Wisdom - 5 Tomás Morales y Durán,2020-11-04 Putting an end to suffering for good does not seem like a really desirable goal I have not come to get to this It is not that eradicating suffering is not a noble goal and it can be for many people but it is not my case Practice continues to guide me and I know that I will eventually reach Wisdom even though I don t even know what it is at this moment The special effects are not satisfactory and only serve to certify where I am so far from everyone that the comparisons begin to become too obvious It is at this point that I begin to see that what the entire Buddhist world considers valid and supports many of its postulates are collections of recurring falsehoods that violate logic and the suttas themselves
