeneration indicators of its built environment its health its economic performance and its quality

of life remain below UK averages This interdisciplinary study examines the ongoing transformation of Glasgow as it transitioned from a de industrial to a post industrial city during the 20th and 21st centuries Looking at the diverse issues of urban policy regeneration and economic and social change it considers the evolving lived experiences of Glaswegians Contributors explore the actions required to secure the gains of regeneration and create an economically competitive socially just and sustainable city establishing a theory that moves beyond post industrialism and serves as a model for similar cities globally

New Labour and the European Union Oliver Daddow,2013-01-18 This book explores Tony Blair and Gordon Brown s attempt to sell the European ideal to the British people New Labour came to power in 1997 promising to modernize the country and make it fit for the twenty first century In foreign policy Blair and Brown set about rethinking core components of the British national identity especially the country s relationship to its past and its role in the world Rebranding Britain they argued meant helping the British people feel comfortably at home in the European Union What did New Labour achieve and did its European policy succeed How did Blair and Brown try and persuade the British to accept a European future What were the obstacles they faced and the strategies they used to overcome them This timely study of New Labour s effort to build a pro European consensus in Britain argues that the government failed to live up to its early promises Based on evidence from well over one hundred of Blair and Brown s foreign policy speeches supplemented by interviews with policy makers advisers and speech writers from the time the book is sympathetic to the challenge New Labour set itself but also critical of the rhetorical techniques it used to advance the Europeanist cause Trapped between a broadly hostile media and an apathetic public Blair and Brown failed to provide the necessary leadership to see Britain to a European future Theoretically informed empirically robust and methodologically innovative this novel book will appeal to anyone interested in contemporary British foreign policy the New Labour project and Euroscepticism in Britain
