The Change Krissy Jankowski,2013-05 In the deep dark day of night Kim and Chloe pause from the shrieking coming from within the woods Curiosity rises from within them as they stroll into the woods that greet them with open arms Little do they know they have sealed their fate They entered a realm of werewolves and vampires Kim now a vampire Chloe a

werewolf how will this affect their friendship Will they pull through or let these new changes destroy what they have With darkness at every corner Chloe and Kim must find their outlet The woods become their new home as they are thrown into this unrealistic world What will these girls have to go through How will they manage in this world and what will come of the world they used to know "William Reid Dick, Sculptor " Dennis Wardleworth,2017-07-05 William Reid Dick 1878 1961 was one of a generation of British sculptors air brushed out of art history by the Modernist critics of the late twentieth century This long overdue monograph adds to the recent revival of interest in this group of forgotten sculptors by describing the life and work of arguably the leading figure of the group in unprecedented depth The facts of Reid Dick s life and his most important works are presented against a backdrop of the historical social and aesthetic changes taking place during his lifetime Dennis Wardleworth elucidates why Reid Dick s reputation plummeted so quickly and why his position in the history of British art deserves to be restored This study draws upon a wealth of previously unpublished material including over 2000 letters and press cuttings and photographs in the Tate Archive as well as letters and photographs held by Reid Dick s family It traces the sculptor s story from his birth in the Gorbals in Glasgow to his election to the Royal Academy and knighting by George V to the decline of his career and his late life connection with American millionaire and art collector Huntington Hartford The first monograph on Reid Dick since 1945 the book also includes images of over 40 of his works and a listing of over 200 works identified by the author Prisoner Without A Crime Jack Jennings,2011-11-20 Jack Jennings a carpenter by trade was called upon to use his skills in the most harrowing of circumstances Captured by the Japanese at Singapore he was forced to work in slave like conditions on the notorious Death Railway He was fortunate enough to survive the horrors of working in the inhospitable jungles of Siam This is his story told in his words **Sun King's Counsellor, Cecil Harwood** Simon Blaxland-de Lange,2021-04-28 He Harwood is the sole Horatio known to me in this age of Hamlets C S Lewis from Surprised by Joy Cecil Harwood 1898 1975 lecturer Waldorf teacher writer editor and anthroposophist pioneered and developed the first Rudolf Steiner Waldorf school in the United Kingdom the New School in London now Michael Hall School in Sussex He also led the Anthroposophical Society in Great Britain for some 37 years In 1922 at the age of 24 Harwood attended a festival of English folk song and dance in Cornwall alongside his life long friend Owen Barfield It was here and not in the academic citadel of Oxford University where they were both part of the literary circle known as the Inklings that Harwood and Barfield were to encounter the work of Rudolf Steiner through meeting Daphne Olivier Sun King s Counsellor provides an intricate picture of the human connections cultural movements and spiritual background that contributed to what came together in Cornwall in 1922 leading to Harwood s life s work Featuring a colour plate section and full index it documents Harwood s early years and antecedents marriages to Daphne Olivier and Margaret Lundgren friendships with Barfield and C S Lewis his life changing meeting with anthroposophy and Rudolf Steiner teaching and educational work and Harwood s critical role in healing divisions within the Anthroposophical Society Based on extensive research of primary
