Garden Variety John Hoenig, 2017-11-21 Chopped in salads scooped up in salsa slathered on pizza and pasta squeezed onto burgers and fries and filling aisles with roma cherry beefsteak on the vine and heirloom where would American food fast and slow high and low be without the tomato The tomato represents the best and worst of American cuisine though the plastic looking corporate tomato is the hallmark of industrial agriculture the tomato's history also encompasses farmers markets and home gardens Garden Variety illuminates American culinary culture from 1800 to the present challenging a simple story of mass produced homogeneity and demonstrating the persistence of diverse food cultures throughout modern America John Hoenig explores the path by which over the last two centuries the tomato went from a rare seasonal crop to America's favorite vegetable He pays particular attention to the noncorporate tomato During the twentieth century as food production processing and distribution became increasingly centralized the tomato remained king of the vegetable garden and in recent years has become the centerpiece of alternative food cultures Reading seed catalogs menus and cookbooks and following the efforts of cooks and housewives to find new ways to prepare and preserve tomatoes Hoenig

challenges the extent to which branding advertising and marketing dominated twentieth century American life He emphasizes the importance of tomatoes to numerous immigrant groups and their influence on the development of American food cultures Garden Variety highlights the limits on corporations ability to shape what we eat inviting us to rethink the history of our foodways and to take the opportunity to expand the palate of American cuisine **Consumers Index to Product Evaluations and Information Sources**, 2004 **Boys' Life**, 1913-02 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting *Sales Management*, 1928 *Historicizing Lifestyle* David Bell, 2016-04-22 Lifestyles have a history and lifestyle media is fundamentally implicated in this history This original volume examines issues of taste media and lifestyle from the 1900s to 1970s providing a wealth of empirical evidence and debate from varied international perspectives Including examples as diverse as Good Housekeeping and Playboy it explores the continuities and discontinuities between the past and present to provide a better understanding of the representation of lifestyle and its relationship to the self The volume demonstrates how ideas about gender nation and race problematize taken for granted assumptions about lifestyle with particular emphasis on the new middle classes in the US The book also examines the role of advertising and marketing in mediating ideas about lifestyle the role of material culture in the construction of cultural hierarchies and the positioning of social groups within wider cartographies of taste The volume makes a significant contribution to this growing field and will interest academics and students in media and cultural studies communication studies cultural history and sociology

Burns-Ardolino, 2007-01-01 Jiggle spans the fields of women s studies cultural studies and media studies as it examines the significance of women s embodied experience with the most intimate strictures of femininity foundation garments Feminist theory of the body the cultural production and consumption of fashion and beauty cultures femininity and female subjectivity are woven together to tell the story of how women are shaped physically culturally socially and politically by shaping garments **Advertising Fortnightly**, 1924 Chas. H. Fuller's Advertisers' Directory of Leading Newspapers and Magazines, 1915 *The Journal of Plumbing, Heating, Air Conditioning Contractors*, 1917 Clemence Dane Louise McDonald, 2020-08-31 This feminist investigation of the works of Clemence Dane joins the growing body of research into the relationship of female authored texts to the ideology and cultural hegemony of the Edwardian and inter war period An amalgam of single author study and thematic period analysis through sustained cultural engagement this book explores Dane s journalism drama and fiction to interrogate a range of issues inter war women s writing the Middlebrow feminism homo sexuality liberal politics domesticity and concepts of the spinster It examines form and a range of fictional genres drama bildungsroman detective fiction historical saga and gothic fiction It

relates back to the genre writing of comparable authors These include Rosamond Lehmann Vita Sackville West Ivy Compton Burnett Dorothy Strachey Dodie Smith Rachel Ferguson May Sinclair Sylvia Townsend Warner Daphne Du Maurier G B Stern and detective writers Dorothy L Sayers Agatha Christie Gladys Mitchell Marjorie Allingham and Ngaio Marsh Offering a picture of an era focalised through Dane and contextualised through her journalism and the work of her female peers it argues that Dane is often markedly more radically feminist than these contemporaries She engages with broad issues of social justice irrespective of gender and her humanity is demonstrated through her sympathetic representations of marginalised characters of both sexes However she most specifically evidences a gender politics consistent with the fragmented and multifarious essentialist feminism that emerged following the Great War which esteemed womanly qualities of care and mothering but simultaneously valued female autonomy single status and professionalism Adopting the critical paradigms of domestic modernism and women s liminality the book will particularly focus on the trajectories of Dane s extraordinary modern heroines who possess qualities of altruism candour integrity imagination intuition resilience and rebelliousness Over the course of her work these fictional women increasingly challenge oppressive normative forms of domesticity traversing physical thresholds to create alternative domesticities in self defining living and working spaces
