Edmund Wilson The Man And His Work:

Edmund Wilson John Wain,1978-01-01 **Encyclopedia of the Essay** Tracy Chevalier,2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies

Reader's Guide to Literature in English Mark Hawkins-Dady,2012-12-06 Reader's Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study *The 20th Century O-Z* Frank N. Magill,2013-05-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography **Edmund Wilson, the Man in Letters** Edmund Wilson,2001 Here for the first time in print is Wilson's personal correspondence to his parents lovers and wives children literary comrades and friends from the different corners of his life Various writers and thinkers including Lionel Trilling Cyril Connolly and Isaiah Berlin take their places alongside upstate New York neighbors in this gallery of letters that extends from the teens to the early 1970s These letters complete the picture of Wilson the man offering unguarded moments and flinty opinions that enrich our

understanding of a complex and troubled personality Four times married and many times in love traveling through Depression America the USSR postwar Europe the Middle East and Haiti and writing on a Balzacian scale Wilson as a correspondent reveals the exhilaration and chaos of being himself **The Cambridge History of Literary Criticism:**

Volume 7, Modernism and the New Criticism George Alexander Kennedy,1989 The history of the most hotly debated areas of literary theory including structuralism and deconstruction Edmund Wilson Lewis M. Dabney,2014-07-14 Edmund Wilson helped shape American letters from the early 1920's through the mid 60s He remains a presence in our literary culture and his accounts of art and society have influenced a younger generation of readers and thinkers This vibrant collection emerges from symposiums held at the Mercantile Library and at Princeton University in 1995 Wilson's centennial year At these occasions prominent critics literary journalists and historians aired a variety of points of view about his work

and personality Assembled and edited by Lewis Dabney this book shows new intellectual voices interacting with veterans who knew Wilson and his times In the first part Morris Dickstein Jason Epstein Barbara Epstein David Bromwich Jed Perl and Mark Krupnick comment on Wilson s development as a critic his faith in reason and his personal romanticism his version of modernism and eclectic interest in the arts as well as the sources of his later writing about Judaism In the second section a reading of the journals from The Twenties to The Sixties by Neale Reinitz and a chapter from Dabney s biography in progress lead to the reminiscences of Elizabeth Hardwick Jason Epstein Mary Meigs Roger Straus and Alfred Kazin as well as Michael C D Macdonald the son of family friends and the Dead Sea Scrolls scholar James Sanders giving an authentic sense of Wilson s place in the literary life Two of his important works the study of the Marxist intellectual tradition in *To the Finland Station* and of Civil War literature in *Patriotic Gore* anchor the discussion in the third part Here David Remnick and Daniel Aaron debate his radical commitment joined by Arthur Schlesinger and others in a vigorous exchange and Randall Kennedy s attack on Wilson s neglect of nineteenth century black writers provokes a response from Toni Morrison Instructive essays by Andrew Delbanco and Louis Menand and discerning comments by Paul Berman and Sean Wilentz round out the volume Originally published in 1997 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Edmund Wilson's America* George H.

Douglas, 2021-11-21 When Edmund Wilson died in 1972 he was widely acclaimed as one of America s great literary critics But it was often forgotten by many of his admirers that he was also a brilliant and penetrating critic of American life In a literary career spanning half a century Wilson commented on nearly every aspect of the American experience and he produced a body of work on the subject that rivals those of Tocqueville and Henry Adams In this book George H Douglas has distilled the essence from Wilson s many writings on America An active reporter and journalist as much as a scholar Wilson ranged from Harding to Nixon from bathtub gin to marijuana Douglas here surveys Wilson s mordant observations on the roaring twenties the Great Depression income tax suburbia sex populist politics the Vietnam War the Great Society the failure of American scholarship pollution of the landscape and the breakdown of traditional American values The Wilson who emerges from this survey is a historical writer with deep and unshakable roots in Jeffersonian democracy Among his most far seeing and poignant books are studies of the literature of the American Civil War and of the treatment of the American Indian Pained by the crumbling moral order Wilson was never completely at home in the twentieth century In politics he was neither a liberal nor a conservative as those terms are understood today He endured those ideologies and their adherents but his genius was that he could bring them into hard focus from the perspective of the traditional American individualist who was

too pained to accept the standardized commercial world that had grown up around him Edmund Wilson's *America* offers a distinctive overview of the nation's life and culture as seen and judged by its leading man of letters *Thinkers of the Twentieth Century* Roland Turner, 1987 Major thinkers in various intellectual disciplines are featured in *Thinkers of the Twentieth Century* Your patrons will find this guide a perfect start to their studies on 450 intellectuals from philosophy theology literary criticism aesthetics history social sciences politics and the sciences Entries are divided into two parts Part One includes a biography complete bibliography and reading list of the major books and articles written about the entrant Part Two consists of an extended 1 000 to 3 000 word essay on the entrant These essays explain in clear comprehensible language the work of the entrant and his/her influence on the intellectual of the 20th century *Angus Wilson and His Works* S.S. Agarwalla, 1996-07 *Edmund Wilson* Lewis M. Dabney, 2005-08-03 From the Jazz Age through the McCarthy era Edmund Wilson 1895-1972 stood at the center of the American cultural scene In his own youth a crucial champion of the young Ernest Hemingway and F Scott Fitzgerald Wilson went on to write three classics of literary and intellectual history *Axel's Castle* *To the Finland Station* and *Patriotic Gore* searching reportage and criticism that has outlasted many of its subjects Wilson documented his unruly private life a formative love affair with Edna St Vincent Millay a tempestuous marriage to Mary McCarthy and volatile friendships with Fitzgerald and Vladimir Nabokov among others in openly erotic fiction and journals but Lewis Dabney is the first writer to integrate the life and work Dabney traces the critic's intellectual development from son of small town New Jersey gentry to America's last great renaissance man a deep commentator on everything from the Russian classics to Native American rituals to the Dead Sea Scrolls Along the way Dabney shows why Wilson was and has remained in his cosmopolitanism and trenchant nonconformity a model for young writers and intellectuals as well as the favorite critic of the general reader Edmund Wilson will be recognized as the lasting biography of this brilliant man whose life reflected so much of the cultural social and human experience of a turbulent century

University of Virginia Magazine , 1923 **Congressional Record** United States. Congress, 1972 **The New York Intellectuals, Thirtieth Anniversary Edition** Alan M. Wald, 2017-10-10 For a generation Alan M Wald's *The New York Intellectuals* has stood as the authoritative account of an often misunderstood chapter in the history of a celebrated tradition among literary radicals in the United States His passionate investigation of over half a century of dissident Marxist thought Jewish internationalism fervent political activism and the complex art of the literary imagination is enriched by more than one hundred personal interviews unparalleled primary research and critical interpretations of novels and short stories depicting the inner lives of committed writers and thinkers Wald's commanding biographical portraits of rebel outsiders who mostly became insiders retains its resonance today and includes commentary on Max Eastman Elliot Cohen Lionel Trilling Sidney Hook Tess Slesinger Philip Rahv Mary McCarthy James T Farrell Irving Kristol Irving Howe Hannah Arendt and more With a new preface by the author that tracks the rebounding influence of these intellectuals in the era of Occupy and Bernie

Sanders this anniversary edition shows that the trajectory and ideological ordeals of the New York intellectual Left still matters today The American Scene ,1964 Seven Modern American Novelists William Van O'Connor,1964 Seven Modern American Novelists was first published in 1964 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions This volume provides critical introductions to seven of the most significant American novelists of this century bringing together in convenient book form the material from some of the University of Minnesota Pamphlets on American Writers The writers discussed and the contributing authors are Edith Wharton by Louis Auchincloss Sinclair Lewis by Mark Schorer F Scott Fitzgerald by Charles E Shain William Faulkner by William Van O Connor Ernest Hemingway by Philip Young Thomas Wolfe by C Hugh Holman and Nathanael West by Stanley Edgar Hyman In an introduction Mr O Connor who is one of the editors of the pamphlet series discusses some critical principles as they apply to fiction writers in general and to twentieth century American novelists in particular He is the author of many volumes of literary criticism as well as a collection of short stories and was a professor of English at the University of California Davis Teachers librarians and others who use the material of the University of Minnesota Pamphlets on American Writers for frequent reference or as classroom texts will find this book particularly useful Biographical information about the writers as well as critical evaluations of their writing is given A bibliography for each writer lists his works and critical and biographical works about him **God's Sacred Tongue**

Shalom Goldman,2015-01-01 In a comprehensive examination of how Christian scholars in the United States received interpreted and understood Hebrew texts and the Jewish experience Shalom Goldman explores Hebraism s relationship to American society By linking history theology and literature from the colonial period through the twentieth century Goldman illuminates the religious and cultural roots of American interest in the Middle East God s Sacred Tongue is structured around a sequence of biographical and intellectual portraits of individuals including Jonathan Edwards Isaac Nordheimer Professor George Bush an ancestor of President George W Bush and twentieth century literary critic Edmund Wilson Since the colonial period America has been perceived as a western Promised Land with emotional spiritual and physical links to the Promised Land of biblical history Goldman gives evidence from scholarship diplomacy journalism the history of higher education and the arts to show that this perception is linked to the role Hebrew and the Bible have played in American cultural history The book s final section takes up the story of American Christian Zionism among whose Protestant adherents political Zionism found much of its strongest support Religious and cultural figures such as William Rainey Harper and Reinhold Niebuhr are among those who exemplify the centuries old ties between America the Land of Promise and Israel the Promised Land

Parallel Lives Jeffrey Meyers,2024-07-02 Parallel Lives covers the century from the birth of Sigmund Freud in 1856 to the death of Sylvia Plath in 1963 Written by the esteemed biographer and literary critic Jeffrey Meyers the book includes European American and Russian authors and artists film directors and actors children and soldiers friends and lovers rivals

and enemies Drawing on the bifocal principle of dual composition in Plutarch these brief lives are arranged in pairs to interact with each other and illuminate their subjects similarities characters and friendships The linked structure of *Parallel Lives* allows several major figures Sigmund Freud Evelyn Waugh Edmund Wilson Vladimir Nabokov Ernest Hemingway and Seamus Heaney to appear in multiple chapters The most violent friendship ended when Verlaine shot Rimbaud and went to prison and Rimbaud crawled back from Africa to die miserably in France The most brilliant friendship broke up when Wilson attacked Nabokov's edition of Alexander Pushkin The most moving connection was Audrey Hepburn's tender and sympathetic attachment to her soul sister Anne Frank Using mirror images reveals a new way to perceive these illustrious men and women Each chapter shifts the focus back and forth between two subjects comparing them changing perspective reevaluating similarities and contrasts With vivid details and dramatic events Meyers emphasizes the backgrounds intellectual influences and personality traits of his paired subjects By examining the complex motives for irrational behavior ranging from deep affection to intense hostility warm encouragement to bitter rivalry sometimes together in the same chapter *Parallel Lives* offers insights into the dynamics of complementary characters

Modernism and the Reinvention of Decadence Vincent B. Sherry, 2015 This volume explores the idea of decadence through readings of major modernist writers such as Ezra Pound and T S Eliot

A Mirror in the Roadway Morris Dickstein, 2021-08-10 In a famous passage in *The Red and the Black* the French writer Stendhal described the novel as a mirror being carried along a roadway In the twentieth century this was derided as a naïve notion of realism Instead modern writers experimented with creative forms of invention and dislocation Deconstructive theorists went even further questioning whether literature had any real reference to a world outside its own language while traditional historians challenged whether novels gave a trustworthy representation of history and society In this book Morris Dickstein reinterprets Stendhal's metaphor and tracks the different worlds of a wide array of twentieth century writers from realists like Theodore Dreiser Sinclair Lewis Edith Wharton and Willa Cather through modernists like Franz Kafka and Samuel Beckett to wildly inventive postwar writers like Saul Bellow Günter Grass Mary McCarthy George Orwell Philip Roth and Gabriel García Márquez Dickstein argues that fiction will always yield rich insight into its subject and that literature can also be a form of historical understanding Writers refract the world through their forms and sensibilities He shows how the work of these writers recaptures yet also transforms the life around them the world inside them and the universe of language and feeling they share with their readers Through lively and incisive essays directed to general readers as well as students of literature Dickstein redefines the literary landscape a landscape in which reading has for decades been devalued by society and distorted by theory Having begun with a reconsideration of realism the book concludes with several essays probing the strengths and limitations of a historical approach to literature and criticism

Reviewing **Edmund Wilson The Man And His Work**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is actually astonishing.
