Handbook of Research on Implementing Inclusive Educational Models and Technologies for Equity and Diversity Escudeiro, Paula, Escudeiro, Nuno, Bernardes, Oscar, 2023-06-29 Despite the increased adoption of digital education materials during the pandemic there is a persistent issue of educational inequity and exclusion especially for students in rural areas and those with diverse disabilities Digital technologies have the potential to expand and liberate education but their inconsistent history raises questions about their effectiveness in addressing these challenges Implementing Inclusive Educational Models and Technologies for Equity and Diversity offers a comprehensive and timely reference source that aims to provide an opportunity for reflection on the crucial issue of inclusion and equity in the context of educational improvements This research book provides relevant academic work empirical research findings and an overview of this relevant field of study It also covers recommended topics such as mobile and blended learning teaching and learning strategies technological concerns and ethical and sociological concerns such as accessibility for users with diverse disabilities and addressing individual differences By providing a platform for research opportunities and increasing understanding of inclusion and equity in education the book can contribute to the development of effective strategies and tactics to create inclusive educational environments that leverage digital technologies *Advancing Multicultural Dialogues in Education* Richard Race, 2017-10-27 This edited collection advances the call for continued multicultural dialogues within education Dialogue and education are the two most essential tools that can help tackle some of the biggest problems we are facing across the globe including fanaticism chauvinistic nationalism religious fundamentalism and racism The contributors to this book explore the necessity of sustained dialogue within the wider social and political sciences alongside in national

and international politics where more multicultural voices need to be heard in order to make progress The book builds on existing evidence and literature to advocate in favour of this movement and highlights how important and significant multiculturalism and multicultural education remains It will be essential reading for students and academics working in the fields of education and sociology particularly those with an interest in social justice and multiculturalism Somali and Kurdish Refugees in London David J. Griffiths,2002 Includes statistics Children and the European Union Helen Stalford,2012-08-14 This book examines in detail the status of children in the EU Drawing on a range of disciplinary perspectives including the sociology of childhood and human rights discourse it offers a critical analysis of the legal and policy framework underpinning EU children s rights across a range of areas including family law education immigration and child protection Traditionally children s rights at this level have been articulated primarily in the context of the free movement of persons provisions inevitably restricting entitlement to migrant children of EU nationality In the past decade however innovative interpretations of EU law by the Court of Justice coupled with important constitutional developments have prompted the development of a much more robust children s rights agenda This culminated in the incorporation of a more explicit reference to children s rights in the Lisbon Treaty followed by the Commission s launch in February 2011 of a dedicated EU Agenda to promote and safeguard the rights of the child The analysis presented in this book therefore comes at a pivotal point in the history of EU children s rights providing a detailed and critical overview of a range of substantive areas and making an important contribution to international children s rights studies *Immigration* Susan Sterett,2017-05-15 Whilst immigration policy is a highly controversial topic in the West states continue to receive people who settle whether as asylum seekers or refugees or as family members of existing migrants or labour migrants Many who move violate the immigration rules either in entering a country or staying beyond the time allowed The problems illegality entails for migrants shape much of the law and society scholarship in this area and this volume brings together the key articles which shape current thinking The main topics covered include illegality mercy and the language of deservingness transnationality family and identity refugees and asylum seekers **Education, Asylum and the 'Non-Citizen' Child** Halleli Pinson,Madeleine Arnot,Mano Candappa,2010-04-29 Refugees are physically and symbolically out of place their position forcing receiving states to address issues of rights and moral obligations This book is concerned with asylum seeking and refugee children in the UK whose presence represents a litmus test of state commitment to human rights equality and justice for all children Educating Somali Children in Britain Mohamed H. Kahin,1997 This book which results from a broad study and research begun in the early 1990s focuses on the needs and concerns and highlights constraints regarding Somali refugee children in the British education system The book is intended for use by language specialists and classroom teachers and others responsible for the education and welfare of Somali children Comprehensive background information is provided about Somalia including a discussion of the educational social and cultural aspects The Somali community in Britain and problems

faced are examined Information is given about the Somali language its oral literature literacy and the major problem areas for Somali people trying to learn English A detailed problem analysis is outlined recommendations are given that could possibly address the educational needs of Somali children The special needs of Somali girls are of particular concern Selected cases and autobiographical accounts are given by Somali children Chapters are 1 Somalia A Profile 2 Historical and Political Background 3 The Somali Community in the UK 4 Language 5 The Educational Needs of Somali Children 6 Somali Girls in Schools 7 Case and Personal Histories A glossary of terms a bibliography and directory of Somali organizations in Greater London are given MM **Worldviews** ,1998 **The Canadian Encyclopedia** James H. Marsh,1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare

from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented. For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination. The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge. Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known. Yet now Canada's finest scientists, academics and specialists have distilled their knowledge of our country between the covers of one volume. The result is a book for every Canadian who values learning and values Canada. **Social Justice**, 2006 **Codad Ka Yimi Soomaaliya** Rachel Warner, 1991. From the Back Cover: These stories will improve the understanding of teachers and students while also providing a means of valuing the experience of these students. They are particularly welcome as a resource for and about cultural groups for whom we have access to very few resources. *Linguistic Anthropology* Alessandro Duranti, 2009-05-04. *Linguistic Anthropology: A Reader* is a comprehensive collection of the best work that has been published in this exciting and growing area of anthropology and is organized to provide a guide to key issues in the study of language as a cultural resource and speaking as a cultural practice. Revised and updated, this second edition contains eight new articles on key subjects including speech communities, the power and performance of language and narratives. Selections are both historically oriented and thematically coherent and are accessibly grouped according to four major themes: speech community and communicative competence, the performance of language, language socialization and literacy practices, and the power of language. An extensive introduction provides an original perspective on the development of the field and highlights its most compelling issues. Each section includes a brief introductory statement, sets of guiding questions, and a list of recommended readings on the main topics. *Social and Emotional Learning* Neil Humphrey, 2013-04-15. A landmark book for SEL. It provides an even-handed scholarly appraisal of the latest research. This major contribution will advance SEL science, improve school-based practice, and benefit many students. Professor Roger Weissberg, University of Illinois at Chicago. This important new book provides the first in-depth, authoritative and balanced examination of the critical issues pervading Social and Emotional Learning (SEL). The book highlights strengths and flaws in SEL theory and research and sets the agenda for the next generation of inquiry. The book investigates key topics such as definitions and conceptualization, origins and influences, international policy and practice, assessment and monitoring, implementation, outcomes. It will be valuable to researchers, policy makers, students, teachers, and anyone interested in the role of schools in promoting children's social and emotional wellbeing. Neil Humphrey is Professor of Psychology of Education at the University of Manchester. **BMJ**, 2007.
