Several colorful nebulae are visible, including a prominent one with shades of red, pink, and purple on the right side. A bright yellow star or galaxy core is at the top center, emitting a strong light. In the lower center, there is a large, detailed planet with a blue and white surface, resembling Earth. Gospel In Creation:

The Gospel in Creation Ellet Joseph Waggoner, 1999-06 The Gospel in Creation is a nicely illustrated work setting forth clearly and simply the relation between God's work in creation and redemption The signs of power and greatness that mark the handiwork of God in the visible universe are shown to be but indications of the unfailing strength with which He works in the lives of those who submit to His will The confirmation of the truths of the gospel drawn from the study of the creation will make this book a valuable one to all who are watching with interest the attacks that are now made on the authority of the Bible The Gospel in Creation E. J. Waggoner, In The Gospel in Creation E J Waggoner unveils the profound truth that the

Gospel message is intricately woven into the very fabric of creation Through a thoughtful exploration of Scripture Waggoner demonstrates how the Old Testament particularly the writings of Moses points to Christ and contains the essence of the Gospel He invites readers to discover how the heavens themselves declare the glory of God and proclaim His eternal power revealing the Gospel to all who have eyes to see and ears to hear **The Gospel in Creation** Ellet J. Waggoner, 2023-07-23 The Gospel is the power of God and the power of God is manifest in the things that He has made therefore the Psalmist is speaking of the Gospel which the heavens teach The Apostle Paul in Romans 10 15 18 shows that this is so How beautiful are the feet of them that preach the gospel of peace and bring glad tidings of good things But they have not all obeyed the gospel For Isaiah says Lord who has believed our report So then faith comes by hearing and hearing by the word of God But I say have they not heard Yes verily their sound went into all the earth and their words unto the ends of the world The apostle is here speaking about the Gospel which he says all have not obeyed Then he declares that all have heard and as proof that they have all heard he quotes from Psalm 19 Their line is gone out through all the earth and their words to the end of the world Their words concerning what Why concerning the Gospel of course Thus we have a plain statement that the heavens do preach the Gospel There is no man so illiterate that he cannot read the Gospel no man so deaf or so isolated that he cannot hear a gospel sermon This truth will be more evident as we proceed *The Gospel in Creation* Ellet Waggoner, 2015-10-08 The Gospel in Creation by Ellet J Waggoner explaining day at day the evangelical principles of creation Excellent Book

John's Creation John Pople, 2009-04-28 In the beginning was the Word and the Word was with God and the Word was God The Apostle John deliberately arranges his gospel to reflect the Creation sequence of Genesis John portrays the character and ministry of Jesus of Nazareth in a sequence of six discrete elements each blossoming into the spiritual manifestation of its physical counterpart in the natural creation We address three questions Does John's Gospel really reflect the Creation pattern If so what do we gain from seeing Jesus this way How does this pattern assist someone's discipleship

Exploring the Word's Forgotten Scientific Side James Victor, 2018-07-27 Of the many books in the Sacred Canon there are but four Gospels Yet for Christians these Gospels are the focal point of the entire Bible Indeed there is little in the Old Testament or the New that cannot be understood at its highest level by contemplating the many teachings in the life of Christ

as presented in these Gospels But as dear as they are to Christians everywhere who wouldn't trade them all away for one Gospel written by the Master Himself What new wonders might we expect to hear and what controversies might be cleared up through His direct involvement in our spiritual formation It is a dream most every Christian has had at some time in their lives And it is a dream that has some foundation because the Bible actually does make mention of such a Gospel in several places But even without the Bible to tell us this somehow we've always intuitively known that this Gospel existed simply because whether we realized it or not we encounter it every time we interact with the natural world It is the Gospel that the heavens declare and the sky proclaims Ps 19:1 that is preached in all the creation that is under heaven Col 1:23 And having been placed there by the Word it is interwoven into that Creation like the seamless garment in which Christ Himself was attired Many throughout the ages have revered and pondered this Gospel and the insights they've given us of it are many But despite their efforts no one has ever really cracked the code to fully reveal its contents It may be that they were merely lacking in the necessary scientific knowledge or perhaps the timing just wasn't right Whatever the reason with the discovery of the mathematical key called the 2/3rds Rule this fifth Gospel is finally opened up for all to see And it more than delivers on our expectations reconciling mainstream science and Scripture on the subject of Creation and giving us answers to a myriad of questions some of which we never even thought to ask And if that's not enough it also throws in with no added effort irrefutable and falsifiable scientific proof that God exists that Jesus is His son the promised Messiah and of all the existing churches proclaiming the Good News there is but one established by Christ to lead us into the fullness of truth But in these troubling times where good and evil seem to have become so intertwined this Gospel's greatest feature may simply be in its timing It comes to us like a love letter from God reassuring us that He has always been with us and that His Word is as true today as it ever was It may not always be what we wanted to hear but it is nevertheless what we need to hear It is the oldest Testament and it is the last Testament it is God's Testament and in this man's first successful attempt at deciphering it it is The Gospel of Creation

Creation Care and the Gospel LAUSANNE MOVEMENT, 2016-06-02 How should Christians react to environmental crisis Historically evangelicals have ignored this aspect of living for Christ so this book aims to reinvigorate and empower Christians across the globe to care for creation This book collects the work of biblical scholars theologians biologists environmental researchers and community organizers who met at The Global Consultation on Creation Care and the Gospel in Jamaica in 2012 Participants from 23 countries as diverse as Argentina Bangladesh Benin and Canada gathered for five days to pray talk and reflect on the state of the planet the home in which we live and on the role and ministry of the church in caring for God's creation The book contains biblical and theological affirmations from well respected scholars and teachers reminding us that caring for creation is central to the evangelical faith It is an integral part of our mission an expression of our worship of God and a matter of great joy and hope

Creation, Power and Truth Tom Wright, 2013-07-18 Let Tom Wright help you make sense of the changes in social economic and political culture that

Creation and Gospel Gustaf Wingren,1979 Taken from a series of lectures given by Professor Gustaf Wingren in 1979 this volume addresses creation under natural law gospel and the Church and law and the gospel in an attempt to rediscover a positive meaning for creation without obscuring the uniqueness of the Christ event

T&T Clark Handbook of the Doctrine of Creation ,2024-03-07 The T how the doctrine of creation informs and is informed by various dogmatic commitments and how the doctrine of creation relates to a range of human concerns and activities The Handbook represents a celebration of fascination with bewilderment at lament about and hope for all that is and serves as a scholarly innovative and constructive reference for those interested in attending to what Christian belief has to contribute to thinking about and living with the mysterious existence named creation

The Story of Creation Calum M. Carmichael,2019-06-07 Calum Carmichael asserts that biblical texts both in the Old and New Testaments which have been the subject of interpretation for centuries are themselves often the products of the ancient authors interpretation of still other literary compositions Claiming that parts of the Bible constitute major and very early examples of exegesis Carmichael demonstrates that the author of the story of creation in Genesis 1 produced his work in reaction to troubling issues that arose in the story of the exodus The author of John s Gospel in turn recounted the life of Jesus in light of the story of creation Pointing out that much of modern literary criticism has roots in biblical hermeneutics Carmichael turns his attention to the richness and complexity of the ancient world s own modes of interpretation By doing so he is able to uncover the heretofore unrecognized influence of the exodus story on the creation story and of the creation story on John s Gospel Carmichael first shows how the author of the seven day scheme of creation in Genesis produced it in response to his reading of the exodus story which was centuries old in his time He then shows the extent to which the author of John s Gospel was influenced by first century cosmological speculation Philo s in particular In the first five chapters of his gospel

the author elaborated the details of the creation story to present in allegorical fashion incidents from the life of Jesus

Healing All Creation Joan Connell, Adam Bartholomew, 2019-06-12 In *Healing All Creation* a scripture scholar and a religion journalist explore the literary and theological symmetries of Genesis the Gospel of Mark and the unfolding story of evolution as told by science and the emerging discipline of cosmological theology Read together these narratives shed new light on the Judeo Christian tradition and offer fresh ideas about how to respond to the moral and environmental crises of our times Scientific discoveries make it increasingly clear that everything in the world is connected Physically and spiritually small actions can have great impact In the creation myths of Genesis it is possible for individuals to generate great evil but also do enormous good and repair a broken world Mark s story of the public life of Jesus speaks to the transformative effect of cumulative acts of compassion Cosmological theology suggests that evolution is spiritual as well as material and that our search for meaning is dynamic ongoing and grounded in the sanctity of all creation This book speaks to those for whom Judeo Christian scripture is important but also to those who consider themselves spiritual but not religious those who stand in awe of the majesty of the universe and appreciate the sanctity of all creation It introduces to a general audience a century long dialogue among scientists theologians scripture scholars and summons the voices of 20th century spiritual heroes contemporary theologians and religion scholars from a variety of traditions and perspectives This accessible but scholarly narrative and robust endnotes make it valuable as a textbook for college level courses on religion and ecology The authors offer fresh insights into Mark s story of the healing ministry of Jesus and his relationships with women including his crushing final encounter with the women who stayed with him to the end and the transformative mission it inspired It raises questions about the gender inequity that persists in organized religion and in the world at large This book examines institutional Christianity s historical failures such as the early abandonment of nonviolence and its tendency to question the validity of scientific discoveries It explores the impact of dispensational theology whose vision of a material world ending in fiery apocalypse produced Christians so focused on the end times that they have scant regard for the sanctity of the Earth It has been said that the Bible is the most purchased and least read book in America This accessible narrative introduces a diverse general audience to the riches of contemporary scripture scholarship the wisdom of cosmological theology and a renewed awareness of the sanctity of all creation

Creation Care Douglas J. Moo, Jonathan A. Moo, 2018-02-27 What does the Bible say about the natural world and its place within God s purpose From Genesis to Revelation the Bible reveals a God whose creative power and loving care embrace all that exists from earth and sky and sea to every creature Yet the significance of the Bible s extensive teaching about the natural world is easily overlooked by Christians accustomed to focusing only on what the Bible says about God s interaction with human beings In Creation Care father and son team Douglas and Jonathan Moo invite readers to open their Bibles afresh to explore a comprehensive biblical theology of creation care as well as a careful analysis of the most up to date scientific data about the state of our world Following the contours of the biblical storyline they uncover answers to questions such as What is the purpose of the non human creation Can a world with things like predators parasites and natural disasters still be the good world described in Genesis 1 What difference does the narrative of the Fall make for humankind s responsibility to rule over other creatures What difference does Jesus make for our understanding of the natural world How does our call to care for creation fit within the hope for a new heaven and a new earth What is unique about Christian creation care compared with other approaches to environmental issues How does creation care fit within the charge to proclaim the gospel and care for the poor Rather than merely offering a response to environmental concerns Creation Care invites readers into a joyful vision of the world as God s creation in which they can rediscover who they truly are as creatures called to love and serve the Creator and to delight in all he has made _____ Part of the Biblical Theology for Life series this practical and robust book will help you develop an effective and faithful Christian response to the scriptural teaching about the created world

Signs of Salvation Anthony M Moore, 2013-09-26 Was Mary Magdalene really mistaken when she took the Risen Lord to be a gardener working near the tomb where Christ was laid after the crucifixion In this compelling volume Anthony M Moore persuasively argues that Jesus must be recognised at atheological level as the Gardener the Creator God Himself The author skilfully examines the strong evidence available to the reader that the narrative material of the Book of Signs John 2 12 together with the High Priestly Prayer of John 17 is deliberately infused with the fundamental theme of creation The first sentence of the Gospel in the beginning meaningfully echoes the start of Genesis and sets the tone for what is to come Creation indicators or leitmotifs which link the signs narratives in the Fourth Gospel to the sequence of the days of creation are unpicked in this volume in a careful survey of the placement of particular nouns and verbs within the narratives and how often they occur Upon these foundations the author builds his strikingly original thesis that each miraculous sign of John 2 12 corresponds to a day of creation and that subtly but unmistakably John intends to reveal Jesus

as the Creator in all His glory A book that offers a novel and enlightening way of reading John s Gospel Signs of Salvation will interest any reader seeking a deeper understanding of a fundamental truth about Christ s nature He is the God of creation at one with and participating in the creative work of the Father **Creation, Matter and the Image of God** Dorothy A.
