Gospels Their Origin Their Growth:

The Gospels Frederick Clifton Grant,1983 **The Composition of John's Gospel** David E. Orton,2024-01-08 Readers of the Fourth Gospel have always been moved to the use of superlatives in its exposition The most fascinating of the Gospels in so many ways has been the subject of enquiry by many of the best minds in biblical scholarship in the past decades and this is amply illustrated in the pages of *Novum Testamentum* This selection of essays on John presents a tapestry of critical insights into the origins and composition of the Gospel from the hands of many of the world's leading Johannine scholars writing since the Second World War A number of these articles have been seminal for a generation of scholarship in the field Taken together they constitute a treasury of insights and a representative grounding in the critical study of the Gospel since Bultmann

HOW RELIABLE ARE THE GOSPELS? F. David Farnell,2018-11-13 Was the Gospel of Mark Written First Were the Gospel Writers Plagiarists What is the Q Document What about Document Q Critical Bible scholars have assumed that Matthew and Luke used the book of Mark to compile their Gospels and that they consulted to supplementary source to document the scholars call Q from the German Quelle or source From the close of the first century AD to the 18th century the reliability of the Gospels was never really brought into question However once we have called the period of enlightenment especially from the 19th century onward some critical Bible scholars viewed the Gospels not as the inspired inerrant Word of God but rather as the word of man and a jumbled word at that In addition they determined that the Gospels were not written by Matthew Mark Luke and John saying the Gospels were written after the apostles denying that the writers of the Gospels had any firsthand knowledge of Jesus Therefore for these Bible critics such men were unable to offer a record of reliable history Moreover these critical Bible scholars came to the conclusion that the similarities in structure and content in the synoptic similar view Gospels Matthew Mark and Luke suggests that the evangelists copied extensively from one other Further the critical Bible scholars have rejected that the miracles of Jesus and his resurrection have occurred as recorded in the Gospels Lastly some have even gone so far as to reject the historicity of Jesus himself

The Turning Point in the Gospel of Mark Gregg S Morrison,2015-02-26 Based on linguistic and thematic links in the narrative The Turning Point in the Gospel of Mark argues that the twin pericopae of Peter's confession 8:27-38 and the Transfiguration 9:2-13 together function as the turning point of the Gospel and serve in a Janus like manner enabling the reader to see the author's main focus the identity of Jesus and the significance of that reality for his disciples Peter's confession of Jesus as Messiah faces backward toward the Prologue 1:1-13 and functions as a mid course conclusion The declaration by God on the mountain faces forward and foreshadows the end course conclusion 14:61-62 15:39 Son of God Jesus in response teaches that the Son of Man must suffer and die before being raised from the dead 8:31 Christologically the images of Messiah Son of Man and Son of God converge and present Jesus the crucified as king ushering in the kingdom of God in power 9:1 acting as the key

Ahearne-Kroll, 2023 The Oxford Handbook of the Synoptic Gospels presents essays that push the field beyond the Synoptic Problem and theological themes that ignore the particularities of each Gospel The first section explores some of the traditional approaches of literary dependence and engages with alternative ways to understand Synoptic relations while the second section treats a variety of historical literary and cultural phenomena important to the study of these Gospels **The Preacher's Commentary, Complete 35-Volume Set: Genesis - Revelation** Leslie C.
