**A Virtue Ethical View of Trinitarian Sanctification** Ronald M. Rothenberg, 2014-07-02 The thesis of this book is that virtue ethics is key to understanding Trinitarian progressive sanctification The thesis is supported by four reasons why virtue ethics is key to understanding Trinitarian progressive sanctification 1 the Trinity virtue ethics and sanctification are historically and conceptually interconnected in the tradition and Scripture 2 virtue ethics based on metaphysical realism is the most biblically consistent ethical framework for Trinitarian progressive sanctification 3 Jesus active roles as a teacher and example of virtue play an important part in Trinitarian sanctification and 4 Jesus priestly heavenly intercession aimed at manifesting virtue in believers is crucial to understanding how the Trinity progressively sanctifies believers The active roles of Jesus in sanctification ordered by the Triune premise indicate that the Trinity sanctifies such that 1 the value having its source from the Father is revealed through the teaching of the Son to motivate believers who are empowered to be motivated by the Spirit 2 the character that is from the Father is revealed through the Son's example that is to be imitated by the believer through habituation and reciprocity by the Spirit's leading and 3 believers are led by the Spirit's intercession into prayer Rom 8 14 16 26 27 to be helped through the Son's priestly intercession in order to receive an answer from the Father with the aim of manifesting the virtues of endurance and hope in the lives of believers

**All Things Hold Together in Christ** James K. A. Smith, Michael L. Gulker, 2018-01-02 As Christians engage controversial cultural issues we must remember that all things hold together in Christ Col 1 17 even when it comes to science and faith In this anthology top Christian thinkers including Robert Barron Timothy George Stanley Hauerwas Alasdair MacIntyre Mark Noll and N T Wright invite us to find resources for faithful creative thinking in the riches

of the church's theological heritage and its worship traditions      **Bright Hope** Ted Brackman, 2022-11-04 Hope is not an attitude it's a way of life Therapist Ted Brackman a colleague of Jim Wallis in the early Sojourners community mines psychological theological and sociological insights in this practical and compassionate guide for living well while ill Ted's work was deepened by his eleven years with pancreatic cancer after a nine month prognosis He developed and lived out a way of life animated by hope in the transcendent reality of God's future coming to us in the present In his writing he is an honest inspiring companion for those who struggle to face the next hour with courage and strength for those who feel defeated and need a new way forward that reframes the present for caregivers and advocates who need new tools for replenishing both internal and external resources for communities of faith seeking to bring change to and empowering hope within marginalized populations For all those ready to find a new way of living when false hopes and distractions are stripped away to learn how to build a foundation for personal communal and social thriving Ted Brackman offers Bright Hope

**Untamed Hospitality (The Christian Practice of Everyday Life)** Elizabeth Newman, 2007-04-01 Christian hospitality is more than a well set table pleasant conversation or even inviting people into your home Christian hospitality according to Elizabeth Newman is an extension of how we interact with God It trains us to be capable of welcoming strangers who will challenge us and enhance our lives in unexpected ways readying us to embrace the ultimate stranger God In Untamed Hospitality Newman dispels the modern myths of hospitality as a superficial commodity that can be bought and sold at The Pottery Barn and restores it to its proper place within God's story as displayed most fully in Jesus Christ Worship she says is the believer's participation in divine hospitality a hospitality that cannot be sequestered from our economic political or public lives This in depth study of true hospitality will be of interest to professors students and scholars looking for a fresh take on a timeless subject      Proverbs Paul Koptak, 2014-11-04 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context To bring the ancient messages of the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written      Living Faithfully in a Fragmented World, Second Edition Jonathan R. Wilson, 2010-01-01 The first edition of Living Faithfully in a Fragmented World became one of the founding and guiding texts for new monastic communities In this revised edition Jonathan Wilson focuses more directly on lessons for these communities from Alasdair

MacIntyre's *After Virtue* In the midst of the unsettling cultural shifts from modernity to postmodernity a new monastic movement is arising that strives to be a faithful witness to the gospel These new monastic communities seek to participate in Christ's life in the world and bear witness by learning to live intentionally as the church in Western culture This movement is about finding the church's center in Christ in the midst of a fragmented world overcoming the failure of the Enlightenment project and our complicity with it resisting the temptation to Nietzschean power and building communities of disciples This new edition is greatly enlarged from the original volume It includes responses to critics of the new monasticism such as D A Carson an entirely new chapter on the Nietzschean temptation an afterword on properly understanding the new monastic movement the dangers it faces and the work yet to be done as well as an appendix on the supposed post modern agenda of Jonathan Wilson and Brian McLaren For those striving to understand the path the church should take in this fragmented world this book is essential reading

**The Way of Wisdom** Zondervan, 2011-05-24 Wisdom is supreme therefore get wisdom Though it cost all you have get understanding Proverbs 4:7 NIV When a man's life embodies the pursuit of wisdom it bears among its fruits the deep love and respect of his family friends and colleagues Bruce K Waltke is such a man Wisdom has defined Dr Waltke both as one of his personal qualities and as the core of his many years of biblical study invoking the highest efforts of his formidable intellect and etching itself indelibly on his character In tribute to Dr Waltke we present this collection of writings exploring the wisdom perspective of the Bible The Way of Wisdom displays a level of scholarship and insight in keeping with Bruce Waltke's high academic standards and a breadth of outlook reflective of his own broad grasp of God's Word and its application to all of life May you the reader benefit

**A Faithful Public-Prophetic Witness** Barry K. Morris, 2020-03-20 This book hails from decades of challenging trial and error work abundant reading and an enduring obligation to ministers activists and unsung lay heroes whose legacies matter As there is little that actually addresses the elusive meanings if not the dangers inherent in pursuing alleged spoils of success it is kairos time Seemingly scarce resources and competition to make and maintain ministries in the city challenge those of us in the field or on the sidelines to speak write and communicate clearly and convincingly not only for ourselves and our people past and present but for those who come along soon to receive the baton or wear the mantle Concretely narrated with unique case studies a cast of dozens contribute their earthy earnest testimonies and are at long last energetically affirmed Specifically this work proffers constructive attention to the critical cautions concerning subtle temptations to succeed including commodification cooptation communalism clientelism and cowardice and not bailing on fierce charity justice tensions with benevolence protectively dominant Narrative analysis and biography as theology social ethics biblical theology and recent church history give apt attention to how a compelling case is possible for success if justice is practiced given a hopeful realism and perspective of prophetic eschatology

1, 2, and 3 John Karen H. Jobes, 2014-02-11 Concentrate on the biblical author's message as it unfolds Designed to assist the pastor and Bible teacher in conveying the significance of God's Word the Zondervan Exegetical

Commentary on the New Testament series treats the literary context and structure of every passage of the New Testament book in the original Greek With a unique layout designed to help you comprehend the form and flow of each passage the ZECNT unpacks The key message The author s original translation An exegetical outline Verse by verse commentary Theology in application While primarily designed for those with a basic knowledge of biblical Greek all who strive to understand and teach the New Testament will benefit from the depth format and scholarship of these volumes 1 3 John In her commentary on John s letters Karen H Jobes writes to bridge the distance between academic biblical studies and pastors students and laypeople who are looking for an in depth treatment of the issues raised by these New Testament books She approaches the three letters of John as part of the corpus that includes John s gospel while rejecting an elaborate redactional history of that gospel that implicates the letters Jobes treats three major themes of the letters under the larger rubric of who has the authority to interpret the true significance of Jesus an issue that is pressing in our religiously pluralistic society today with its many voices claiming truth about God

### **The Interface of Science, Theology, and Religion** Dennis

### Pastoral Ethics, Second Edition W. Ross Hastings,2025-08-19

Pastors regularly face concrete ethical questions and they too pursue a moral life In the busyness of ministry it can be tempting to think pragmatically or derive one s ethics from the latest cultural concerns But standard approaches to ethics whether deontological utilitarian or virtue ethical all fall short of being distinctly Christian Ethics ought to be grounded in the gospel and in our triune God In Pastoral Ethics W Ross Hastings provides pastors with an evangelical and trinitarian framework for moral formation and ethical discernment For Hastings ethics must be reclaimed as theological Theology without ethics becomes Gnosticism Ethics without theology leads to legalism and death Christian ethics participates in God s life and God s work This communion with God leads to obedience to his commands as summed up in the Decalogue and over several chapters Hastings provides a rich exposition for pastoral formation Pastors find their identity in God and this inspires right thinking and acting with regard to authority life and death sexuality work and rest speech and desires An approach to ethics that prompts faith hope and love

Pastoral Ethics is an essential guide for Christians in all ministry contexts      *The Intentional Life Series* Ramesh P. Richard, 2004-05-01 This set includes all three books of the Intentional Life Series Soul Passion Soul Mission and Soul Vision Throughout the Ages humanity has pursued the meaning of life However most of us live decidedly arbitrary lives muddling through from day to day In the Intentional Life Series Dr Ramesh Richard who has been called the layman's Ravi Zacharias articulates how a meaningful life must be a truly intentional life comprised of passion mission and vision He believes that in order for us to embody our true selves and become what we were designed to be we must reevaluate that passion mission and vision and conform them to God's will In Soul Passion Richard argues that even though many of us know there must be something more to life we stumble about with undirected goals and undiscovered passion He motivates readers to ask themselves what their passion is where they have placed their heart love trust and sufficiency Discovering your soul passion is the foundation for living a biblically well built and profitable life In Soul Mission Richard explores what it means to have a mission for your life that is in response to God's universal purpose Readers will find themselves deeply challenged to evaluate why they're here and find assistance with developing their own soul mission In Soul Vision Richard closes the trilogy by orienting his readers to the future through guidance from the Divine Visionary      **Mind Your Faith** David A.

Horner, 2011-09-12 For young Christians about to embark on the collegiate experience David Horner provides a guide to thinking as a Christian Carefully exploring how ideas work he gives students essential tools for thinking critically contextually and coherently unpacking worldviews and discerning truth      *God's Good World* Jonathan R. Wilson, 2013-04-15 The doctrine of creation has often been neglected in Christian theology Distinguished evangelical theologian Jonathan Wilson exposes what has been missing in current theological discourse and offers an original constructive work on this doctrine The book unites creation and redemption showing the significance of God's work of creation for understanding the good news of redemption in Jesus Christ Wilson develops a trinitarian account of the life of the world and sets forth how to live wisely hopefully peaceably joyfully and generously in that world He also shows how a mature doctrine of creation can help the church think practically about contemporary issues including creation care sexuality technology food and water and more

**For the Life of the World** Robert J. Dean, 2016-05-13 What is the church What is its mission in the world Modern Protestantism's inability to provide a clear answer to these seemingly simple questions has resulted in vast confusion amongst pastors about the nature of their calling and has left congregations languishing without a clear reason for existence Many of the voices and allegiances competing for the church's attention have rushed in to fill the void with the result that the church in modernity has frequently found itself captive to the prevailing culture Yet from within the belly of highly culturally accommodated churches both the German pastor theologian Dietrich Bonhoeffer and the American theological ethicist Stanley Hauerwas were able to articulate compelling visions of churches freed from their cultural captivity in order to truly and freely serve God and neighbor Against the complex and confusing backdrops of Nazi Germany and late twentieth

and early twenty first century America respectively Bonhoeffer and Hauerwas sought to recover the ethical and political character of the Christian faith through recalling the church back to the christological center of its faith Together they provide a rich set of complementary and at times mutually correcting resources for the contemporary church as it seeks to faithfully bear witness to Christ amidst the ruins of Christendom

**The Way to Love** Matt Boswell, 2018-09-04 Love people An oft proclaimed rallying cry for Christians but what does it look like in practice to love We may believe that love is the greatest 1 Cor 13 13 Love may be our destination But do we know how to get there This book addresses essential questions about the Christian life What is a true compelling and helpful Christian understanding of love What is spiritual growth supposed to do to us or for us or for others through us How can we speak of grace and personal initiative in one theological vision How do we go beyond a spirituality that is either too privatized and insular or too activist without the undergirding character needed to sustain such activism How do we ensure love is not simply a principle we hold or a slogan we applaud but a powerful force that perpetually grows in us and ripples out to others in concrete transformative ways This book is a guide to love Drawing on virtue ethics psychology theology and spirituality it offers a love centered hopeful vision of the Christian spiritual life The story in which God invites us to live is about a journey of love toward love Is this your story

**Living Faithfully in a Fragmented World** Jonathan R. Wilson, 1998-06-01 This book describes several aspects of contemporary culture that create both opportunities and threats to Christian mission It offers insights and practices that the church today must embrace in order to live faithfully and witness effectively to the gospel Following a presentation of the church s history in relation to Western culture several chapters draw upon specific suggestions in Alasdair MacIntyre s After Virtue that we live in a fragmented rather than a pluralistic world how the church has compromised its faithfulness by accommodating the mainstream of morality implications stemming from the collapse of the Enlightenment project and the need for a new monasticism together with forms the life of the church must take to sustain a faithful witness in contemporary culture Jonathan R Wilson is Associate Professor of Systematic Theology and Chair of the Department of Religious Studies Westmont College Santa Barbara CA and the author of Theology as Cultural Critique

**Kingdom Come** Jason Byassee, Jeremy Kidwell, Jonathan Wilson-Hartgrove, Leah Wilson-Hartgrove, 2022-09-19 For four decades the Rev Dr Jonathan R Wilson has cultivated an imagination for kingdom realism as a pastor teacher theologian and friend To celebrate his seventieth birthday Kingdom Come has gathered reflections from fellow theologians popular authors poets and practitioners to mark both the range of Wilson s influence on the Christian church and the consistency of his prayer and work for God s kingdom to come here on earth as it is in heaven With contributions from Isaac Villegas Reggie Williams Willie Jennings Stanley Hauerwas Greg Jones Tim Dickau Chandra Mallampalli Reinhard Hutter Axel Schoeber John Berkman Phil Kenneson AKM Adam Margaret Adam Craig Smith Jen Harvey Jeff Greenman Loren Wilkinson Marilyn McEntyre Anna Robbins Terry Smith Munyamasoko Gato Corneil Mike Pears James Purves Danny Zacharias Mike Swalm Susan Phillips Ross Lockhart Ross
