Goodbye, Vietnam Gloria Shelan, 2001 *Goodbye Vietnam* William Broyles, 2013-04-02 In this essential memoir a former marine returns to Vietnam years later to try to make sense of the war Anthony Swofford author of *Jarhead* When William Broyles Jr was drafted he was a twenty four year old student at Oxford University in England hoping to avoid military service During his physical exam however he realized that he couldn't let social class or education give him special privileges He joined the marines and soon commanded an infantry platoon in the foothills near Da Nang More than a decade later Broyles found himself flooded with emotion during the dedication of the Vietnam Veterans Memorial in Washington DC He decided to return to Vietnam and confront what he'd been through Broyles was one of the very first combat veterans to return to the battlefields No American before or since has gone so deeply into the other side of the war the enemy side Broyles interviews dozens of Vietnamese from the generals who ran the war to the men and women who fought it He moves from the corridors of power in Hanoi so low tech that the plumbing didn't work to the jungles and rice paddies where he'd fought He meets survivors of American B 52 strikes and My Lai and grieves with a woman whose son was killed by his own platoon Along the way Broyles also explores the deep bonds he shared with his own comrades and the mystery of why men love war even as they hate it Amidst the landscape of death his formerly faceless enemies come to life They had once tried to kill each other but they are all brothers now Previously published as *Brothers in Arms* this edition includes a new preface by the author

Goodbye, Vietnam Gloria Whelan, 1993-01 The plight of the Vietnamese boat people comes alive in this story about a young girl's harrowing escape from her wartorn homeland *Goodbye Vietnam* Robert W. Wood, 2002 This collection of fictional remembrances of a Marine during the Vietnam conflict is told in a series of short pieces that describe the particular horrors of this war through one man's eyes From *The Gift* a story about boot camp and his love hate for the drill sergeant to *Zelda Waiting* which finds him leaving Vietnam packed in the back of a truck with all our paraphernalia and our travel brochures these vignettes take the reader into the dark world of this war The absurdity of this time is profiled in *Today's Spectators* in which an argument between two South Vietnamese factions plays out like a football game while the Americans eat peanuts and popcorn and watch a fighter plane strafe a convoy of trucks and tanks This is a movie I knew it I knew it all along Reminiscent of *Apocalypse Now* in its treatment of meaninglessness and truthfulness this book puts the reader square in the middle of a time and a place that even now remains controversial

The War Correspondent Greg McLaughlin, 2016-02-20 What is the role of the war reporter today Through interviews with prominent war and foreign correspondents such as John Pilger Robert Fisk Mary Dejevsky and Alex Thomson The War Correspondent delves into the most dangerous form of journalism From Crimea to Vietnam the Falklands to the Gulf and Afghanistan Iraq and the War on Terror the book examines the attractions and risks of war reporting the challenge of objectivity and impartiality in the war zone the danger that journalistic independence is compromised by military control censorship and public relations as well as the commercial and technological pressures of an intensely concentrated competitive news media environment As history and ideology return to the reporting of international conflict Greg McLaughlin asks what will that mean for a new generation of war correspondents attuned not to history or ideology but to the politics of the next conflict

The Principal's Daughter Russ Katz, 2021-06-01 At just ten years old playing in the lush trees starting mischief with the boys Kim loved her family and friends the sounds of the market the tastes of the foods she enjoyed life and wished it would never change What she didn't know yet was all that she loved was about to be torn from her prying fists Wake up wake up her sister yelled shaking her Looking out the window behind their bed Vi t C ng marched just a hundred meters from her home just outside Saigon Pop pop pop pop gunshots from the AK 47's jolted their muscles as a full

scale attack on the American Army base began Their small home caught in the crossfire they spent the night of T t the 1968 New Year in the safety of a small dark makeshift cellar The war finally came to an emotionally sad ending the streets in crisis people fleeing by the thousands The North Vietnamese Army declared victory renaming Saigon to Ho Chi Minh City April 30th 1975 this was a day that will change Kim s life forever Forced into oppressive Communist life was hard and depressing Kim s dreams of an education in America were crushed her husband taken to prison her brother in law taken to a reeducation camp their family business ransacked and closed by the police food became scarce money even worse Stories of boat people attempting escape caught her attention Such sad stories though a coworker captured by pirates beaten and then tossed to the sea to die A mother losing her children drowning in the seas The list goes on but her desire for freedom outweighed the risks In less than a year she found herself being stuffed into a hidden compartment at the bottom of a small wooden fishing boat with many other desperate souls seeking freedom The darkness rancid smells and thick air choked her lungs Cramped her body ached and below her waist was all but numb Without warning the diesel engine kicked up louder and the boat started moving faster Pah pah pah pah she heard in rapid succession Bullets pinged off the side of the vessel splintering the wood through to the cabin Still the boat did not slow Again Pah pah pah pah The sounds of bullets hitting the side of the boat echoed in her ears Everyone jumped The engines kicked off and the boat came to a dead stop Oh my god they already caught us Falling over into the dirty sea ridden floor of the boat fish juice mixed with unthinkable bodily fluids washed back and forth around her face Reaching her hand to her side feeling a sharp searing pain It was wet blood was everywhere The shimmering brilliant lights of the spot lights and yelling faded into the background as her head became light dizzy as everything went black

Book Review 1 I knew little about Vietnam other than living through the war myself I watched the protests here at home and lost friends over there One of my favorite movies remains The Killing Fields about the journalist Sydney Schanberg and his friend Dith Pran While that movie is primarily about Cambodia I believe much applies to Vietnam as well This book opened my eyes to a whole new facet of the Vietnam war the people the villagers who had to live through it not only when the US pulled out but for years after as well It is a well written and thoughtful accounting of the day to day life of one young woman Her terror and hardships were heart wrenching If you d like a down to earth account of the war this is the book for you No who is right or wrong just what was the reality for one woman I would like to read more from Russ Katz Thank you to Netgalley and Dog Ear Publishing for allowing me the opportunity to read this book

NetGalley Book review 2 This manuscript tells an extraordinary story a story that deserves to be told to as many people as want to know about it And there are many facets of the present draft of The Principal s Daughter that are very very well done indeed It is up to a point very effectively put together The material is rich that characters are vivid and the narrative itself is riveting and moving Whatever you do with this keep Kim s spirit alive She is a Personage You are lucky to know her I am lucky to know something about her now That character that family that place in the mango trees magic You got yourself a

million acres of magic here pal Don't screw it up You won't because you know it's magic I don't think I've ever read a piece of prose that so galvanized my attention Kevin Anderson Associates Book Review 3 This was a fantastic story about an inspirational woman Kim who lives during the Vietnam war and experiences not only their quest for freedom but also her own Kim is a resilient soul whose dreams are destroyed and it is up to her bravery and hope to remake them This is not a typical story and it is one that will both teach you something about Vietnam and touch your heart Rich in description and food references the world comes alive and while we will never be able to know these experiences we begin to get a glimmer of these moments both good and bad Notes I loved the book I will be posting a review on my blog utopia state of mind com on December 7th and will update this review when it goes live Additionally I will be posting my review on Netgalley within the next two days from now Lili Hadsell NetGalley

A Generation of Three Gary Pettit, 2014-06-27 Arguably the most profound fifty years of American history came in the twentieth century with involvement in both World Wars Korea and Vietnam The Taylors were caught in this period with three generations being sent to war starting with Jeff flying over Western France where he commands an ambitious assassination mission Unfortunately it is a mission that is doomed to fail Returning home Jeff marries and has a son Robert Jeff is assigned to flight training where Robert grows up Robert demonstrates a natural ability best shown when he serves in the island hopping campaign across the Pacific Unfortunately Robert also has to deal with the threat of treason following the internment of his wife and child Roberts Son Glen demonstrates a remarkable level headed approach to anything he does and follows his fathers footsteps into the US Navy In 1968 Glen is shot down over Vietnam Captured he is imprisoned by the Vietnamese where fate sees him share incarceration with an old foe Eventually returning home Glen becomes a test pilot where he meets and falls in love with an English adjutant Love blossoms and a surprising link is revealed one evening However tragedy strikes leaving their future together in doubt
