Quigley a medium shares more of her trademark clarity and guidance from the Spirit **The New Orleans of Fiction** James
A. Kaser,2014-07-29 The importance of New Orleans in American culture has made the city s place in the American
imagination a crucial topic for literary scholars and cultural historians While databases of bibliographical information on New
Orleans centered fiction are available they are of little use to scholars researching works written before the 1980s In *The
New Orleans of Fiction A Research Guide* James A Kaser provides detailed synopses for more than 500 works of fiction
significantly set in New Orleans and published between 1836 and 1980 The synopses include plot summaries names of major
characters and an indication of physical settings An appendix provides bibliographical information for works dating from
1981 well into the 21st century while a biographical section provides basic information about the authors some of whom are
obscure and would be difficult to find in other sources Written to assist researchers in locating works of fiction for analysis
the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies i e class
ethnicity gender immigrant experience and race The book is also a useful reader advisory tool for librarians and readers who
want to identify materials for leisure reading particularly since genre juvenile and young adult fiction as well as literary
fiction are included **The Booklover's Guide to New Orleans** Susan Larson,2013-09-05 The literary tradition of New
Orleans spans centuries and touches every genre its living heritage winds through storied neighborhoods and is celebrated at
numerous festivals across the city For booklovers a visit to the Big Easy isn t complete without whiling away the hours in an
antiquarian bookstore in the French Quarter or stepping out on a literary walking tour Perhaps only among the oak lined
avenues Creole town houses and famed hotels of New Orleans can the lust of *A Streetcar Named Desire* the zaniness of *A
Confederacy of Dunces* the chill of *Interview with the Vampire* and the heartbreak of Walker Percy s *Moviegoer* begin to
resonate Susan Larson s revised and updated edition of *The Booklover s Guide to New Orleans* not only explores the legacy
of Tennessee Williams and William Faulkner but also visits the haunts of celebrated writers of today including Anne Rice and
James Lee Burke This definitive guide provides a key to the books authors festivals stores and famed addresses that make the
Crescent City a literary destination More Friends Than You Know Lynn Quigley,2007 A down to earth inspirational
moving and frequently humorous story of a developing medium as experienced by one ordinary woman It is the story of a
young girl growing up into adulthood with all the joy happiness heartache and pain that physical life brings Interspersed
within the book *More Friends Than You Know* is a story of early Spiritual awareness You will learn about the method Spirit

Farewell My Beloved, Goodbye Dear Leader Brigitte M. Wareham,2024-04-26 The only certainty in life is death Even the most powerful leaders throughout history were unable to cheat the Grim Reaper World leaders whether revered or reviled are rarely allowed to exit gracefully from life but instead receive a state funeral a major international event incorporating splendid symbols and messages religious faith and tradition The body of Tsar Alexander III was carried across half of Russia before finally being buried in St Petersburg People paid obscene amounts of money for a room that gave a glimpse of Queen Victoria s fascinating State funeral The cort ge for China s Empress Dowager Cixi was not to be photographed nevertheless photos showed up a century later For political reasons Generalissimo Franco s body was exhumed decades after his death The world became acquainted with a rather unusual ancient Roman Catholic ritual when Pope John Paul I died The body of India s Indira Gandhi was confined to sacred flames The last journey of Marshal Tito turned into an event of Funeral Diplomacy whilst Khomeini s funeral ended in frenzy and tumult In 2021 the massive restrictions imposed due to the Covid 19 pandemic meant a rigid downsizing of Prince Philip s funeral hardly any guests were allowed to attend This revealing and entertaining book provides an insight into unique obsequies from across the world seen as both a celebration of life and the honouring of death

The Rushing Don Alberts,2010-05-17 The tough sub culture of drugs and the 60 s and the jazz experience And now it flows the trickle of conscious participation as rivers flow to the cold pristine mix of the sea and as the earth bleeds openly for brother and son so goes the madness so goes the war un won so goes the man undone and so goes the Rushing The love of life propelled by music and the mounting struggle with self control and addiction the inner conflict of the heart and the tempting pangs of oblivion Into the catacombs the dark desperation of the heroin addict Louis Parker assailed by a power beyond his control never lost site of his dream believing that no matter what he would somehow find his way find the path that would lead him back to the music and playing jazz The inspiring story of the tough underground of drugs and jazz music in the 60 s and the Crooked Road to the Big Time Through the depths of heroin addiction and jazz music one man made it back and survived Find out how he did it
