Ed Taylor Father Of Migrant Missions:

Ed Taylor Lou Mishler Heath, 1982-01-01 A biography of a mill worker who became a church pastor and eventually developed a ministry of migrant workers William Taylor and the Mapping of the Methodist Missionary Tradition Douglas D. Tzan, 2019-10-16 This book is the first critical biography of William Taylor a nineteenth century American missionary who worked on six continents Following Taylor s global odyssey the volume maps the contours of the Methodist missionary tradition and illumines key historical foundations of contemporary world Christianity A work of social history that places a leading Methodist missionary in the foreground this narrative illustrates distinctive aspects and tensions within Methodist missions such as the importance of doctrines like universal atonement and entire sanctification a deeply pragmatic orientation rooted in God s providence an embrace of both entrepreneurial initiatives and networked connection and the use of revivalism for missionary outreach and leadership development A Virginia native Taylor became a Methodist preacher and missionary in California This volume provides an important narrative account of Taylor s career as an itinerant revivalist and popular author in which he toured the eastern United States the British Isles and Australasia Taylor s participation in the South African revival made him an evangelical celebrity The author also follows Taylor s important visits to India and South America where he initiated new Methodist missions in those contexts and pioneered the concept of tentmaking missions In 1884 Taylor was elected missionary bishop of Africa by his church By the end of his life Taylor had recruited or inspired hundreds of Methodists to become foreign missionaries *Southern Baptist Periodical Index* ,1981 **Missions, Mantras, Migrants and Microchips** Leonard A Gordon, 2025-04-10 The fame of people like Priyanka Chopra Satya Nadella Sundar Pichai Kumail Nanjiani Indra Nooyi Mindy Kaling M Night Shyamalan Tata Consultancy Services TCS sponsorship of the New York City Marathon the ubiquitousness of Indian restaurants and yoga studios in many American cities and much else illustrates the close relationship the US and India enjoy today From the 1780s onwards there have been relationships of various kinds all mediated until India s independence through the British Raj While ties in the eighteenth and nineteenth centuries were somewhat thin the closer relationship through three quarters of the twentieth century has now become an extremely close one as India has sent large rivers of people and goods to America and Americans have responded with growing interest and involvement in India This despite occasional blips like the Bhopal industrial disaster *Missions Mantras Migrants and Microchips* takes the long view of the Indo US encounter Besides documenting well known ties it also brings into focus some ignored and forgotten people like Kumar Goshal Ida Scudder Charles Page Perin John Bissell and Maharishi Mahesh Yogi Deeply researched and engagingly written by veteran historian Leonard A Gordon this work is the definitive account of the Indo US connection **Mission on the Road to Emmaus** Cathy Ross ,Stephen B. Bevans ,2015-09-30 The contributors in this collection of essays consider mission through the lens of prophetic dialogue They attempt to bring a fresh approach introducing some newer themes and bringing a different perspective on some older themes by examining in a

theological rather than issues based way Aimed at scholars and students of missiology in the UK the US and worldwide it is also a contribution to the study of world Christianity and contextual theology **The Migration Conference 2020**
