Make Your Own Waves Gaurav Krishnan,2025-05-28

Blurring myriad life experiences and the knowledge of trailblazers who have blazed the path before him Gaurav Krishnan's *Make Your Own Waves* is a culmination of ideas, experiences, and perspectives that hold transformational power and explore a significant shift in perspective on how to live life and experience it to the fullest. Drawing inspiration from the likes of prominent thinkers and figures like Albert Camus, Charles Bukowski, Immanuel Kant, and Alan Watts, Ramana Maharshi, Jiddu Krishnamurti, Eckhart Tolle, and Steve Jobs, the book is a modern intersection of Western and Eastern thought, philosophy, and exploratory ideas. With each chapter unfolding in a more comprehensive delve into ideas and experiences that can usher a shift of thinking from the usual, it serves as a deeper understanding of the human condition and perspectives that can help you on your way through life's ebbs and flows. *Make Your Own Waves* urges a rethink and serves as a blueprint for the thinkers, creators, and for anybody who wishes to think outside the box to uncover their path to progress, peace, and a deeper connection with themselves and others. It's a modernist reflection on life in the 21st century and how to create a life more attuned with purpose, peace, and fulfillment in 45 thought-provoking perspectives that will set you onward on your journey.

Encyclopedia of Applied Ethics, 2012-01-10 The *Encyclopedia of Applied Ethics*, Second Edition, Four Volume Set addresses both the physiological and the psychological aspects of human behavior. Carefully crafted, well-written, and thoroughly indexed, the encyclopedia helps users, whether they are students just beginning formal study of the broad field or specialists in a branch of psychology, understand the field and how and why humans behave as we do. The work is an all-encompassing reference providing a comprehensive and definitive review of the field. A broad and inclusive table of contents ensures detailed investigation of historical and theoretical material as well as in-depth analysis of current issues. Several disciplines may be involved in applied ethics; one branch of applied ethics, for example, bioethics, is commonly explicated in terms of ethical, legal, social, and philosophical issues. Editor in Chief Ruth Chadwick has put together a group of leading contributors ranging from philosophers to practitioners in the particular fields in question to academics from disciplines such as law and economics. The 376 chapters are divided into 4 volumes, each chapter falling into a subject category including Applied Ethics, Bioethics, Computers and Information Management, Economics, Business, Environmental Ethics, Ethics and Politics, Legal, Medical Ethics, Philosophy, Theories, Social, and Social Media. Concise entries, ten pages on average, provide foundational knowledge of the field. Each article will feature suggested readings pointing readers to additional sources for more information, a list of related websites, a 5-10 word glossary, and a definition paragraph and cross-references to related articles in the encyclopedia. Newly expanded editorial board and a host of international contributors from the US, Australia, Belgium, Canada, France, Germany, Ireland, Israel, Japan, Sweden, and the United Kingdom. The 376 chapters are divided into 4 volumes, each chapter falling into a subject category including Applied Ethics, Bioethics, Computers and Information Management, Economics, Business, Environmental Ethics, Ethics and Politics, Legal, Medical Ethics, Philosophy, Theories, Social

Autry, Peter Roy, 2006-12-26 There are a thousand acts of duplicity and dishonesty every day some large and some small some of which undoubtedly take place in your workplace The question for all of us is Are we going to resist or just play along the path of least resistance The first hard choice a person of integrity must make is to choose to live both personally and professionally in a way that embodies integrity The power of this book comes from the real life in the workplace experiences that these executives have been so generously willing to share None had easy choices but that's the point Integrity is not about easy choices it's about the courage to make the right choices From *The Book of Hard Choices* All of us like to think that in any given situation we'd act with integrity and do the right thing But what happens when we get to work each morning Do the same rules we follow in our personal lives apply to our work lives The lines between right and wrong become blurred when we must weigh our obligations to our employer against our own ideas about what is right and wrong Should altruism trump profit even to the detriment of the organization When should you step in to protect an employee and when should the employee be left to take the heat If the CEO is up to some unethical accounting should you always risk your job and the company's reputation to sound the alarm These are the hard choices the dilemmas that put your integrity to the test and require you to look beyond organizational policy and industry precedents to find an answer that reflects your personal sense of justice *The Book of Hard Choices* goes to the heart of these difficult decisions James Autry and Peter Roy experienced executives themselves interviewed numerous leaders about the tough decisions they've made on the job They spoke with people like former Starbucks president Howard Behar Iowa Cubs owner Michael Gartner and Governor Tom Vilsack of Iowa as well as entrepreneurs military officials members of the clergy and a whole host of leaders The authors dig into the thinking process these people went through as well as the emotional strain the self doubt and the fear of a wrong decision's impact on their business family or coworkers Not everyone in this book made the right choice but all of them were forced to examine their values and make decisions in complicated circumstances The result is hard won wisdom on how to navigate the ethical gray areas of work life from daily challenges to possible career ending choices and make the best possible decisions in the most difficult situations *Keepers of the Children* Laura M. Ramirez, 2004 *Keepers of the Children* subtitle Native American Wisdom and Parenting uses little known Native American secrets to teach parents how to raise children who know their nature and use their strengths to create lives of meaning and contribution By raising children to unfold the uniqueness in their hearts parents touch the depths of their own By teaching children the secrets of genuine fulfillment they grow up to lead purposeful lives and cherish their parents for this gift *Keepers of the Children* is the first in a trilogy of parenting books **GRIT 4 LIFE** David Douglas, The book is a daily devotion for those who wish to change the

relationship they have with their life It was originally designed for use within an addiction recovery facility We found that many others were improving the quality of their life through these God inspired devotions They are simply written and easy to understand therefore easily applied to your life If we allow God into our lives He will help us with our Relationships Living in God s will for our lives gives us the Integrity to walk through life with our head held high And last but not least we need to find the Truth We must put in the work to find the Truth and stop accepting what the world tells us We can use this G R I T FILTER to help us on the journey of changing the relationship we have with our lives By asking four simple questions we can avoid many of the potholes of life Those four questions are Have I invited God into my decision process How will my decision affect my Relationships What will my decision do to my Integrity Have I done the research and found the Truth before I react Living a life with G R I T will give you joy as you Transform the relationship you have with your life If you believe you have a terrible life it will be terrible If you work to change your outlook and become grateful for what you have every day becomes a blessing It is my sincere hope that these devotional messages will be a blessing to you as you start to live with G R I T

The Top Books of the Year Good People Tough Choices Making The Right Decisions Every Day The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
