

RECORDED BOOKS UNABRIDGED

EDDIE'S BASTARD

William Somerset Maugham's *Eddie's Bastard* is a strong and moving work of contemporary literary fiction. Following on the heels of *The Razor's Edge*, *The Moon and Sixpence*, and *Of Human Bondage*, Maugham takes readers to the heart of family and society.

The story of a man's great discovery on the shores of Lake Tanganyika through the misadventure of William Henry Maugham, Jr. Known as Eddie, he also known as "Eddie's Bastard" since his illegitimate mother barely called the name of Maugham. But this was before the *Literary Digest* of 1910. Before the literary was his and the name was dead. According to his personal grandfather Thomas, a hard drinking man and woman too Maugham also. He is destined to reveal the glory and grace of the family.

Built with humor and precision, *Eddie's Bastard* is a truly magnificent work from the first paragraph onward. This book's author's unapologetic working knowledge of the great men of literature and place, both real and unreal, in the early 20th century.

Thomas Huchingson is an actor who has appeared on regional and larger stages in numerous plays, including Tennessee Williams' *Camino Real* and *The Glass Menagerie*, and as *Archie* in *The Kill* at Shakespeare. He is frequently on Broadway and has credits in many television shows and movies. As a narrator, his generous, expressive voice lends itself to a wide variety of genres and styles. According to *Audiophile*, "Huchingson's voice is natural and convincing." His "solid and vigorous style adds a dimension of realism and depth," says *Audiophile*.
