## Goodbye Lover:

*I Hated, Hated, Hated This Movie* Roger Ebert, 2022-05-24 The Pulitzer Prize winning film critics offers up more reviews of horrible films Roger Ebert awards at least two out of four stars to most of the more than 150 movies he reviews each year But when the noted film critic does pan a movie the result is a humorous scathing critique far more entertaining than the movie itself I Hated Hated Hated This Movie is a collection of more than 200 of Ebert's most biting and entertaining reviews of films receiving a mere star or less from the only film critic to win the Pulitzer Prize Ebert has no patience for these atrocious movies and minces no words in skewering the offenders Witness Armageddon 1998 The movie is an assault on the eyes the ears the brain common sense and the human desire to be entertained No matter what they're charging to get in it's worth more to get out The Beverly Hillsbillies 1993 Imagine the dumbest half hour sitcom you've ever seen spin it out to ninety three minutes by making it even more thin and shallow and you have this movie It's appalling North no stars 1994 I hated this movie Hated hated hated hated hated this movie Hated it Hated every simpering stupid vacant audience insulting moment of it Hated the sensibility that thought anyone would like it Hated the implied insult to the audience by its belief that anyone would be entertained by it Police Academy no stars 1984 It's so bad maybe you should pool your money and draw straws and send one of the guys off to rent it so that in the future whenever you think you're sitting through a bad comedy he could shake his head chuckle tolerantly and explain that you don't know what bad is Dear God 1996 Dear God is the kind of movie where you walk out repeating the title but not with a smile The movies reviewed within I Hated Hated Hated This Movie are motion pictures you'll want to distance yourself from but Roger Ebert's creative and comical musings on those films make for a book no movie fan should miss [Catalog of Copyright Entries](#) Library of Congress. **The Stray Sod Country** Patrick McCabe,2011-09-05 It is 1958 and as Laika the Sputnik dog is launched into space Golly Murray the Cullymore barber s wife finds herself oddly obsessing about the canine cosmonaut Meanwhile Fonsey Teddy O Neill is returning like the prodigal son from overseas with brylcream in his hair and a Cuban heeled swagger to his step having experienced his coming of age in Butlin s Skegness Father Augustus Hand is working on a bold new theatrical production for Easter which he for one knows will put Cullymore on the map And as the Manchester United football team prepare to take off from Munich airport James A Reilly sits in his hovel by the lake outside town with his pet fox and his father s gun feeling the weight of an insidious and inscrutable presence pressing down upon him From the closed terraces and back lanes of rural Ireland to the information highway and global separations of our own time The Stray Sod Country is at once an homage to what we think we may have lost and a chilling reminder that the past has never really passed With echoes of Peyton Place and Fellinni s Amarcord and with a sinister diabolical narrator at its heart this is at once a story of a small town with its secrets fears friendships and betrayals and a sweeping grand guignol of theatrical extravagance from one of the finest writers of his generation

*Subtle Sins* Laurie Ellis,2006-02 The first victim never saw it coming As the rope tightened around his neck he clawed desperately at the killer s hands Before

surrendering to death he realized who the killer was and simply asked Why Police Chief Madelyn Barclay jumps into the investigation like a hound on the trail but before long there s another killing Then another Solid evidence eludes her as subtle connections lead her astray Dead end clues play havoc with her mind Burrowing deeper into the investigation she realizes there s more going on than just murder It s a mind game of power As the department s first female police chief Madelyn has much to prove and she worries that her reputation will suffer Time runs short and the pressure is on Desperate for help she enlists the services of her old gumshoe friend Craige McCall who is immediately thrust into a psychological game of hide and seek with the killer Finally a suspect emerges but he s always one step ahead and he s loaded with alibis Could they be on the wrong track again This killer has proven to be a terrifying adversary whose next victim might very well be one of the department s own Chilling suspense to the very end Hollywood Online Ian London,2024-03-07 Hollywood Online provides a historical account of motion picture websites from 1993 to 2008 and their marketing function as industrial advertisements for video and other media in the digital age The Blair Witch Project is the most important example of online film promotion in cinema history Over the last thirty years only a small number of major and independent distributors have converted internet created buzz into box office revenues with similar levels of success Yet readings of how the film s internet campaign broke new ground in the summer of 1999 tend to minimize overlook or ignore the significance of other online film promotions Similarly claims that Blair initiated a cycle of imitators have been repeated in film publications and academic studies for more than two decades This book challenges three major narratives in studies about online film marketing Hollywood s major studios and independents had no significant relationship to the internet in the 1990s online film promotions only took off after 1999 because of Blair and Hollywood cashed in by initiating a cycle of imitators and scaling up corporate activities online Hollywood Online tests these assumptions by exploring internet marketing up to and including the film s success online Pre Blair 1993 9 then by examining the period immediately after Blair Post Blair 2000 8 which broadly coincides with the rise and decline of DVD as well as the emergence of the social media sites MySpace Facebook and Twitter
