Edible Woman:

The Edible Woman Margaret Atwood, 2010-12-10 Marian has a problem A willing member of the consumer society in which she lives she suddenly finds herself identifying with the things being consumed She can cope with her tidy minded fianc Peter who likes shooting rabbits She can cope with her job in market research and the antics of her roommate She can even cope with Duncan a graduate student who seems to prefer laundromats to women But not being able to eat is a different matter Steak was the first to go Then lamb pork and the rest Next came her incapacity to face an egg Vegetables were the final straw But Marian has her reasons and what happens next provides an unusual solution Witty subversive hilarious The Edible Woman is dazzling and utterly original It is Margaret Atwood s brilliant first novel and the book that introduced her as a consummate observer of the ironies and absurdities of modern life *The Edible Woman* Margaret Atwood, 1969 What happens to someone who has been a willing member of consumer society and the suddenly finds herself identifying with the things consumed **Introducing Margaret Atwood's The Edible Woman** W. J. Keith, 1989 **The Edible Woman** Dave Carley, 2002 Margaret Atwood s internationally renowned first novel has been brilliantly adapted for stage by playwright Dave Carley With wit affection and dollops of irony The Edible Woman traces the journey of Marian a young woman who has embraced the consumer society Marian has a good job a handsome lawyer fianc and a conventionally bright future But slowly Marian s consumer world starts slipping out of focus as she begins instead to identify with the things consumed Compounding Marian s confusion is her newly pregnant roommate her incensed landlady and that strange young man she just kissed at the laundromat **Margaret Atwood and the Female Bildungsroman** Ellen McWilliams, 2017-03-02 Examining Margaret Atwood s work in the context of the complex history of the Bildungsroman Ellen McWilliams explores how the genre has been appropriated by women writers in the second half of the twentieth century She demonstrates that Atwood s early work her own coming of age fiction including unpublished works as well as The Edible Woman Surfacing and Lady Oracle both engages with and works against the paradigms of identity which are traditionally associated with the genre Making extensive use of unpublished manuscripts in the Atwood Collection at the University of Toronto McWilliams uncovers influences that shaped Atwood s fashioning of identity in her early novels paying particular attention to Atwood s preoccupation with survival as a key symbol of Canadian literature culture and identity She also considers the genre s afterlife on display in Cat s Eye The Robber Bride Alias Grace The Blind Assassin and Moral Disorder in which the formulations of selfhood and identity in Atwood s early fiction are revisited and developed Atwood emerges as a writer who self consciously invokes and then undercuts the traditions of the Bildungsroman a turn that may be read as a means of at once interrogating and perpetuating the form McWilliams s book furthers our understanding of subjectivity in Atwood s fiction and contributes to ongoing conversations about the role gender and cultural contexts play in reframing generic boundaries **The Edible Woman : Notes** Elspeth Cameron, Margaret Atwood, 1998-09 **Cooking by the Book**

Mary Anne Schofield, 1989 The essays collected here explore the power and sensuality that food engenders within literature The book permits the reader to sample food as a rhetorical structure one that allows the individual writers to articulate the abstract concepts in a medium that is readily understandable The second part of *Cooking by the Book* turns to the more diverse food rhetorics of the marketplace What for example is the fast food rhetoric Why are there so many eating disorders in our society Is it possible to teach philosophy through cookery How long has vegetarianism been popular
