## **Goodbye Saigon:**

Goodbye, Lark Lovejoy Kris Clink, 2025-07-30 For readers of Katherine Center and Kristan Higgins an immersive soul nourishing novel that dares to hold onto hope when happily ever after seems lost Full of character wit and wisdom Goodbye Lark Lovejoy explores second chances and the power of connection Lark s lost her husband and the expiration date has come and gone on her fake it till you make it Happy Mommy Show Healing her broken family requires drastic measures like returning to her hometown in the Texas Hill Country But she s going to need more than clean air and a pastoral landscape to rebuild a life for her and her young sons After years of putting off her dream of becoming a winemaker Lark puts every cent into a failing vineyard determined to work through her grief and make a brighter future for her children The last thing she expects is to fall in love again Especially not with Wyatt Gifford an injured Army vet with a past of his own to conquer Coming home may not be the reset Lark imagined but it does take her on a journey filled with humor and reconciliation one that prepares her for a courageous comeback

**House of Glass** Yao Souchou, 2003-08-01 Drawing on critical theory and post modernism this book argues for a new strategy for writing about the social and cultural experiences of living in modern Southeast Asian states Contributors many of whom work in universities in the region question the processes of cultural transformation under conditions of globalization and rapid economic and political change By paying attention to the specificity of what is taking place in the particular state the book questions the conventional narratives of developmentalism and state sponsored national peace as they are understood in Southeast Asia and shows how such understanding can be made and unmade

*The Principal's Daughter* Russ Katz, 2021-06-01 At just ten years old playing in the lush trees starting mischief with the boys Kim loved her family and friends the sounds of the market the tastes of the foods she enjoyed life and wished it would never change What she didn t know yet was all that she loved was about to be torn from her prying fists Wake up wake up her sister yelled shaking her Looking out the window behind their bed Vi t C ng marched just a hundred meters from her home just outside Saigon Pop pop pop pop gunshots from the AK 47 s jolted their muscles as a full scale attack on the American Army base began Their small home caught in the crossfire they spent the night of T t the 1968 New Year in the safety of a small dark makeshift cellar The war finally came to an emotionally sad ending the streets in crisis people fleeing by the thousands The North Vietnamese Army declared victory renaming Saigon to Ho Chi Minh City April 30th 1975 this was a day that will change Kim s life forever Forced into oppressive Communist life was hard and depressing Kim s dreams of an education in America were crushed her husband taken to prison her brother in law taken to a reeducation camp their family business ransacked and closed by the police food became scarce money even worse Stories of boat people attempting escape caught her attention Such sad stories though a coworker captured by pirates beaten and then tossed to the sea to die A mother losing her children drowning in the seas The list goes on but her desire for freedom outweighed the risks In less than a year she found herself being stuffed into a hidden compartment at the bottom of a small wooden fishing

boat with many other desperate souls seeking freedom The darkness rancid smells and thick air choked her lungs Cramped her body ached and below her waist was all but numb Without warning the diesel engine kicked up louder and the boat started moving faster Pah pah pah pah pah she heard in rapid succession Bullets pinged off the side of the vessel splintering the wood through to the cabin Still the boat did not slow Again Pah pah pah pah pah The sounds of bullets hitting the side of the boat echoed in her ears Everyone jumped The engines kicked off and the boat came to a dead stop Oh my god they already caught us Falling over into the dirty sea ridden floor of the boat fish juice mixed with unthinkable bodily fluids washed back and forth around her face Reaching her hand to her side feeling a sharp searing pain It was wet blood was everywhere The shimmering brilliant lights of the spot lights and yelling faded into the background as her head became light dizzy as everything went black

Book Review 1 I knew little about Vietnam other than living through the war myself I watched the protests here at home and lost friends over there One of my favorite movies remains The Killing Fields about the journalist Sydney Schanberg and his friend Dith Pran While that movie is primarily about Cambodia I believe much applies to Vietnam as well This book opened my eyes to a whole new facet of the Vietnam war the people the villagers who had to live through it not only when the US pulled out but for years after as well It is a well written and thoughtful accounting of the day to day life of one young woman Her terror and hardships were heart wrenching If you d like a down to earth account of the war this is the book for you No who is right or wrong just what was the reality for one woman I would like to read more from Russ Katz Thank you to Netgalley and Dog Ear Publishing for allowing me the opportunity to read this book

NetGalley Book review 2 This manuscript tells an extraordinary story a story that deserves to be told to as many people as want to know about it And there are many facets of the present draft of The Principal s Daughter that are very very well done indeed It is up to a point very effectively put together The material is rich that characters are vivid and the narrative itself is riveting and moving Whatever you do with this keep Kim s spirit alive She is a Personage You are lucky to know her I am lucky to know something about her now That character that family that place in the mango trees magic You got yourself a million acres of magic here pal Don t screw it up You won t because you know it s magic I don t think I ve ever read a piece of prose that so galvanized my attention

Kevin Anderson Associates Book Review 3 This was a fantastic story about an inspirational woman Kim who lives during the Vietnam war and experiences not only their quest for freedom but also her own Kim is a resilient soul whose dreams are destroyed and it is up to her bravery and hope to remake them This is not a typical story and it is one that will both teach you something about Vietnam and touch your heart Rich in description and food references the world comes alive and while we will never be able to know these experiences we begin to get a glimmer of these moments both good and bad

Notes I loved the book I will be posting a review on my blog utopia state of mind com on December 7th and will update this review when it goes live Additionally I will be posting my review on Netgalley within the next two days from now
