Eddie Longpants:

Eddie Longpants, 2005 Every day at school students find new ways to bully a very tall classmate until one day when the teasers learn that being big is not so bad after all especially when you have a big heart **Stories for Every Classroom** Beverly A. Brenna, 2015 Academic study of children's literature has explored various aspects of diversity however little research has examined Canadian books that portray characters with disabilities This relevant and timely text addresses the significant dearth of research by exploring the treatment of disability in Canadian literature for young people Engaging and highly accessible this text will assist teachers teacher educators and teacher candidates in finding and using books about characters where disability is a part of their characterization supporting the development of curricula that reflect critical literacy and social justice issues Stories for Every Classroom explores the historical patterns and trends theoretical frameworks and critical literacy methods used to understand and teach children's literature and its portrayal of characters with disabilities It provides educators with curriculum ideas and enriches the body of resources shared with children in K 12 settings for the purposes of developing imagination empathy and understanding of self and others Featuring author portraits comprehensive annotated bibliographies of contemporary Canadian children's books that depict characters with disabilities and read on bibliographies that provide connections with other books in the field this unique text will be an invaluable A to Zoo Rebecca L. Thomas, 2018-06-21 Whether used for thematic story times program and curriculum planning readers advisory or collection development this updated edition of the well known companion makes finding the right picture books for your library a breeze Generations of savvy librarians and educators have relied on this detailed subject guide to children's picture books for all aspects of children's services and this new edition does not disappoint Covering more than 18 000 books published through 2017 it empowers users to identify current and classic titles on topics ranging from apples to zebras Organized simply with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically this reference applies more than 1 200 intuitive as opposed to formal catalog subject terms to children's picture books making it both a comprehensive and user friendly resource that is accessible to parents and teachers as well as librarians It can be used to identify titles to fill in gaps in library collections to find books on particular topics for young readers to help teachers locate titles to support lessons or to design thematic programs and story times Title and illustrator indexes in addition to a bibliographic guide arranged alphabetically by author name further extend Teaching with Books that Heal Patricia L. Kolencik, Carianne Bernadowski, 2007-05-31 Help children learn access to titles coping skills through literature This book answers the often repeated question Is there a children s book I can read in my classroom to give children insight into significant life events Literature ideas and activities help students cope with real life situations such as bullying that interfere with school This book will assist educators in guiding and nurturing children s special issues and concerns with outstanding ready to go reading and writing lessons This professional resource for K 6

educators and parents uses literature with identifiable characters to help children who are facing challenges in their lives Like bullying peer acceptance peer pressure and being different as well as family situations such as death divorce adoption and sibling rivalry School Crisis Response Jeffrey C. Roth,2022-10-14 School Crisis Response introduces a unique educational approach that provides compelling scenarios for the development of school crisis responders There are many books describing the how to of school crisis response but few describe the thoughts and emotions to help guide the application of skills learned This book provides narratives about traumatic events to supplement concepts with lessons from actual crises The author documents the perspective of a team leader vividly illustrating real events to confront the challenges decisions and problem solving demanded to effectively stabilize emotional reactions ameliorate trauma and support resilience and recovery While encouraging reflection educating and strengthening new and experienced responders this book celebrates the vital work of school psychologists counselors administrators teachers social workers and nurses who provide extraordinary service under the most difficult circumstances It combines an intellectual evidence based in the head understanding of how to do crisis response with an emotional empathetic in the heart understanding of how it feels to do it

Powerful Understanding Adrienne Gear, 2018-02-08 Powerful Understanding explores effective ways to build social emotional skills and help students make connections question what they read and reflect on their learning as they develop into stronger readers and learners Lessons based in both strategic and critical thinking revolve around core anchor books that help integrate inquiry into everything you teach from social responsibility to immigration to life cycles This highly readable book includes a wealth of classroom examples and extensive hands on activities designed to help students to think more deeply learn more widely and develop a more powerful understanding of what it means to be a responsible and compassionate person My Zombie John M. Bowe, 2019-03-21 In 2028 Earth was decimated by the great zombie invasion when a virus and then contamination struck the earth The virus started in the Eastern European countries by first striking all military and all law enforcement agencies With no one to protect the general population the contamination spread quickly and devastated the population The military and law enforcement agencies in Eastern European countries blamed the virus on a mandatory vaccine that was administered to them by their respective governments The politicians of the governments blamed the contamination on terrorists The contamination spread quickly throughout the region and then spread quickly to other continents Asia Australia Africa and even Antarctica The military and law enforcement agencies in North and South America prevented the contamination from spreading It did hurt major cities in those continents before it was eradicated There was only minor damaged economically to the Western hemisphere but damage to the rest of the world was devastating In 2031 the Panzer Pharmaceutical Company developed an antidote called Erzombie that could tame zombies and not spread contamination to humans Planet Earth had a decision to make to either exterminate or domesticate the zombies School Library Journal ,2005 Bones of Paradise Jane Lasswell Hoff, 2015-12-01 Even in paradise people do die And it s the job
